Memoirs Of A First Christian:

The First Christian Communities, 32 - 380 CE Joyce E. Salisbury, 2023-11-24 This concise history of how the Christian Church grew between 32 and 380 focuses on the anonymous Christians who formed diverse congregations as they guided their communities through the age of the Apostles violent martyrdoms and to the establishment of the Roman Church Readers will understand why people converted to Christianity in the first three centuries and learn about the rich diversity of the early church as people interpreted the new religion in different ways This book explores how Christian interactions with the Roman empire led to violent persecutions and martyrdoms and eventually the fourth century establishment of the top down Roman Church Readers also become familiar with Christian texts during this period some became Scripture and some were rejected but all were written to make sense of the Jewish and Christian experience in the Roman Empire These written memories shaped the future of the church It also explores how early Christian lives were shaped by the religious rituals and preaching of their new and changing faith In addition maps illustrations and charts of Christian texts help tell this fascinating story *The First Christian Communities 32 380 CE* is an accessible and valuable resource suitable for students working on Christian history and Roman and Late Antique social political and religious history as well as general readers who are interested in the origins of Christianity

Memoirs of the Life and Correspondence of Mrs. Hannah More William Roberts, 1835 **Memoirs of Louis Harrison Coleman** Christopher Bush Coleman, 1920 **The young Christian merchant, a memoir of G.W. Blake, compiled chiefly from his journal and letters, by his sister** George Washington Blake, 1860 *The Oxford Handbook of Early Christian Studies* Susan Ashbrook Harvey, David G.

Hunter, 2008-09-05 The Oxford Handbook of Early Christian Studies responds to and celebrates the explosion of research in this interdisciplinary field over recent decades As a one-volume reference work it provides an introduction to the academic study of early Christianity c. 100-600 AD and examines the vast geographical area impacted by the early church in western and eastern late antiquity It is thematically arranged to encompass history literature thought practices and material culture It contains authoritative and up-to-date surveys of current thinking and research in the various sub-specialties of early Christian studies written by leading figures in the discipline The essays orientate readers to a given topic as well as to the trajectory of research developments over the past 30-50 years within the scholarship itself Guidance for future research is also given Each essay points the reader towards relevant forms of extant evidence texts documents or examples of material culture as well as to the appropriate research tools available for the area This volume will be useful to advanced undergraduate and postgraduate students as well as to specialists in any area who wish to consult a brief review of the state of the question in a particular area or sub-specialty of early Christian studies especially one different from their own

Memoirs of Elder Thomas Campbell Alexander Campbell, 1861 *The Barsden Memoirs (1799-1816)* Grant

Rodwell,2022-02-27 Covering the life of Josephus Henry Barsden from his birth in 1799 through his childhood to 16 years of age the Barsden memoirs describe events from a Sussex smugglers inn a convict ship to the colony of New South Wales sealing and whaling expeditions to Van Diemen s Land and Barsden s participation in a Tahitian civil war The author assesses the value of memoirs and of these memoirs in particular to students of history in respect to the transnational paradigm He tests the historicity and veracity of their contents and provides an engaging exegesis and graphical supplement of its contents Of central importance is Barsden s account of the Battle of Fe i Pi which was in many respects the Pacific s equivalent to the contemporaneous Battle of Waterloo such was its lasting impact on Pacific geopolitics This was no ordinary childhood and poses many questions about a transnational adolescent s impact on major events A fascinating read for scholars and students of Australian Pacific and British Colonial History written with academic rigour but accessible to non specialists

Memories of Jesus Halvor Moxnes,2021-02-09 This is a different book about Jesus It does not study the Gospels as sources for the historical Jesus but reads them as memories about Jesus each Gospel with its characteristic picture of Jesus The book traces the transmission and growth of memories of Jesus in various contexts and in different historical periods It also introduces readers to the little known counterstories to Christian memories in Jewish sources as well as to the rival stories in the Quran A central perspective in the book is the troubling fact that for centuries the memories of Jesus contributed to hate speech against the Jews in Europe The passion narratives in the Gospels put the blame for the death of Jesus upon Jewish leaders and these stories were transmitted across the centuries as historical truth Memories of Jesus have served as identity markers not only for churches but also for societies and countries The last chapters focus on how the memories of Jesus have played an important role in supporting the identity of oppressed and marginalized groups in particular in the contemporary United States
