fatally shot at close range in the lobby of the House of Commons In the confused aftermath his assailant John Bellingham made no effort to escape A week later before his motives could be examined he was tried and hanged Here for the first time the historian Andro Linklater looks past the conventional image of Bellingham as a deranged businessman and portrays him as an individual driven by personal anxieties and by the raw emotions that convulsed his home town of Liverpool But as the evidence accumulates a wider darker picture emerges John Bellignham was not alone in hating the prime minister Two hundred years later Andro Linklater examines the evidence and brilliantly deconstructs the assassination of Spencer Perceval the only British Prime Minister ever to have suffered that fate to offer a fresh perspective on Britain and the Western world at a critical moment in history *Cobbett's Weekly Register* ,1821 **Memoirs of Henry Hunt, Esq** Henry Hunt,1928

La historia comparada de los procesos de construcción nacional británico francés español y portugués durante la era de las revoluciones construida a partir de un corpus de relatos de vida constituye una práctica novedosa Aunque las fuentes autobiográficas utilizan la palabra nación y sus términos asociados con diferentes sentidos se pueden inferir una serie de patrones comunes de significado en los lenguajes nacionales empleados antes durante y después de la revolución liberal Asimismo se aborda la relación entre la diversidad cultural territorializada y los conflictos políticos de la época incluyendo los procesos de secesión acontecidos dentro de estas monarquías transatlánticas en su problemática transformación en naciones imperiales Los resultados revelan un uso de la nación recurrente y relativamente transversal en la codificación de las trayectorias vitales e incluyen la propuesta de un modelo de historia conceptual alternativo a la oposición binaria entre naciones modernas y naciones premodernas en este momento clave de transición semántica *British Museum Catalogue of printed Books* ,1889
