

ORIGINS OF THE RUSSIAN INTELLIGENTSIA

The Eighteenth-Century Nobility

BY MARC RAEFF

Origins Of The Russian Intelligensia The Eighteenth Century Nobility

Robin Aizlewood, Ruth Coates

Origins Of The Russian Intelligentsia The Eighteenth Century Nobility:

Origins of the Russian Intelligentsia Marc Raeff, 1958 *The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917* Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union *A Rosicrucian Utopia in Eighteenth-Century Russia* Raffaella Faggionato, 2006-01-18 The author undertakes an investigation into the history of Russian Freemasonry that has not been attempted previously Her premise is that the Russian Enlightenment shows peculiar features which prevent the application of the interpretative framework commonly used for the history of western thought The author deals with the development of early Russian masonry the formation of the Novikov circle in Moscow the programme of Rosicrucianism and the character of its Russian variant and finally the clash between the Rosicrucians and the State The author concludes that the defenders of the Ancien Régime were not wrong In fact the democratic behaviour the critical attitude the practice of participation the freedom of thought the tolerance for the diversity the search for a direct communication with the divinity in short all the attitudes and behaviours first practiced inside the eighteenth century Rosicrucian lodges constituted a cultural experience which spread throughout the entire society Novikov's imprisonment in 1792 and the war against the Rosicrucian literature were attempts to thwart a culture based on the independence of thought that was taking root inside the very establishment representing a menace to its stability *A Companion to Eighteenth-Century Europe* Peter H. Wilson, 2014-01-28 A COMPANION TO EIGHTEENTH CENTURY EUROPE This is an impressive volume with leading experts providing a wide ranging coverage that should satisfy most requirements for effective and thoughtful introductory surveys All specialists on this period will find much of value in this excellent volume History The Journal of the Historical Association This Companion contains 31 essays by leading international scholars to provide an overview of the key debates on eighteenth century Europe It considers not just major western European states but also the often neglected countries of eastern and northern Europe Placing Europe within an international context contributors investigate key areas of society economics culture and political development The book concludes with the French and other European revolutions that brought the century to a close both chronologically and as regards the Ancien Régime A Companion to Eighteenth Century Europe examines both established and emerging areas of interest in the field making it an essential guide for students and scholars **A History of Russian Thought** William Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia's political and social history Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today This history examines important intellectual and cultural currents the Enlightenment nationalism nihilism and religious revival and key themes conceptions of the West and East the common people and attitudes to capitalism and natural science in Russian intellectual history Concentrating on the Golden Age of Russian thought in the mid nineteenth century the contributors also look back to its eighteenth century origins in the flowering of culture following

the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras With brief biographical details of over fifty key thinkers and an extensive bibliography this book provides a fresh comprehensive overview of Russian intellectual history The Modernisation of Russia, 1676-1825 Simon Dixon, 1999-07-29 This is the first book to place Russia's long eighteenth century squarely in its European context The conceptual framework is set out in an opening critique of modernisation which while rejecting its linear implications maintains its focus on the relationship between government economy and society Following a chronological introduction a series of thematic chapters covering topics such as finance and taxation society government and politics culture ideology and economy emphasise the ways in which Russia's international ambitions as an emerging great power provoked administrative and fiscal reforms with wide ranging and often unanticipated social consequences This thematic analysis allows Simon Dixon to demonstrate that the more the tsars tried to modernise their state the more backward their empire became A chronology and critical bibliography are also provided to allow students to discover more about this colourful period of Russian history

A History of Russian Thought from the Enlightenment to Marxism Andrzej Walicki, 1979 This book covers virtually all the significant Russian thinkers from the age of Catherine the Great Down to the eve of the 1905 Revolution

Eighteenth-Century Ukraine Zenon E. Kohut, Volodymyr Sklokin, Frank E. Sysyn, 2023-05-15 The Cossack revolution of 1648 redrew the map of Eastern Europe and established a new social and political order that endured until the early nineteenth century with the full integration of Ukraine into imperial states It was an era when Ukrainian Cossack statehood was established when a country called Ukraine appeared for the first time on European maps and new diverse identities emerged Eighteenth Century Ukraine provides an innovative reassessment of this crucial period in Ukrainian history and reflects new developments in the study of eighteenth century Ukrainian history Written by a team of primarily Ukrainian historians the volume covers a wide range of topics social history demographics history of medicine religious culture education symbolic geography the transformation of collective identities and political and historical thought Special attention is paid to Ukrainian Russian relations in the context of eighteenth century Russian imperial unification Eighteenth Century Ukraine is the most comprehensive guide to new visions of early modern Ukrainian history **A Companion to Russian History** Abbott Gleason, 2014-01-28 This companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field A History of Eastern Europe 1740-1918 Ian D. Armour, 2012-11-22 A History of Eastern Europe 1740 1918 Empires Nations and

Modernisation provides a comprehensive authoritative account of the region during a troubled period that finished with the First World War Ian Armour focuses on the three major themes that have defined Eastern Europe in the modern period empire nationhood and modernisation whilst chronologically tracing the emergence of Eastern Europe as a distinct concept and place Detailed coverage is given to the Habsburg Ottoman German and Russian Empires that struggled for dominance during this time In this exciting new edition Ian Armour incorporates findings from new research into the nature and origins of nationalism and the attempts of supranational states to generate dynastic loyalties as well as concepts of empire Armour s insightful guide to early Eastern Europe considers the important figures and governments analyses the significant events and discusses the socio economic and cultural developments that are crucial to a rounded understanding of the region in that era Features of this new edition include A fully updated and enlarged bibliography and notes Eight useful maps Updated content throughout the text A History of Eastern Europe 1740 1918 is the ideal textbook for students studying Eastern European history

Russian and Soviet History Steven A. Usitalo, William Benton Whisenhunt, 2008-01-28 An original and thought provoking text Russian and Soviet History uses noteworthy themes and important events from Russian history to spark classroom discussion Consisting of twenty essays written by experts in each area the book does not simply repeat the conventional themes found in nearly all Russian history texts anthologies and documentary compilations Rather it showcases current thinking on Russian cultural political economic and social history from the end of the sixteenth century to the demise of the Soviet experiment Informed by archival work in the former Soviet Union and a broad range of published sources this book is intended to introduce students to Russian history in an accessible and provocative format Its eclectic essays offer readers an incomparable taste of the complexity and richness of Russia as it has evolved from late Muscovy to the modern era This text is perfect for undergraduate and graduate students in Russian history and is a great resource for scholars in the field Contributions by Sergei Arutiunov Richard Bidlack Kees Boterbloem James Cracraft Chester S L Dunning Colum Leckey Alexander M Martin Susan P McCaffray Martha Merritt Patrick O Meara Scott W Palmer Jelena Pogosjan Thomas E Porter Ana Siljak Douglas Smith William Taubman Steven A Usitalo Jeffrey Veidlinger Rex A Wade and William Benton Whisenhunt

A History of Russia Volume 1 Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists

Social Identity in Imperial Russia Elise Kimerling Wirtschafter, 1997-10-01 A broad panoramic view of Russian imperial society from the era of Peter the Great to the revolution of 1917 Wirtschafter s study sets forth a challenging interpretation of one of the world s most powerful and

enduring monarchies A sophisticated synthesis that combines extensive reading of recent scholarship with archival research it focuses on the interplay of Russia s key social groups with one another and the state The result is a highly original history of Russian society that illuminates the relationships between state building large scale social structures and everyday life Beginning with an overview of imperial Russia s legal and institutional structures Wirschafter analyzes the ruling classes and service elites the land owning nobility the civil and military servicemen the clergy and then examines the middle groups the raznochintsy the commercial industrial elites the professionals the intelligentsia before turning to the peasants townspeople and factory workers Wirschafter argues that those very social political and legal relationships that have long been viewed as sources of conflict and crisis in fact helped to promote integration and foster the stability that ensured imperial Russia s survival

Development of Class Structure in Eastern Europe Aleksander Gella,1989-01-01 Emphasizing the development of class structure this book is the first in English to describe the historical and social development of Poland Czechoslovakia Hungary and Romania from medieval feudalism to modern capitalism Historically these countries have maintained mostly peaceful relations among themselves in the past and now share the common characteristic of being Soviet satellites The author has devoted particular attention to Poland because of its unique political system as well as its greater size population and cultural influence The book is divided into three sections part one reviews the early history and social structure of each country part two provides a sociological analysis of social classes and their evolution over centuries and part three examines the effect that World War II has had on these social classes

Religion and Enlightenment in Catherinian Russia Elise Kimerling Wirschafter,2013-03-15 This valuable study explores the Russian Enlightenment with reference to the religious Enlightenment of the mid to late eighteenth century Grounded in close reading of the sermons and devotional writings of Platon Levshin Court preacher and Metropolitan of Moscow the book examines the blending of European ideas into the teachings of Russian Orthodoxy Highlighting the interplay between Enlightenment thought and Orthodox enlightenment Elise Wirschafter addresses key questions of concern to religious Enlighteners across Europe humanity s relationship to God and creation the distinction between learning and enlightenment the role of Christian love in authority relationships the meaning of free will in a universe governed by Divine Providence and the unity of church monarchy and civil society Countering scholarship that depicts an Orthodox religious culture under assault from European modernity and Petrine absolutism Wirschafter emphasizes the ability of Russia s educated churchmen to assimilate and transform Enlightenment ideas The intellectual and spiritual vitality of eighteenth century Orthodoxy helps to explain how Russian policymakers and intellectuals met the challenge of European power while simultaneously coming to terms with the broad cultural appeal of the Enlightenment s universalistic human rights agenda Religion and Enlightenment in Catherinian Russia defines the Russian Enlightenment as a response to the allure of European modernity as an instrument of social control and as the moral voice of an emergent independent society Because Russia s enlightened intellectuals focused on the moral perfectibility of

the individual human being rather than social and political change the originality of the Russian Enlightenment has gone unrecognized This study corrects images of a superficial Enlightenment and crisis ridden religious culture arguing that in order to understand the humanistic sensibility and emphasis on individual dignity that permeate Russian intellectual history and the history of the educated classes more broadly it is necessary to bring Orthodox teachings into the discussion of Enlightenment thought The result is a book that explains the distinctive origins of modern Russian culture while also allowing scholars to situate the Russian Enlightenment in European and global history

Russia Before The 'Radiant Future' Michael Confino,2011-05-01 One of the major historians of prerevolutionary Russia has collected in this volume some of his most important essays Written over a number of years these pioneering works have been revised and updated and are complemented by others being published for the first time Thematically they cover major subjects in Imperial Russian history and in historical writing such as ideas and their role in historical change the intelligentsia the nobility and peasant society and historiography The twelve essays raise cardinal questions about current scholarship on Russian history before the upheavals of 1917 and offer original interpretations that are of interest to the educated layman as well as the professional historian

History of Music in Russia from Antiquity to 1800, Volume 2 Nikolai Findeizen,2008-02-07 In its scope and command of primary sources and its generosity of scholarly inquiry Nikolai Findeizen s monumental work published in 1928 and 1929 in Soviet Russia places the origins and development of music in Russia within the context of Russia s cultural and social history Volume 2 of Findeizen s landmark study surveys music in court life during the reigns of Elizabeth I and Catherine II music in Russian domestic and public life in the second half of the 18th century and the variety and vitality of Russian music at the end of the 18th century

Russia And The Soviet Union John M Thompson,2019-08-22 This book is a brief lucid account of Russian and Soviet history from ancient Kievan Rus to the present day Equal attention is paid to the early and the modern periods of Russian history The author has revised this new edition to include the dramatic changes in the Soviet Union and its foreign policy during Gorbachev s first five years in office The text is supplemented with maps and illustrations and includes bibliographies at the end of each chapter Designed for use by students in either a one or two semester introductory course in Russian history Russia and the Soviet Union will also be valuable to any reader seeking to become acquainted with the story of the Russian people their tribulations and courage tragedies and triumphs and their remarkable contribution to world culture

Slavophile Thought and the Politics of Cultural Nationalism Susanna Rabow-Edling,2012-02-01 Susanna Rabow Edling examines the first theory of the Russian nation formulated by the Slavophiles in the second quarter of the nineteenth century and its relationship to the West Using cultural nationalism as a tool for understanding Slavophile thinking she argues that a Russian national identity was not shaped in opposition to Europe in order to separate Russia from the West Rather it originated as an attempt to counter the feeling of cultural backwardness among Russian intellectuals by making it possible for Russian culture to assume a leading

role in the universal progress of humanity This reinterpretation of Slavophile ideas about the Russian nation offers a more complex image of the role of Europe and the West in shaping a Russian national identity **Landmarks Revisited** Robin Aizlewood, Ruth Coates, 2019-08-28 The Vekhi Landmarks symposium 1909 is one of the most famous publications in Russian intellectual and political history Its fame rests on the critique it offers of the phenomenon of the Russian intelligentsia in the period of crisis that led to the 1917 Russian Revolution It was published as a polemical response to the revolution of 1905 the failed outcome of which was deemed by all the Vekhi contributors to exemplify and illuminate fatal philosophical political and psychological flaws in the revolutionary intelligentsia that had sought it Landmarks Revisited offers a new and comprehensive assessment of the symposium and its legacy from a variety of disciplinary perspectives by leading scholars in their fields It will be of compelling interest to all students of Russian history politics and culture and the impact of these on the wider world

This book delves into Origins Of The Russian Intelligensia The Eighteenth Century Nobility. Origins Of The Russian Intelligensia The Eighteenth Century Nobility is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Origins Of The Russian Intelligensia The Eighteenth Century Nobility, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Origins Of The Russian Intelligensia The Eighteenth Century Nobility
 - Chapter 2: Essential Elements of Origins Of The Russian Intelligensia The Eighteenth Century Nobility
 - Chapter 3: Origins Of The Russian Intelligensia The Eighteenth Century Nobility in Everyday Life
 - Chapter 4: Origins Of The Russian Intelligensia The Eighteenth Century Nobility in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Origins Of The Russian Intelligensia The Eighteenth Century Nobility. This chapter will explore what Origins Of The Russian Intelligensia The Eighteenth Century Nobility is, why Origins Of The Russian Intelligensia The Eighteenth Century Nobility is vital, and how to effectively learn about Origins Of The Russian Intelligensia The Eighteenth Century Nobility.
 3. In chapter 2, the author will delve into the foundational concepts of Origins Of The Russian Intelligensia The Eighteenth Century Nobility. This chapter will elucidate the essential principles that need to be understood to grasp Origins Of The Russian Intelligensia The Eighteenth Century Nobility in its entirety.
 4. In chapter 3, this book will examine the practical applications of Origins Of The Russian Intelligensia The Eighteenth Century Nobility in daily life. The third chapter will showcase real-world examples of how Origins Of The Russian Intelligensia The Eighteenth Century Nobility can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Origins Of The Russian Intelligensia The Eighteenth Century Nobility in specific contexts. This chapter will explore how Origins Of The Russian Intelligensia The Eighteenth Century Nobility is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Origins Of The Russian Intelligensia The Eighteenth Century Nobility. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Origins Of The Russian Intelligensia The Eighteenth Century Nobility.
