Pilate The Biography Of An Invented Man:

Pilate Ann Wroe,1999 The facts about Pontius Pilate are very few We don't know when he was born or when he died We know nothing of his career before he became Governor of Judea and nothing of what happened to him after he was recalled by Tiberius Some say he came from Rome others from Spain or Germany Everyone from the evangelists to the writers of the medieval mystery plays has his own Pilate each symbolic of something each a projection of his own ideas and anxieties This extraordinary book is all about our Pilates real half real and invented Some are familiar some surprising They have depths and contrasts that are unexpected They do remarkable things Among these surprises perhaps are the glimpses we get of a man actually walking on a marble floor in Caesarea feeling his shoes pinch clicking his fingers for a slave while the clouds of lasting infamy gather over his head **Pontius Pilate** Ann Wroe,2000-04-07 A NEW YORK TIMES NOTABLE BOOK
