**Bookman's Weekly**, 1999 **Visualizing Orientalness** Björn A. Schmidt, 2017 In the early twentieth century Hollywood was fascinated by the Far East Chinese immigrants however were excluded since 1882 and racism pervaded U S society When motion pictures became the most popular form of entertainment immigration and race were heavily debated topics Visualizing Orientalness is the first book that analyses the significance of motion pictures within these discourses Taking up approaches from the fields of visual culture studies and visual history Björn A. Schmidt undertakes a visual discourse analysis of films from the 1910s to 1930s The author shows how the visuality of films and the historical discourses and practices that surrounded them portrayed Chinese immigration and contributed to notions of Chinese Americans as a foreign and other race

**Sunset**, 1909 Ornamentality Anne Anlin Cheng, 2019 Ornamentality offers one of the first sustained and original theories of Asiatic femininity Examining ornamentality in lieu of Orientalism as a way to understand the representation circulation and ontology of Asiatic femininity this study extends our vocabulary about the woman of color beyond the usual platitudes about objectification

Picturing Chinatown Anthony W. Lee, 2001-10-02 Throughout European history Jews have been associated

with commerce and the money trade rendered both visible and vulnerable like Shylock by their economic distinctiveness This is the story of Jewish perceptions of this economic difference and its effect on modern Jewish identity *Chinatowns in a Transnational World* Vanessa Künnemann, Ruth Mayer, 2012-03-22 This book explores the history the reality and the complex fantasy of American and European Chinatowns and traces the patterns of transnational travel and traffic between China South East Asia Europe and the United States which informed the development of these urban sites Despite obvious structural or architectural similarities and overlaps Chinatowns differ markedly depending on their location European versions of Chinatowns can certainly not be considered mere replications of the American model Paying close attention to regional specificities and overarching similarities Chinatowns thus discloses the important European backdrop to a phenomenon commonly associated with North America It starts from the assumption that the historical and modern Chinatown needs to be seen as complicatedly involved in a web of cultural memory public and private narratives ideologies and political imperatives Most of the contributors to this volume have multidisciplinary and multilingual backgrounds and are familiar with several different instances of the Chinese diasporic experience With its triangular approach to the developments between China and the urban Chinese diasporas of North America and Europe Chinatowns reveals connections and interlinkages which have not been addressed before
