Manufacturing Tibetan Medicine Martin Saxer,2013-04-01 Within a mere decade hospital pharmacies throughout the Tibetan areas of the People s Republic of China have been converted into pharmaceutical companies Confronted with the logic of capital and profit these companies now produce commodities for a nationwide market

While these developments are depicted as a big success in China they have also been met with harsh criticism in Tibet At stake is a fundamental re manufacturing of Tibetan medicine as a system of knowledge and practice Being important both to the agenda of the Party State s policies on Tibet and to Tibetan self understanding the Tibetan medicine industry has become an arena in which different visions of Tibet s future clash *Health Care* Corinne Naden,2010 This engaging series examines various controversial topics present in today s society
