A Light Touch of Feng Shui, A Teacher's Guide for Creating Balance and Harmony in the Classroom Susan Catalano, Evie Bolante, Susan V. Catalano, 2004-04 While the use of Feng Shui the Chinese art of placement has become popular in the home and office classroom application has been virtually overlooked The book is an easy to use spiral bound guide which educates teachers about Feng Shui principles such as furniture placement and use of color while providing specific instructions for classroom application Interspersed throughout are personal experiences from the authors photos of their classrooms diagrams and original illustrations along with case studies and testimonials from teachers who have applied these techniques to their own classrooms

**Easy Guide to Feng Shui** DR. REKHAA KALE, 2005 The Amazing Science of Vaastu A. R. Hari, 1995 On Hindu architecture *Law of Attraction* Jenny Hashkins, 2020-06-03 This book contains 4 different titles Book 1 The power of our subconscious minds is strong Many people don't know what to do with those mysterious forces so in this guide you can explore more what they mean and where they come from Moreover these things are connected to emotional intelligence a discipline and quality that has been highlighted more often since recently Book 2 What is creativity And what makes someone creative Dive deeper into the realms of our most innate motivations behind the things we do the way we combine the elements of our imagination and the remarkable things we can accomplish simply by having a set course to success When we follow our dreams we can do more we can feel more and we can be more Book 3 Did you know that Feng Shui can help you attract more wealth The invisible powers of organization and energies are hidden in the most profound realms of the universe and they work But hold on a skeptic might say How do I even know whether it is working or not Well that's where this book comes in In this guide we will lay out the signs of the law of attraction and the reasons why for some people it doesn't work as well as it should Book 4 How can you be happier What does science say about it These and many other questions will be answered There is a literal Q A in this book about the law of attraction joy and

other topics related to it Another topic in this book is vibrations As some of us know maybe you do too the law of attraction is based on vibrations Those vibrations are sent out and attract the things we want because of our thoughts and behavior

*Feng Shui Made Easy, Revised Edition* William Spear, 2011-03-08 Credited as bringing feng shui to the Western mainstream this influential classic offers a uniquely holistic approach to feng shui one focused on initiating change from the inside and out Discover the foundational principles of the ancient Chinese practice of feng shui and how you can apply them to your relationships community and home with the most user friendly translation of feng shui The New York Times While most of the early English language books on feng shui are dauntingly mystical or rely on complex calculations or culturally specific design practices Feng Shui Made Easy takes a more holistic approach clearly explaining the fundamentals while guiding readers on an inner journey of understanding Thoughtfully written and beautifully illustrated the book is structured around an architecture of consciousness that is really the inner landscape The book explores each house of the bagua the chart representing one's journey through life relationships with parents loved ones and community creativity spirituality and connectedness to the source of life and the symbolism of the corresponding I Ching trigram Feng Shui Made Easy helps readers discover the nature of these connections as well as learn what obstructions must be removed to change fixed patterns of behavior and restore balance harmony and inner peace a process that when combined with external adjustments results in increased success and lasting change in all areas of life This revised edition expands on the author's intuitive approach with new sections on health children's environments and ecological concerns and sustainable practices The author also corrects misconceptions about feng shui and uses fascinating case studies to share valuable insights he gained from interactions with his clients and readers

[Feng Shui Chic](#) Carole Meltzer, David Andrusia, 2010-05-11 Change Your Look Change Your Life Feng shui master Carole Swann Meltzer and David Andrusia present feng shui in a new way Instead of feng shui ing the space around you you feng shui your body Learn how to use color cut fabric and style even your accessories and hair color to jump start your career inspire your creativity ensure your health You'll also learn effective meditation techniques to gain focus in all that you do plus easy exercises for greater energy than ever before Feng Shui Chic will help you achieve your greatest goals and prosper in every part of your life today tomorrow and in the time to come

[Feng Shui Magic and Rituals for Love, Happiness and Success](#), 2023-12-01 Prosperity magic can be generated with a gem tree But what about magic that enables people to create a better life for themselves a lifestyle of comfort wealth happiness and good fortune by manipulating spatial and time energy patterns Think of this magic as energy life force or chi that mutates and transforms creating extraordinary changes both within individuals and in the environment around them Imagine being able to capture store accumulate and manipulate this chi into powerful luminous energy that illuminates and improves every aspect of life The magic that makes this happen Feng Shui magic is part of a wider system of Taoist practice which I like to call the science of the sages Whilst the philosophical underpinnings of the Tao can sometimes seem lofty or profound the

techniques of Feng Shui are very specific and easier to apply
