Food Cultures of the United

States Bruce Kraig,2020-01-23 This comprehensive volume examines the history of American food culture and cuisine today from staple ingredients to dietary concerns Everyday without realizing it Americans plan their days around food what to make for dinner where to meet for brunch what to bring to a party As a nation of immigrants the U S has food and foodways that few countries in the world have This addition to the Global Kitchen series examines all aspects of food culture in the United States from the early Colonial period and Native American influences on the new immigrants food to the modern era The volume opens with a Chronology that looks at United States history and significant food events Coverage then dives deep into the history of food in the U S and is followed by a chapter on influential ingredients in American cooking Chapters break

down American cuisine into appetizers and side dishes main dishes and desserts looking at typical meals and flavors that characterize it Additional chapters examine food eaten during holidays and on special occasions street food and snacks and restaurants A final chapter looks at issues and dietary concerns Recipes round out each chapter *The Cake Mix Doctor*
Anne Byrn, 1999-01-11 The Cake Mix Doctor is in And the prescription is simple By doctoring up packaged cake mix with just the right extras a touch of sweet butter here cocoa powder there or poppy seeds vanilla yogurt sherry eggs and grated lemon zest for the Charleston Poppy Seed Cake even the least experienced baker can turn out luscious signature desserts time after time The proof is in the taste and the taste never stops from Toasted Coconut Sour Cream Cake to Devilishly Good Chocolate Cake from a to die for Caramel Cake and a Holiday Yule Log to cheesecakes coffee cakes sheet cakes pound cakes bars brownies and those all important frostings here are 175 fast foolproof recipes that will transform the art of home baking in America Who could believe these cakes came out of a box Moist tender rich deep and complexly flavored without a hint of artificiality each cake stand up and delivers But without any of the fuss of baking from scratch Anne Byrn an award winning food writer and self described purist creates recipes that employ a cake mix s strengths convenience ease of use dependability and almost imperviousness to overbeating underbeating overbaking and underbaking In addition to the recipes are the Cake Mix Doctor s Q A s extensive Doctor Says tips lists 15 Beautiful Birthday Cakes 15 Cakes That Will Cash in at a Bake Sale and more all illustrated in a full color photographic insert **The Oxford Companion to Sugar and Sweets**

, 2015-04-01 A sweet tooth is a powerful thing Babies everywhere seem to smile when tasting sweetness for the first time a trait inherited perhaps from our ancestors who foraged for sweet foods that were generally safer to eat than their bitter counterparts But the science of sweet is only the beginning of a fascinating story because it is not basic human need or simple biological impulse that prompts us to decorate elaborate wedding cakes scoop ice cream into a cone or drop sugar cubes into coffee These are matters of culture and aesthetics of history and society and we might ask many other questions Why do sweets feature so prominently in children s literature When was sugar called a spice And how did chocolate evolve from an ancient drink to a modern candy bar The Oxford Companion to Sugar and Sweets explores these questions and more through the collective knowledge of 265 expert contributors from food historians to chemists restaurateurs to cookbook writers neuroscientists to pastry chefs The Companion takes readers around the globe and throughout time affording glimpses deep into the brain as well as stratospheric flights into the world of sugar crafted fantasies More than just a compendium of pastries candies ices preserves and confections this reference work reveals how the human proclivity for sweet has brought richness to our language our art and of course our gastronomy In nearly 600 entries beginning with la mode and ending with the Italian trifle known as zuppa inglese the Companion traces sugar s journey from a rare luxury to a ubiquitous commodity In between readers will learn about numerous sweeteners as well known as agave nectar and as obscure as castoreum or beaver extract the evolution of the dessert course the production of chocolate and the neurological

psychological and cultural responses to sweetness The Companion also delves into the darker side of sugar from its ties to colonialism and slavery to its addictive qualities Celebrating sugar while acknowledging its complex history The Oxford Companion to Sugar and Sweets is the definitive guide to one of humankind s greatest sources of pleasure Like kids in a candy shop fans of sugar and aren t we all will enjoy perusing the wondrous variety to be found in this volume **The VegNews Guide to Being a Fabulous Vegan** Jasmin Singer,VegNews Magazine,2020-12-15 Go vegan the fabulous way with this helpful guide from an editor of VegNews an award winning vegan media outlet Maybe you re interested in it for the food maybe it s the animals or maybe climate change has got you thinking Whatever your reason maybe you don t quite know where to start After all doesn t going vegan mean you have to give up tasty snacks cool shoes a sense of humor and your leather couch Nope nope no way well eventually Covering everything from nutrition you will get enough protein promise to dating vegans have better sex It s true to fitness you want to lift a car over your head Sure Jasmin Singer and the team at VegNews bust all the myths and give you all the facts about a plant based lifestyle With 30 easy recipes to get you started The VegNews Guide to Being a Fabulous Vegan will help you adopt a lifestyle that s better for you the animals and the planet And what s more fabulous than that
