Questions and Answers about China's Minority Nationalities Yin Ma,1985 *China's Quest for National Identity* Lowell Dittmer,Samuel S. Kim,2018-07-05 How to define a Chinese national identity remains as hotly contested a question among today s Chinese citizens as it has been among foreign observers This volume brings together ten new essays by an interdisciplinary group of leading sinologists and offers a comprehensive framework for understanding the nature of Chinese national identity in past and contemporary settings *Cultural Encounters on China's Ethnic Frontiers* Stevan Harrell,2011-12-01 Open access edition DOI 10 6069 9780295804088 China s exploitation by Western imperialism is well known but the imperialist treatment within China of ethnic minorities has been little explored Around the geographic periphery of China as well as some of the less accessible parts of the interior and even in its cities live a variety of peoples of different origins languages ecological adaptations and cultures These people have interacted for centuries with the Han Chinese majority with other minority ethnic groups minzu and with non Chinese but identification of distinct groups and analysis of their history and relationship to others still are problematic *Cultural Encounters on China's Ethnic Frontiers* provides rich material for the comparative study of colonialism and imperialism and for the study of Chinese nation building It represents some of the first scholarship on ethnic minorities in China based on direct research since before World War II This combined with increasing awareness in the West of the importance of ethnic relations makes it an especially timely book It will be of interest to anthropologists historians and political scientists as well as to sinologists *Questions and answers about China's national minorities* Yin Ma,1985 *Social Scientific Studies of Religion in China* Fenggang Yang,Graeme Lang,2011-01-27 The revival of religious belief and practice in China over the past thirty years after decades of severe repression has attracted much attention by scholars Social scientific studies of religion by mainland Chinese scholars has also increased in recent years using theories and methods developed mainly outside China Increasingly mainland scholars are also debating whether theories and concepts developed in western societies are fully appropriate for the study of religion in Chinese societies This volume presents a selection of papers by sociologists anthropologists and historians of religion on these themes The chapters include rich field studies of particular religions and religious activities along with theoretical and historical reflections by scholars inside and outside China on problems and opportunities in the revival of the social scientific study of religion in Chinese societies **The National Question** Berch Berberoglu,2009 This volume examines the volatile nature and complex dynamics of national movements and ethnic conflict around the world *An Ethnohistorical Dictionary of China* James S. Olson,1998-02-24 Since Deng Xiaoping s economic reforms began in the early 1980s the People s Republic of China has rejoined global politics as a world power The country is likely to become more open and its internal politics will no doubt affect the rest of the world With more than 1 2 billion people divided into hundreds of ethnic groups all dominated by the Han people China s politics and its foreign policy are bound to be affected by ethnicity and ethnic rivalry This book is

designed to give librarians students scholars and educated readers a ready reference for background information of interpreting ethnic events in China Generally defining ethnicity in terms of language this book provides individual essays on hundreds of Chinese ethnic groups including ethnic groups living in the Republic of China on Taiwan The book also includes a chronology bibliography and a breakdown of the People s Republic of China s ethnic political subdivisions *The Jewish-Chinese Nexus* M. Avrum Ehrlich,2008-06-26 This book is concerned with the areas where Jews and Chinese Judaism and Chinese religions and ideologies are converging or inter relate to each other It includes chapters on Confuciansim the Kaifeng Jewish Descendants business and Chinese Israeli relations *De-politicization Of Ethnic Questions In China* Lizhong Xie,2013-12-30 De politicizing issues of ethnicity is a new theoretical approach to study ethnic questions actively propounded and elaborated by Professor Ma Rong of Sociology Department of Peking University in the past ten years In the recent years this theoretical approach has aroused biggish responses from the academic community in Mainland China the relevant government departments and the general public It is likely to elicit vigorous discussions in the years ahead The book contains eight selected chapters which represent the main contributions to the debate The first chapter by Ma Rong is the key paper where in he lays out his main ideas and arguments The remaining chapters deal with both positive and negative responses to the first chapter and his replies to them **China's Tibet Policy** Dawa Norbu,2001-09-27 This major study analyses the traditional modes of Sino Tibetan relations in order to unearth general patterns beyond partisan points of view It sheds light on contemporary issues in the Sino Tibetan dialogue and discerns possible future structures for conflict resolution in occupied Tibet With its economic reforms China is changing and will ch *Xinjiang - China's Northwest Frontier* K. Warikoo,2016-03-02 Xinjiang is the pivot of Asia where the frontiers of China Tibet India Afghanistan Pakistan and Central Asia approach each other The growing Uyghur demand for a separate homeland and continuing violence in Xinjiang have brought this region into the focus of national and international attention With Xinjiang becoming the hub of trans Asian trade and traffic and also due to its rich energy resources Uyghur Muslims of Xinjiang are poised to assert their ethno political position thereby posing serious challenge to China s authority in the region This book offers a new perspective on the region with a focus on social economic and political developments in Xinjiang in modern and contemporary times Drawing on detailed analyses by experts on Xinjiang from India Central Asia Russia Taiwan and China this book presents a coherent concise and rich analysis of ethnic relations Uyghur resistance China s policy in Xinjiang and its economic relations with its Central Asian neighbours It is of interest to those studying in Chinese and Central Asian politics and society International Relations and Security Studies **Buddhism in Contemporary Tibet** Melvyn C. Goldstein,Matthew T. Kapstein,2023-09-01 Following the upheavals of the Cultural Revolution the People s Republic of China gradually permitted the renewal of religious activity Tibetans whose traditional religious and cultural institutions had been decimated during the preceding two decades took advantage of the decisions of 1978 to begin a Buddhist renewal that is one of the most extensive

and dramatic examples of religious revitalization in contemporary China The nature of that revival is the focus of this book Four leading specialists in Tibetan anthropology and religion conducted case studies in the Tibet autonomous region and among the Tibetans of Sichuan and Qinghai provinces There they observed the revival of the Buddhist heritage in monastic communities and among laypersons at popular pilgrimages and festivals Demonstrating how that revival must contend with tensions between the Chinese state and aspirations for greater Tibetan autonomy the authors discuss ways that Tibetan Buddhists are restructuring their religion through a complex process of social political and economic adaptation Buddhism has long been the main source of Tibetans pride in their culture and country These essays reveal the vibrancy of that ancient religion in contemporary Tibet and also the problems that religion and Tibetan culture in general are facing in a radically altered world Following the upheavals of the Cultural Revolution the People s Republic of China gradually permitted the renewal of religious activity Tibetans whose traditional religious and cultural institutions had been decimated during the preceding two decades

China's National Minority Education Gerard A. Postiglione, 2013-10-15 This volume focuses on policies and practices in the education of China s national minorities with the purpose of assessing the goals and impact of state sponsored education for China s non Han people s The essays in the four sections of this book examine cultural challenges to state schooling the extent of educational provision in minority areas the perspectives of Tibetan and Uyghur minorities toward state education along with providing case studies of four national minorities The book makes the point that despite the authoritarian character of China s state schooling diversity reigns

China's Assimilationist Language Policy

Gulbahar H. Beckett, Gerard A. Postiglione, 2013-06-17 China has huge ethnic minorities over 40 different groups with a total population of over 100 million Over time China's policies towards minority languages have varied changing from policies which have accommodated minority languages to policies which have encouraged integration At present integrationist policies predominate notably in the education system where instruction in minority languages is being edged out in favour of instruction in Mandarin Chinese This book assesses the current state of indigenous and minority language policy in China It considers especially language policy in the education system including in higher education and provides detailed case studies of how particular ethnic minorities are being affected by the integrationist or assimilationist approach **Ethnicity and the State** Judith D. Toland, 2017-07-28 Modern states have evolved as complex political structures in which unitary forms of government maintain an uncertain equilibrium with ethnically plural societies Historically ruling elites have tried with little success to eradicate ethnicity through genocide bury it under accusations of tribalism discredit it with the mind frame of modernization or confine it to local rather than national political arenas This broad ranging volume examines the dynamics of ethnic manipulation and accommodation by dominant and subordinate groups in the state building process Ethnicity and the State reflects the widely varying political contexts and cultures in which reasons of state contend with unyielding ethnic allegiances European South American Asian and Middle Eastern examples reveal a consistent set of themes and attitudes The authors find that while the state must realize its authority and stability through a strictly defined charter of rights and values ethnic identity exercises its power more freely and flexibly The sense of peoplehood may be artificially constructed in response to immediate need or it may be ancient and organic growing over time It has the potential to cut across race class and gender Its central tenets and myths may be reinterpreted recreated enlarged upon or modified as the political situation warrants Flexibility of belief and the need to identify with a larger group account both for the durability of ethnic loyalty and its vulnerability to manipulation This volume is particularly timely at a moment when national governments in many parts of the world must face the adoption of more equitable forms of rule to hold their ethnically diverse societies together Taken together the analyses presented here warn against institutionalizing ethnic strife and offer a vision of how the state may foster expectations and policies that serve the interests of all ethnic groups within their borders Political scientists historians and anthropologists will find this book valuable for its interpretations of forces that continue to reshape the social and political fabric of the world Minority Rules Louisa Schein, 2000 Gender ethnicity and nation in China as seen through an ethnography of the changing cultural production of the Miao a minority population *China's Post-jiang Leadership Succession: Problems And Perspectives* John Wong, Yongnian Zheng, 2002-10-25 The lack of institutionalization around China's leadership succession was brought into focus again in the run up to the 16th Congress of the Chinese Communist Party and the widespread speculation on the final leadership line up The essays in this volume take a more analytical approach This book first looks at the political structures of leadership transition in China and secondly seeks to understand the real and

potential problems that China's younger fourth generation leaders will have to grapple with as they take over the reigns of power State and Society in 21st Century China Peter Hays Gries, Stanley Rosen, 2004-08-02 Written by a team of leading China scholars this book explores the dynamics of state power and legitimation in twenty first century China and the implications of changing state society relations for the future viability of the People's Republic Key subjects covered include the legitimacy of the Communist Party state society relations ethnic and religious resistance rural and urban contention nationalism popular and youth culture prospects for democracy *Ethnic Minority Languages in China* Qingsheng Zhou, 2020-09-21 This book describes and analyzes the situation of minority languages in China
