Fackre, 1997 This book ventures a new interpretation of revelation The author discusses the major themes in the narrative of revelation engaging critically with four of the century s giants in theology Karl Barth Paul Tillich Karl Rahner and Carl Henry These represent the four major phases in the narrative of revelation and Fackre addresses these alternative views in twentieth century theology through in depth inquiry and critical analysis The Doctrine of Revelation challenges reductionist views and strives for an ecumenical understanding that appropriates the insights from a variety of schools of thought **Revelation's Hymns** Steven Grabiner, 2015-02-26 Revelation's Hymns examines the hymnic pericopes in Revelation in light of the cosmic conflict theme It considers this theme as integral to the development of Revelation s plot Recognizing that critical studies give interpretative primacy to the political realities that existed at the time of Revelation's composition Grabiner responds to the need for an examination of the storyline from the perspective of issues that are of narrative importance Grabiner argues that the cosmic conflict is at the centre of the book s concerns and attempts to determine the function of the hymns with respect to this Previous examinations of the hymns have considered them as a response and or parody to Roman liturgy examples of God's unquestioned sovereignty or expressions of thematic overtones found throughout the book While these approaches make a contribution to a greater understanding of the hymns the relation to the ever present conflict theme has not been explored This study allows the hymnic sections to engage with the larger narrative issue as to who is truly the rightful sovereign of the universe The Questions of the Bible William The Book of Revelation For Dummies Richard Wagner, Larry R.
