**Love and Sex** Nieli Langer, 2024-12-06 Our

parents and grandparents do have sex There I've said it Love and Sex Are we ever too old is an opportunity to revisit the idea that the need for love and sex regardless of age gender sexual orientation or marital status is normal and natural The book is a collage of photos of older couples cartoons selected poetry about sexuality and couplehood as well as reviews of books and films that have celebrated late life love and sexuality The book is an original way to teach adult children grandchildren and the current cohorts of aging individuals to understand and accept the sexuality of maturing adults In so doing they can help transform the meaning of love and sexuality up to the very limits of life itself *For Goodness Sex* Al Vernacchio, 2014-09-16

A progressive effective and responsible approach to sex education for parents and teens that challenges traditional teaching models and instead embraces 21st century realities by promoting healthy sexuality values and body image in young people Sex education today generally falls into one of two categories abstinence only or abstinence based education both of which tend to withhold important factual information and leave young adults ill equipped to make safe decisions Al Vernacchio a high school sexuality educator who holds a Master's degree in Human Sexuality from the University of Pennsylvania has created a new category sex positive education In *For Goodness Sex* he refutes the disaster prevention model of sex ed offering a progressive and realistic approach Sexuality is a natural part of life and healthy sexuality can only develop from a sex positive affirming appreciation Curious yet fearful of being judged young people turn to peers the Internet and the media where they receive problematic messages about sex boys are studs girls are sluts real sex should be like porn hookups are better than relationships Without a broader understanding to offset these damaging perceptions teenagers are dangerously unprepared intellectually and emotionally to grow and develop as sexual beings *For Goodness Sex* offers the tools and insights adults need to talk young people and help them develop healthy values and safe habits With real life examples from the classroom exercises and quizzes and a wealth of sample discussions and crucial information Vernacchio offers a guide to sex education for the twenty first century *Sex Goes to School* Susan K. Freeman, 2010-10-01

When seeking approaches for sex education few look to the past for guidance But Susan K Freeman's investigation of the classrooms of the 1940s and 1950s offers numerous insights into the potential for sex education to address adolescent challenges particularly for girls From rural Toms River New Jersey to urban San Diego and many places in between the use of discussion based classes fostered an environment that focused less on strictly biological matters of human reproduction and more on the social dimensions of the gendered and sexual worlds that the students inhabited Although the classes reinforced normative heterosexual gender roles that could prove repressive the discussion based approach also emphasized a potentially liberating sense of personal choice and responsibility in young women's relationship decisions In addition to the biological and psychological underpinnings of normative sexuality teachers presented girls sex lives and gendered behavior as critical to the success of American families and by extension the entire way of life of American democracy The approaches of teachers and students were sometimes predictable and other times surprising yet almost wholly without controversy in the two decades

before the so called Sexual Revolution of the 1960s *Sex Goes to School* illuminates the tensions between and among adults and youth attempting to make sense of sex in a society that was then as much as today both sex phobic and sex saturated
