mercy of an anonymous guardian who plans to establish her as a servant in far off Scotland With two months to devise a better plan Julia s first choice to marry her childhood sweetheart is denied But when a titled dowager offers to introduce Julia into society a realm of possibilities opens However treachery and deception are as much a part of Victorian society as titles and decorum and Julia quickly discovers her present is deeply entangled with her mother s mysterious past Before she knows what s happening Julia finds herself a pawn in a deadly game between two of the country s most powerful men With no laws to protect her she must unravel the secrets on her own But sometimes truth is elusive and knowledge is deadly 2 Mark of Distinction London is said to be the glittering jewel of society a world unto itself but to Julia Elliston it is a city of shadows Her life is swiftly dissolving into scandal And in Victorian society even a whisper of scandal substantiated or not can be the death of a young woman s reputation Now under the watchful eye of Lord Roy Pierson one of most influential men in England Julia begrudgingly accepts his protection But Chance Macy s power is far reaching as well and he is eager to assert his claim over her Thrust into society as the Emerald Heiress Julia is the toast of London a celebrated curiosity But in reality she s trapped between the clutches of two powerful men Aided only by a gentleman whose intentions she prays she can trust Julia must finally take control of her own fate but outwitting one s foe rarely goes according to plan 3 Price of Privilege Having finally discovered the truth of her birthright Julia Elliston is determined to outwit Chance Macy at his own game Holding a secret he d kill to keep however is proving more difficult than she imagined Just when Julia thinks she s managed to untangle herself from Macy s clutches he changes tactics with a risky ploy As the scandal of the century breaks loose drawing rooms all over London whisper what so far newspapers have not dared to print Macy s lost bride is none other than Lord Pierson s daughter and one of the most controversial cases of marital law ever seen comes before Victorian courts Though Julia knows Macy s version of events is another masterful manipulation public opinion is swaying in his favor Caught in a web of deceit and lies armed only with a fledgling faith Julia must face her fiercest trial yet **The Scottish Law Reporter** ,1899

Assisted Dying Sheila McLean, 2007-11-27 Assisted Dying explores the law relating to euthanasia and assisted suicide tracing its development from prohibition through to the laissez faire attitude adopted in a number of countries in the 21st Century This book provides an in depth critique of the arguments surrounding legislative control of such practices and particularly looks into the regulatory role of the state In the classical tradition of libertarianism the state is generally presumed to have a remit to intervene where an individual's actions threaten another rather than harm the individuals themselves This arguably leaves a question mark over the state's determined intervention in the UK and elsewhere into the private and highly personal choices of individuals to die rather than live The perceived role of the state in safeguarding the moral values of the community and the need for third party involvement in assisted suicide and euthanasia could be thought to raise these practices to a different level These considerations may be in direct conflict with the so called right to die espoused by some individuals and groups within the community However this book will argue that the state's interests are and should be second to the interests that the people themselves have in choosing their own death Assisted Dying is winner of the The Minty Prize of the Society of Authors and winner of the Royal Society of Medicine Book Awards 2008 **The**
