improbable becomes believable and the only stretching to be done is metaphorical. An imaginary visit to the gym for a workout becomes a metaphor for the spiritual disciplines of Bible reading, prayer, and contemplative reflection. Going to the gym may not be everybody's cup of tea, but when the idea is transposed into the metaphor, everyone can breathe a sigh of relief. Lycra and dumbbells will not be required. What is needed is a willingness to be open to prayer, spiritual reflection, and a desire to look for creative ways to deepen your faith journey. This is what Soul Workout offers. By methodically guiding you through the metaphor, Janice Speddings shows how different aspects of the gym have their spiritual counterpart so cardiovascular exercise is likened to time spent building a deeper relationship with God, the heart and life blood of the Christian faith, while spiritual weight resistance exercise is seen as a way of learning to carry life's burdens with added strength and resilience. You need no previous experience of contemplative prayer as all the exercises are fully explained and offered at basic or advanced levels. Part 1 includes a helpful chapter for those with little or no experience of planning and running a group event while part 2 works through the metaphor step by step including spiritual reflections as exercises. Extra tips are offered for group leaders. Part 3 deals with hanging on to the feel good factor after the workout is finished. As a tried and tested metaphor, this inspirational book provides a down to earth, easy to read resource for groups and individuals alike, an essential companion for your spiritual journey.

In the House of My Pilgrimage Donald Sheehan, 2023-09-19

Don Sheehan's early life, plagued by his father's alcoholic violence, was at the same time blessed by the good stories this intelligent man read aloud to his children. In his teens, unhappy in school, Don joined a street gang and then the Army Reserves where he found he had renounced violence. On his eighteenth birthday, happening upon his post library, he walked straight to a book of Japanese poems. It went in turn straight to his heart for eight hours. He'd come home at last.
