Redefining Success Working Close To Home:

Redefining Success Philip C. Groce MD, 2005-07 Follow a path cut by a country doctor who examines the lives of men and women who choose to live close to work to pursue a dream a lifestyle or even a practical reality When people make the decision to work close to home they say good bye to the hassles of commuting but along with that all other aspects of life change Family and community become enhanced with a strong sense of belonging through compromises that require a redefinition of success A person finds him or herself frequently in a peer group of one walking a sharper edge and more susceptible to the bipolarities of life Anyone contemplating work closer to home will find much of value in this book See how a community regardless of location functions as a community Enter the intimate lives of these people Crowd them into mind and hold them in thought and discover the courage to do things never thought possible *The Tempo of You: Find Your Rhythm, Own Your Time, Redefine Success* Helen Haldon, What if time management wasn't about doing more but about doing what matters when it matters most In *The Tempo of You* discover a revolutionary approach to productivity that doesn't fight against your natural rhythm it works with it Forget rigid schedules overwhelming to do lists and the myth of constant hustle This book helps you tune into your personal pace align your energy with your priorities and create space for what really moves you forward Blending practical strategies with powerful mindset shifts this is time management for real life flexible intuitive and deeply personal Whether you're a morning lark a night owl or somewhere in between *The Tempo of You* will help you stop racing the clock and start setting the beat *Redefining Success* Landon Winstead, 2011-12-06 Have you ever had a dream dashed by a challenge or mental illness Have you ever felt like giving in or gripped by fear that all is lost Have you defined success in your life or have you let others define it Have you failed to meet someone's expectations Success can be defined in many different ways Or success can be redefined based on current circumstances Part I of this book is about my struggle with mental health issues that challenged a dream and required me to redefine success for my life This book takes you through my journey and also provides tips for succeeding in aspects of everyday life In my work as a Peer Support Specialist I have encountered consumers who have been committed to the largest forensic state hospital in Texas Many of them have been convicted of crimes The mental illness these consumers experience and the crimes they have committed are only part of who they are and do not define them as a person They have dreams like anyone else Their dreams may be on a different scale For them success may come in small steps toward wholeness and reconciliation with self and society My job is to instill hope in their lives as someone who has been through the mental health system and who has emerged from the other side experiencing recovery Part II of this book is a collection of inspirational devotions on the topic of success in different practical areas Some examples include success with anxiety success with depression and success with loneliness They are each based on the Christian Scriptures and are filled with an abundance of relevant illustrations Anyone who has wondered about how their faith is related to real life will be able to identify with these inspirational pieces

Redefine Success On Your Own Terms: Escape Society's

Checklist And Find Freedom Sybex Books,2025-06-23 Success isn't one size fits all and deep down you already know that Redefine Success On Your Own Terms is a guide to walking away from the metrics milestones and measures that were never meant for you and choosing a definition of success that actually feels like peace purpose and pride Maybe you did everything right Hit the goals Built the brand Checked the boxes And yet something feels off That's the signal This book helps you listen to that signal without guilt Pull back from external validation and reimagine success through your core values identity and real desires not what your industry culture or upbringing told you to chase Unlearn the hustle Unhook from the applause And stop running toward achievements that don't nourish you This isn't about giving up it's about getting honest Redefining success means you may lose the crowd's approval but you gain your own And that trade That's where freedom lives Build a life that reflects what you really value Create on your terms Lead with meaning Because once you define success from the inside out you never have to pretend again **Closer Together** Sophie Grégoire Trudeau,2024-04-23 INSTANT 1

TORONTO STAR and GLOBE AND MAIL BESTSELLER Sophie Grégoire Trudeau invites readers on a deeply personal journey toward self knowledge acceptance and empowerment drawing on the expertise of top psychologists psychiatrists scientists and thought leaders As a passionate advocate for mental health Sophie Grégoire Trudeau believes that in order to know and accept ourselves fully we need to understand why we think and feel the way we do and recognize the experiences attitudes and patterns that may be holding us back And yet all of us are capable of growth and positive change if we're willing to stay open and curious throughout our lives In Closer Together Sophie shares moments from her own journey from her childhood through her struggles with an eating disorder in her teens and early adulthood from a career as a speaker and television host to de facto first lady and mother of three Above all Sophie is a warm and empathetic connector and her book is enriched by exclusive interviews with experts such as Gabor Maté Liz Plank Terrence Real Catherine Price Harville Hendrix and Helen LaKelly Hunt to name just a few as she delves into the science behind brain health and our unique emotional signatures She explores the questions that matter the most for our individual and collective growth and in how we interact with others How does the way we were raised contribute to our sense of self How can we better prepare ourselves to deal with big emotions What do we need from our relationships and what can we contribute to them What role do physical activity and creative pursuits play in mental health How can we let go of what doesn't serve us and nurture what does Drawing on her own mindfulness and yoga practices Sophie also offers journaling prompts and other tools that will guide readers as they explore these questions in their own lives In creating a space for openness playfulness and creativity Sophie inspires us to see that there are more things that bring us together than separate us allowing us to stand in the light of our true potential *Your First Million* Arlan Hamilton,2024-01-02 Build lasting wealth and impact with lessons from the bold and relentless disruptor changing the face of entrepreneurship in America Black Enterprise Having lived nearly her entire life below the poverty line

before going on to attain wealth and success as an entrepreneur and investor Arlan Hamilton knows that entrepreneurship is the quickest path to money and power particularly for those who haven't had much of it in the past In Your First Million she shows how anyone no matter what they look like or how much money they have can tap into all the new tools they have at their disposal to get their million dollar idea off the ground Readers will learn how to identify unmet needs raise money choose the right collaborators create multiple income streams and turn their unique knowledge and experience into a profitable business while reinvesting in their communities and empowering others to do the same If we can change who gets to decide what new ideas are worthy and who gets to turn those ideas into reality not only can we change our own circumstances we can change the world
