

Pieracci and Shelley:
An Italian *Ur-Cenci*

George Yost

Pieracci And Shelley An Italian Urcenci

Percy Bysshe Shelley

Pieracci And Shelley An Italian Urcenci:

Pieracci and Shelley, an Italian Ur-Cenci George Yost, 1986 The author shows the English poet's genius in reshaping materials from an Italian neoclassical play to his own Romantic and Shakespearean work This book includes the Italian original of Pieracci and an English translation Shelley's Italian Experience Alan M. Weinberg, 2016-07-27 Focusing on Shelley's Italian experience the present study both addresses itself to the living context which nurtured Shelley's creativity and explores a neglected but essential component of his work The poet's four years of self exile in Italy 1818 1822 were in fact the most decisive of his career As he responded to Italy his poetry acquired a new subtlety and complexity of vision Endowed with remarkably keen powers of absorption the poet imaginatively reshaped the rich cultural heritage of Italy and the vital qualities of its landscape and climate **The Theatre of Shelley** Jacqueline Mulhallen, 2010 Based on the author's thesis Ph D Anglia Ruskin University The Poems of Shelley: Volume Two Kelvin Everest, Geoffrey Matthews, 2014-06-23 Percy Bysshe Shelley 1792 1822 was one of the major Romantic poets and wrote what is critically recognised as some of the finest lyric poetry in the English language This is the second volume of the five volume *The Poems of Shelley* which presents all of Shelley's poems in chronological order and with full annotation Date and circumstances of composition are provided for each poem and all manuscript and printed sources relevant to establishing an authoritative text are freshly examined and assessed Headnotes and footnotes furnish the personal literary historical and scientific information necessary to an informed reading of Shelley's varied and allusive verse This volume makes extensive use of the Shelley manuscripts in the Bodleian Library and draws on the substantial recent research which has appeared on Shelley's text and contexts and on members of his circle such as Mary Shelley Byron Godwin and others It offers significant new datings and contextual exposition of major works including *Prometheus Unbound* *Laon and Cythna* *Julian and Maddalo* *The Cenci* and Shelley's translations from the Greek notably his highly original translation of Euripides *The Cyclops* There are also comprehensive treatments of some of Shelley's best known shorter poems such as *Lines written among the Euganean Hills* and *Ozymandias* The annotation demonstrates the extraordinary range and richness of Shelley's literary intelligence and situates his work in the revolutionary politics and social upheavals of the early nineteenth century The text and annotation are supported by an extensive bibliography a chronology indexes and appendices which include a detailed examination of the history of the Cenci story The volumes of *The Poems of Shelley* form the most comprehensive edition of Shelley's poetry available to students and scholars *The Annotated Shelley: The Cenci (Student Edition)* Percy Bysshe Shelley, 2025-05-31 A fully annotated edition of Shelley's gothic drama *The Cenci* A Tragedy in Five Acts 1819 After enduring years of monstrous cruelty and abuse Beatrice Cenci murders her father and is forced to confront the corrupt legal system of sixteenth century Rome As well as a reliable version of the definitive text there are notes glossing difficult lines and references are provided to deepen understanding stimulate discussion and promote wider reading The appendix contains two key intertexts Shelley's principal

source Mary's translation of Relation on the Death of the Cenci Family from Muratori's Italian chronicles 1744 and Alexandre Dumas popular re-telling Les Cenci 1839 Shelley's Process Jerrold E. Hogle, 1989-01-12 In this set of thorough and revisionary readings of Percy Bysshe Shelley's best known writings in verse and prose Hogle argues that the logic and style in all these works are governed by a movement in every thought memory image or word pattern whereby each is seen and sees itself in terms of a radically different form For any specified entity or figure to be known for what it is it must be reconfigured by and in terms of another one at another level which must then be dislocated itself In so delineating Shelley's process Hogle reveals the revisionary procedure in the poet's various texts and demonstrates the powerful effects of radical transference in Shelley's visions of human possibility Shelley Michael O'Neill, 2014-09-19 Attacked by T S Eliot and F R Leavis Shelley's poetry has over the last few decades enjoyed a revival of critical interest His radical politics and arrestingly original poetic strategies have been studied from a variety of perspectives formalist deconstructionist new historicist feminist and others Of all the Romantics Shelly has benefited most from the so-called theoretical revolution as is borne out by the wide range of recent critical work represented in this volume The 134 essays selected analyse many of Shelley's finest poems including Alastor Julian and Maddalo Prometheus Unbound Adonais and The Triumph of Life Michael O'Neill's informed Introduction explores the contours of this debate Detailed headnotes to the individual essays explanations of difficult terms and a further reading section provide invaluable guides to the reader This collection illuminates the enduring and contemporary significance of the work of a major poet **The Poems of Shelley: 1817-1819** Percy Bysshe Shelley, 1989 Volume two of the Poems of Shelley is comprehensively annotated and explores the extraordinary range and richness of the poet's work placing it in the revolutionary and social upheaval of the 19th century Percy Bysshe Shelley James Bieri, 2005 Shelley found a retreat on the Bay of Lerici where joined by his friends Edward and Jane Williams he sailed his new boat and confided darkening thoughts to Edward Trelawny Shelley's love lyrics to Jane his last innamorata were written as he composed his final great work The Triumph of Life broken off by his untimely drowning a controversial sailing tragedy that is considered here in detail Shelley's fascinating posthumous life is narrated in the subsequent intermingled lives of the poet's most intimate associates **BOOK JACKET** *The Palgrave Literary Dictionary of Shelley* M. Garrett, 2013-05-30 This comprehensive guide to the poems prose biography ideas and contexts of Percy Bysshe Shelley features entries on all the major poems and prose works including inspiration composition and publication Shelley's politics relationships and travels his representation in novels drama film and portraits and his critical reception **Italian Literature Before 1900 in English Translation** Robin Healey, 2011-01-01 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography Robin Healey covers over 5 200 distinct editions of pre 1900 Italian writings Most entries are

accompanied by useful notes providing information on authors works translators and how the translations were received
 Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy s most translated
 authors Dante Alighieri Niccol o Machiavelli and Giovanni Boccaccio and other hundreds which represent the author s only
 English translation A significant number of entries describe works originally published in Latin Together with Healey s
 Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations
 accessible for schools libraries and those interested in comparative literature Pub desc **Oscar Wilde Eros and
 Aesthetics** Patricia Flanagan Behrendt,2016-07-27 This study explores the relationship between Wilde s treatment of sexual
 subject matter and the development of his literary aesthetics from the earliest volume of poetry through the social comedies
 which highlighted his career In addition the study considers the earliest critical responses to Wilde s works since they reveal
 how references to sexual subject matter particularly to homoerotic themes were received in Wilde s own period **Shelley
 and His Audiences** Stephen C. Behrendt,1989 **South Atlantic Review** ,1988 Keats's Apprenticeship George
 Yost,1989 During the five years of his phenomenal poetic development an intense drive to mastery absorbed Keats in
 continual and largely systematic experimentation with the same and similar materials This work is an analysis of his poesis
 from the beginning in his search for immediacy with emphasis not so much on what he worked with but how and why he
 changed it In later poetry the author will show the differences and point out the development **Female Absence** Rob
 Baum,2003 How did women appear onstage When How do women feel about the presence or absence of the female actor The
 subject of this book is female absence and the writing reading and making of dramatic worlds that construct woman as a
 metaphor The works discussed and analysed are not the texts of women but exemplify the male gaze on what it means to be a
 woman Approved and canonical these works from the long tradition of Western theatre have defined female identity since the
 times of Aristotle and Socrates they say what is required to be a woman and how women have been historically viewed and
 therefore created by the works of men In the metaphorical superstructure of theatre women have become metaphors by
 means of real and experienced processes But female disempowerment and metaphorisation have not been conclusively
 identified or investigated with respect to the operations of the theatrical metaphor This work enables the reader to see and
 experience these mechanisms of language and action *The American Humanities Index* Stephen H. Goode,1991 MLA
 International Bibliography of Books and Articles on the Modern Languages and Literatures ,1986 Vols for 1969 include
 ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969 **American Book Publishing
 Record** ,1987 María Luisa Bombal, realidad y fantasía Gloria Gálvez Lira,1986
