Deliveries from Elsewhere Quentin Blake, 2019 Elsewhere must be some kind of fantasy world which gives me the opportunity to draw bearded men on the kind of eccentric many wheeled vehicles that I enjoy draw to much to invent Needless to say the items being delivered are everyday ones that you might send for from Ikea or Amazon slightly changed In recent years I have found myself working increasingly in sequences of drawings which explore subjects and techniques which interest me These sequences are the origins of the QB Papers they vary in approach and tone and between reality and fantasy But I hope that in each of them in its own way will appeal to anyone who likes looking at drawings Quentin Blake

Linear Quentin Blake, 2020 It may just have been an accident that I drew a man looking at a line on the floor After that I drew a lot more and after that I edited and redrew some so that the line took on a character of its own and one can believe I hope that it's actually moving with its observer reacting appropriately I thought it became almost like a simple tiny animated film In recent years I have found myself working increasingly in sequences of drawings which explore subjects and techniques which interest me These sequences are the origins of the QB Papers they vary in approach and tone and between reality and fantasy But I hope that in each of them in its own way will appeal to anyone who likes looking at drawings Quentin Blake
