SOE Michael Richard Daniell Foot, 1985 Originally published London British Broadcasting Corporation 1984 **SOE** Thomas F. Troy, 1984-06-30 *SOE* Michael Richard Daniel Foot, 1984 *S. O. E. M. R. D. Foot*, 2014 SOE the Special Operations Executive was a small tough British secret service a dirty tricks department established in July 1940 and encouraged by Churchill to set Europe ablaze to recruit from remarkably diverse callings the men and women who were members of this most secret agency lived in great and constant danger Their job as saboteurs informers partisans couriers or secret agents was to support and stimulate resistance behind enemy lines their credentials fortitude courage immense patience and a devotion to freedom In this classic study M R D Foot sheds light on the heroism of individual SOE agents across the world and provides us with a spellbinding account of the Executive's crucial wartime work With an introduction by David Stafford *SOE* Michael R. D. Foot, 1990 *SOE* Michael Richard Daniel Foot, 1990 *SOE* Michael Richard Daniell Foot, Folio Society (London, England), 2008 *SOE's Ultimate Deception* Fredric Boyce, 2009-03-12 In the closing months of the Second World War General Eisenhower exhorted the Western Allied forces to redouble their efforts to break the German will to resist In considering this appeal General Gubbins whose Special Operations Executive was making a significant contribution to the liberation of occupied territory was faced with a fundamental difficulty in the case of Germany Although opposition to Nazism was present in some areas it was neither organised nor pro Allied Then someone had the idea of creating an entirely fictional German resistance movement and selling it to the Nazi security authorities From January until April 1945 SOE rained propaganda leaflets on the hapless population fleeing the ruins of their cities and the oncoming Allied ground forces they broadcast messages to the resistance they planted the most scandalous lies about eminent Nazis and at the end they even dropped four agents on fictitious missions This imaginative response to Ike's exhortation and the sheer audacity of the operation itself demand to be told to a wider audience *SOE's Mastermind* Brian Lett, 2016-09-30 The first complete biography of Britain's WWII spymaster presents an intimate look at his life and career as well as an insider's look at the SOE Major General Sir Colin Gubbins was the driving force behind Britain's Special Operations Executive the secret military organization established by Winston Churchill in 1940 First as its Operations and Training Director and then its Commander Gubbins orchestrated every aspect of the SOE's worldwide covert operations Though Gubbins made enormous contributions to Allied victory his life and work have remained shrouded in secrecy until now With copious research and unprecedented access to family archives biographer Brian Lett reveals the war hero's early experiences in the Great War as well as in Russia Ireland Poland and as Head of British Resistance The result is a fascinating biography that reveals as much about SOE's extraordinary activities as it does about the man who inspired and commanded them The Big Three Allies and the European Resistance Tommaso Piffer, 2025-05-27 While the Big Three and their continental Allies fought against Nazi Germany another war was under way on the continent the war to shape the political

landscape of post war Europe In the Balkans the war overlapped with political and ethnic conflicts engulfing the region in bloody civil wars In Central and Eastern Europe partisan movements engaged the Germans without losing sight of the danger posed by the arrival of the Red Army In France and in Italy the adoption of the slogans of national liberation provided the communist parties with a formidable democratic legitimacy which established them as key players in the political lives of their countries The British and the Americans worked to stir up support control and direct these resistance groups London created the Special Operations Executive SOE and Washington the Office of Strategic Services OSS both of whom sent agents into occupied Europe to liaise directly with the guerilla groups Through the Comintern Moscow carefully coordinated the actions of the European communist parties with the foreign policy of the Soviet Union which was acting for the first time as a key player in the arena of international relations The forests and the mountains where the partisans were fighting the Germans soon became a major part of the proxy war that the Big Three waged to shift the post war geopolitical balance in their favour Looking for the first time at the Big Three in a comparative study and spanning Europe from Yugoslavia to Poland from Greece to France and Italy this book vividly depicts and sharply analyses how this proxy war shaped the history of the post war settlement In so doing Piffer deftly connects high political histories with history from below making the book important reading for all those interested in the history of the war and cold war communism and Resistance and diplomacy and intelligence
