Minotaur Trilogy Book 1 A. A. Michael,2019-01-07 This trilogy is a memoir about real events and real characters with fictitious names to protect the guilty When I first wrote Book 1 The Odyssey it became apparent that the reader would not understand the back story that led to Michael s odyssey after the sad dissolution of his marriage of thirty years so I wrote a prequel called Book 2 The Ivory Tower which detailed the ongoing events at Charity University during the Odyssey then I wrote an earlier prequel Book 3 The Birth of the Minotaur which explained the events in Michael s life that lead up to the launching of his odyssey This is Book 1 The Odyssey of the Naked Minotaur Trilogy The Naked Minotaur is my erotic alter ego who helped me focus my feelings to cry then laugh to love and to prevail in my passage through the perilous waters of mid life Being middle aged was hard the realization that my youthful virility and apparent immortality had abandoned me leaving behind the traumatic symbols of man s frailty unachievable goals graying baldness prostate problems perceived impotency well you get the picture Mary Renault portrayed the Minotaur as the grown son of King Minos of Crete who donned a bull mask during palace rituals and was caught up in the puppetry of a decaying court that ruled the Minoan people through the politics of fear and intrigue I too wear a mask it is the only true glimpse of my inner emotions that I allow anyone to see My knees shiver forlornly against the chill Kicked out of my marriage of thirty years for my failures I am about to embark on a ten year odyssey scared about the new adventures the pleasures and delights the hardships and the calamities that will surely befall me as I try to prevail through the perilous waters of midlife Rhonda s sumptuous feline body is imprisoned within the soft moonlit edges of the shadowy bars God I need her now We were two ageless lovers on Crete s

southern shore wily old Odysseus and his abducted young thighed Angelika She is gone from my life forever poor Jana I had no love to give her Tears of sadness well up in my eyes my memorable love affair with Astrid in Crete still glows sadly in my mind Could I have lived in two alternate universes at the same time and space one in which I loved Laurel and the other in which I loved Lillian and was hired by LIGO That seems too bizarre to have happened but quantum physics is very weird Maybe the Minotaur is just a misunderstood victim of the judgment of mythology what if his mask were removed and his true desires and loves were laid naked This is my story *The Sensual Memoirs of an Edwardian Lady, Volume 1* ,1997 **My Secret Life** ,2012-11-03 Over 100 years old and still hot as it was then **Memoirs of a Woman of Pleasure** John Cleland,1990 [Memoirs of a Gigolo](#) Livia Ellis,2016-11-24 *My Secret Life - Volumes I to III* Anonymous,2017-04-20 First published in eleven volumes beginning in 1888 My Secret Life is the extensive memoir of one gentleman s sexual experiences and developments in Victorian England Representing a frank and open exploration of sexuality and other interesting facets of Victorian life this memoir is arguably a unique and insightful social document described as one of the strangest and most obsessive books ever written My Secret Life will appeal to those with an interest in Victorian life and the effects of a sexually repressed society and it would make for a fantastic addition to collections of vintage literature Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this volume now in a modern high quality edition complete with a specially commissioned new introduction on the history of erotic literature [My Secret Life Volumes I. to III. Memoirs of a Woman of Pleasure John Cleland, 2018-07-23 John Cleland's *Memoirs of a Woman of Pleasure* has been described as the first erotic novel in English and is perhaps the greatest example of the genre From the outset it was mired in disrepute Cleland penned the novel to liberate himself from debtors prison and the book's manifestly lewd content led to its legal suppression within a year of publication Though versions of the novel nearly

always abridged in some form continued to find a way into print the Memoirs remained an underground text until the 1960s Only as that decade ushered in a culture less socially deferential and more sexually permissive was the moment opportune for the obscenity ban to be successfully challenged Cleland's novel is a triumph of literary style resting on his invention of an entirely new vividly metaphoric terminology for describing sexual pleasure This Broadview Edition provides extensive materials on Cleland's biography and career contemporary censorship and pornography and prostitution in the eighteenth century
