Hollywood Madonna Bernard F. Dick, 2025-05-15 Loretta Young 1913-2000 was an Academy Award-winning actress known for devout Catholicism and her performances in *The Farmer's Daughter*, *The Bishop's Wife*, and *Come to the Stable*, and for her long-running and tremendously popular television series *But That Was Not the Whole Story*. *Hollywood Madonna* explores the full saga of Loretta Young's professional and personal life. She made her film debut at age four, became a star at fifteen, and many awards and accolades later made her final television movie at age seventy-six. This biography withholds none of the details of her affair with Clark Gable and the daughter that powerful love produced. Bernard F. Dick places Young's affair in the proper context of the time and the choices available to women in 1935, especially a noted Catholic like Young, whose career would have been in ruins if the public knew of her tryst. With the birth of a daughter who would have been branded a love child, Loretta Young reached the crossroads of disclosure and deception, choosing the latter path. That choice resulted in an illustrious career for her and a tortured childhood for her daughter.

Daya Karo! Ivan Argüelles, 1999 *Small Press Review*, 2001 *Inferno* Ivan Argüelles, 2005 Poetry one has to read this work with a new mind set. Instead of looking for the neat moral conclusion, one has to allow oneself to be drowned in the ocean of this stunning and protean work and be receptive to all the ambiguities and contradictions it contains. One should not look for an end to it for it is endless. You can never finish reading it, but now you must start. Dr. John M. Bennett *An American Avant Garde: Second Wave* John M. Bennett, 2002
