Piers And Other Seaside Architecture:

Piers and Other Seaside Architecture Lynn F. Pearson, 2002 Originally constructed as landing stages for trippers by boat in the nineteenth century piers later developed into attractions in themselves with ornate pavilions delicate ironwork and exotic lighting Lynn F Pearson an architectural historian outlines the fascinating history of pier and pavilion construction using colour illustrations and photographs to show the development of these attractions from simple wooden structures to complex entertainment venues This book explores the allure of seaside developments from the Victorian charm of Weston super Mare s grand pier to the seaside developments of the twenty first century such as Ilfracombe s Landmark Theatre which continues to impress and entertain to this day The Architecture of British Seaside Piers Fred Gray, 2020-09-01 Of all the architectural delights of British seaside resorts the most astonishing and idiosyncratic is the seaside pier Remarkable visual spectacles piers are architecturally extraordinary in concept and at times outrageous in execution They brought together the Victorian genius for technological and material innovation architectural ambition and engineering ingenuity in the search for new designs for leisure as well as profit over the sea This superbly illustrated book explores the history of the design processes leading to the architectural and engineering innovations that have allowed people to walk on water in such diverse and delightful ways Coverage includes the development of piers into the crowning architectural glory of British seaside resorts the key people materials inventions and technologies in the field particularly the work of Eugenius Birch the greatest pier designer the remarkable diversity of piers ranging from the earliest simple landing stages through staid promenade piers and the glories of fully fledged pleasure piers to the boisterous joys of funfair and amusement piers the rich variety of architectural styles including exotic Orientalism and streamlined Modernism and finally today s contemporary prospects for renewal and reinvention **"Iron, Ornament and Architecture in Victorian Britain "** Paul Dobraszczyk, 2017-07-05 Vilified by leading architectural modernists and Victorian critics alike mass produced architectural ornament in iron has received little sustained study since the 1960s yet it proliferated in Britain in the half century after the building of the Crystal Palace in 1851 a time when some architects engineers manufacturers and theorists believed that the fusion of iron and ornament would reconcile art and technology and create a new modern architectural language Comprehensively illustrated and richly researched Iron Ornament and Architecture in Victorian Britain presents the most sustained study to date of the development of mechanised architectural ornament in iron in nineteenth century architecture its reception and theorisation by architects critics and engineers and the contexts in which it flourished including industrial buildings retail and seaside architecture railway stations buildings for export and exhibition and street furniture Appealing to architects conservationists historians and students of nineteenth century visual culture and the built environment this book offers new ways of understanding the notion of modernity in Victorian architecture by questioning and re evaluating both Victorian and modernist understandings of the ideological split between historicism and functionalism and ornament and

structure Race, Place and the Seaside Daniel Burdsey, 2016-08-18 This is the first academic monograph to focus exclusively on issues of race ethnicity whiteness and multiculturalism at the English seaside The book calls for acknowledgement of the racialised nature of this environment and proposes that its distinctive spaces places traditions and narratives should be included within broader analyses of race in contemporary Britain Introducing the concept of coastal liquidity to explain shifting ethno racial demographics migratory politics and spatial dynamics at the edge of the sea along with the relative immobilities of the minority ethnic communities who move and reside there the author provides a relational exploration of seaside experiences both as a locus of racialised categorisation exclusion and subjugation and one of resistance conviviality and intercultural exchange Combining theoretical insight and empirical fieldwork the book disrupts dominant thinking that fixes ontologically minority ethnic bodies to urban spaces and overcomes their erasure and silencing from the seaside landscapes of the popular imagination **Art and Identity at the Water's Edge** Tricia Cusack, 2017-07-05 The water's edge whether shore or riverbank is a marginal territory that becomes invested with layers of meaning The essays in this collection present intriguing perspectives on how the water's edge has been imagined and represented in different places at various times and how this process contributed to the formation of social identities Art and Identity at the Water's Edge focuses upon national coastlines and maritime heritage on rivers and seashore as regions of liminality and sites of conflicting identities and on the edge as a tourist setting Such themes are related to diverse forms of art including painting architecture maps photography and film Topics range from the South African seaside resort of Durban to the French Riviera The essays explore successive ideological mappings of the Jordan River and how Czech cubist architecture and painting shaped a new nationalist reading of the Vltava riverbanks They examine post Hurricane Katrina New Orleans as a filmic spectacle that questions assumptions about American identity and the coast depicted as a site of patriotism in nineteenth century British painting The collection demonstrates how waterside structures such as maritime museums and lighthouses and visual images of the water's edge have contributed to the construction of cultural and national identities *Designing the Seaside* Fred Gray, 2006 In *Designing the Seaside* Fred Gray provides a history of seaside architecture from the 18th century to the present day investigating leisure entertainment taste fashion and gender and shows how the seaside even became a hotbed for moral and sexual issues from the early use of bathing machines to twentieth century beauty pageants and naturist groups He relates the evolution of resort architecture to sweeping changes in how seaside nature was experienced and used by holidaymakers The book also traces the history of the coastal resort with examples ranging from Regency Sidmouth to Victorian Scarborough and early 20th century Morecambe as well as assessing seaside developments in the USA and Continental Europe from Coney Island and Santa Barbara to Nice and Trouville Featuring many colourful informative and often entertaining photographs drawings guidebook illustrations postcards and publicity posters from resorts around the world *Designing the Seaside* is a thoroughly readable as well as a visually fascinating account of changing attitudes to

holidaymaking and its setting **BOOK JACKET** *Travel and Tourism in Britain, 1700-1914 Vol 3* Susan Barton, Allan Brodie, 2021-12-16 The British led the way in holidaymaking This four volume primary resource collection brings together a diverse range of texts on the various forms of transport used by tourists the destinations they visited the role of entertainments and accommodation and how these affected the way that tourism evolved over two centuries Volume 3 Seaside Holidays Over the course of the seventeenth century medical writers and practitioners came to realise the health giving properties of the seaside environment By the early eighteenth century this scientific interest was spreading to wealthy people in search of a rest cure Bathing in the sea drinking the waters and spending time in the bracing air became a widespread activity and by the nineteenth century this had expanded thanks to extensive advertising and publicity about its beneficial effects Specific forms of entertainment also developed such as piers aquaria winter gardens and cinemas

Conservation of Architectural Ironwork David S. Mitchell, 2016-10-04 The peak of architectural ironwork in the 19th Century saw the spread of ornate decorative ironwork across the world In recent years there has been a significant increase in conservation and restoration projects aiming to protect the artistry of traditional ironwork for future generations *Conservation of Architectural Ironwork* is the first book to provide a complete guide to the conservation and maintenance of traditional architectural ironwork First introducing the contextual history and key material features of architectural ironwork the book goes on to guide readers through the management and delivery of conservation projects from start to finish explaining the very latest in conservation technology At its peak architectural ironwork was used on a vast global scale in buildings bridges street furniture and ornamental structures With international case studies and detailed illustrations this book will be an essential reference for heritage professionals and students of architectural conservation around the world

Travel and Tourism in Britain, 1700-1914 Vol 1 Susan Barton, Allan Brodie, 2021-12-24 The British led the way in holidaymaking This four volume primary resource collection brings together a diverse range of texts on the various forms of transport used by tourists the destinations they visited the role of entertainments and accommodation and how these affected the way that tourism evolved over two centuries Volume 1 Travel and Destinations Texts in this volume draw on accounts by early travellers from short factual lists to longer subjective descriptions Documents show how eagerly new forms of transport were adopted and how they gave rise to different leisure activities and new destinations Methods of travel covered include early road travel by horse or wagon river travel via sail and steamships railways the safety bicycle motorized transport charabancs coaches buses cars and bicycles and finally air travel *The Architect*, 1879 **The English Landscape in the Twentieth Century** Trevor Rowley, 2006-01-01 Trevor Rowley's new study is a highly topical account of the changes that have taken place and that continue to take place on the country around us **Twentieth Century Seaside Architecture** Kathryn Ferry, 2025-05-12 A nostalgic exploration of Britain's distinctive and architecturally significant seafront buildings from the 1920s to the new millennium British seaside resorts enjoyed phenomenal popularity for much of the twentieth

century Told chronologically this book is the first look at how resort architecture around the UK coast kept pace with changing fashions and the increasing competition of foreign destinations Using vintage postcard images Kathryn Ferry showcases the inherent playfulness of seaside architecture as it evolved from interwar classicism through art deco and international modernism to Festival of Britain inspired mid century style then later to seafront tower blocks and the artificial beaches of 1970s leisure centres Featuring a wide range of building types Twentieth Century Seaside Architecture explores everything from beach huts and bandstands to lidos piers theatres hotels and amusement arcades As climate change and the soaring cost of living provoke changing attitudes to travel Britain s seaside has witnessed renewed popularity making now the perfect time to champion our architectural legacy of domestic tourism Offering a compelling reassessment Twentieth Century Seaside Architecture will appeal to fans of architecture and design who love to be beside the sea **American Drawings and Watercolors** Carol Clark,1992 This volume in a series of sixteen that features the more than two thousand works of art in the Robert Lehman Collection at The Metropolitan Museum of Art focuses on American drawings and watercolors Metropolitan Museum of Art website Architecture and Building ,1897 *Beside the Seaside* John Heywood,2020-01-24 An entertaining illustrated history of over 4 centuries of life among the seaside resorts along the Yorkshire coast Almost all of us have happy memories of excursions and holidays spent beside the sea For many these include the Yorkshire coast which runs unbroken for more than one hundred miles between the two great rivers the Tees and the Humber Within those boundaries are the popular seaside resorts of Whitby Scarborough Filey and Bridlington as well as numerous smaller and quieter but equally well loved destinations How did the love affair with the area start and how did it develop Over the years all the ingredients for the perfect holiday are there the spas the sea and sun bathing board and lodgings entertainment and just as importantly the journeys there and back *Beside the Seaside* takes a detailed but entertaining look back at the history of these resorts over the last four hundred years and asks What does the future hold Packed with information this book is fully illustrated with photographs old and new together with paintings and etchings Coupled with the thoughts and memories of tourists and travellers from the 17th century through to the present time it gives a fascinating insight into how our ancestors would have spent their time at the coast Evocative and intriguing absorbing and surprising John Heywood s book will appeal both to those familiar with the area and to others who just enjoy being *Beside the Seaside* Praise for *Beside the Seaside* While the author delights the reader with some splendidly nostalgic content with illustrations to match there s also some reflection on the changing times a current renaissance and future possibilities A good book to take with you on your hols Best of British July 2018 Book of the Month A brief but fascinating history of the popular seaside resorts of God s own country Who Do You Think You Are Magazine John s fabulous book examines people s fascination with and love of seaside resorts in Yorkshire and the evocative photographs and excellent text make this one of the finest advertisements for such resorts to have ever been published Brilliant Books Monthly Seaside Architecture
