Ma Smith And The Heman Woman Haters:

Ma Smith and the He-Man Woman Haters Harold Renshaw, 2005-06-01 Ma Smith and the He Man Woman Haters is about murder disappearances a ghost psychic revelations a curse and even a little about God and human relationships At the center of this confusion is Ma Smith a cigarette smoking beer drinking woman who exerts quiet control over those around her Her nemesis is a self ordained minister who takes an old barnCa barn with a curseCand turns it into a church The misogynist who built the barn left a curse on any woman who came near it Local tradition has it that women have mysteriously disappeared around it since that time Now with the disappearance of the town s only policewoman it seems that the old curse has revisited the community When a friend of Ma Smith Bitsy Ritz in her last days of pregnancy disappears tension builds and the old mystery becomes personal

Good Guys David G. Smith, W. Brad Johnson, 2020-10-13 The key to advancing gender equality Men Women are at a disadvantage At home they often face an unequal division of household chores and childcare and in the workplace they deal with lower pay lack of credit for their contributions roadblocks to promotion sexual harassment and more And while organizations are looking to address these issues too many gender inclusion initiatives focus on how women themselves should respond reinforcing the perception that these are women s issues and that men often the most influential stakeholders in an organization don t need to be involved Gender in the workplace experts David G Smith and W Brad Johnson counter this perception In this important book they show that men have a crucial role to play in promoting gender equality at work Research shows that when men are deliberately engaged in gender inclusion programs 96 percent of women in those organizations perceive real progress in gender equality compared with only 30 percent of women in organizations without strong male engagement Good Guys is the first practical research based guide for how to be a male ally to women in the workplace Filled with firsthand accounts from both men and women and tips for getting started the book shows how men can partner with their female colleagues to advance women s leadership and equality by breaking ingrained gender stereotypes overcoming unconscious biases developing and supporting the talented women around them and creating productive and respectful working relationships with women
