[Luke \(Teach the Text Commentary Series\)](#) R. T. France, 2013-11-19 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively. The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text. **Luke (Understanding the Bible Commentary Series)** Craig A. Evans, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series. *Luke* Darrell L. Bock, 1994-01-01 In Luke's vivid narrative, Jesus comes into Galilee proclaiming good news to the poor, freedom for the prisoners, and recovery of sight for the blind. More than any other Gospel, the Gospel of Luke shows Jesus' great concern for the downtrodden, the oppressed, and the marginalized, including women and children, and even those outside the house of Israel. Darrell Bock's IVP New Testament Commentary shows why Luke's Gospel is tailor-made for the world we live in, a world often divided along ethnic, religious, economic, and political lines. After all, the Jesus portrayed by Luke is a source of unity for his disciples and for believers from every walk of life. Tax collectors, Roman soldiers, prostitutes, city officials, religious leaders, widows, and fishermen were among the diverse group brought together in the early Christian church. The Gospel is universal in its perspective and cosmic in its scope. Bock writes, "As we look at our modern multicultural world, certainly there is relevance in a Gospel that highlights how men and women of different ethnic origins can be transformed into a unified community." Along with a passage-by-passage exposition of Luke, Bock offers background information on date, destination, purpose, form, and theological themes in the text. His dual focus on understanding what Luke wanted to communicate to his original readers and on discovering how that message is relevant for today's readers will make this commentary an excellent resource for all who study, preach, or teach the Scriptures. [The Gospel of Luke - Complete Bible Commentary Verse by Verse](#) Matthew Henry, 2016-06-01 This is another volume in the series of Bible Commentaries of Matthew Henry. In this volume, the entire text of the Gospel of Luke is commented with notes of each chapter, all easy to read.
