Redemptive History And The New Testament Scriptures:

Redemptive History and the New Testament Scriptures Herman N. Ridderbos, 1988 An investigation of the New Testament canon and how it fits into redemptive history A Theology of the New Testament George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

A Biblical-Theological Introduction to the New Testament Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight *Encountering the New Testament (Encountering Biblical Studies)* Walter A. Elwell, Robert W. Yarbrough, 2022-11-15 Studying the New Testament can be an exciting and intimidating experience This readable survey is designed to make the adventure less daunting and more rewarding Two experienced classroom teachers offer a new edition of their bestselling and award winning textbook over 250 000 copies sold This fourth edition takes into account the dramatic shift in the global Christian population Other distinguishing features include abundant images maps and charts all in full color sidebars that address ethical and theological concerns and provide primary source material focus boxes isolating key issues chapter outlines learning objectives and summaries and study questions An accompanying website through Baker Academic's Textbook eSources offers an array of resources for students and professors Resources for students include flash cards and self quizzes Resources for professors include discussion questions and a test bank Theology of the New Testament Frank S. Thielman, 2011-03-22 Studying the theology of the New Testament can be a daunting task even to the knowledgeable Bible student or pastor Each of the twenty seven books written by various authors has its own theological emphasis and nuances How do we elicit a coherent message from such theological diversity especially given that some of the theological statements in the New Testament seem to be at odds with one another Is such an endeavor achievable or even valid Theology of the New Testament takes a balanced approach in response to these challenges Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole He not only examines each book's theological content individually but also in relation to the rest of the New Testament particularly within each of the three theological units that comprise the New Testament the gospels and Acts the Pauline epistles and the general epistles and Revelation This canonical and synthetic approach honors both the

theological diversity of the various books and the theological connections between the books In the end Thielman finds a unified theological vision of the New Testament anchored in the centrality of Jesus Christ Frank Thielman's *Theology of the New Testament* is an outstanding achievement The book is marked by scholarly depth exegetical rigor and theological profundity Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents Thomas R Schreiner Professor of New Testament The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher Its clear style lucid organization and sound theological insight make it a prime resource for serious students in both the academy and the church Karen H Jobes PhD Associate Professor of New Testament Westmont College

A New Testament Biblical Theology G. K. Beale, 2011-12-01 Christianity Today 2013 Book Award Winner In this comprehensive exposition a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament G K Beale coeditor of the award winning *Commentary on the New Testament Use of the Old Testament* examines how the New Testament storyline relates to and develops the Old Testament storyline Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter day new creation and kingdom Offering extensive interaction between the two testaments this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ This major work will be valued by students of the New Testament and pastors alike

Reading the Bible Missionally Michael Goheen, 2016-11-27 Academy of Parish Clergy's Top Ten Books for Parish Ministry Insights from a noteworthy convergence of top scholars in biblical studies and missiology Over the past half century it has become clear that mission is a central theme in the Bible's narrative and moreover is central to the very identity of the church This book significantly widens and deepens the emerging conversation on missional hermeneutics Essays from top biblical and missiological scholars discuss reading the Scriptures missionally using mission as a key interpretive lens Five introductory chapters probe various elements of a missional hermeneutic followed by sections on the Old and New Testaments that include chapters on two books from each to illustrate what a missional reading of them looks like Essays in two concluding sections draw out the implications of a missional reading of Scripture for preaching and for theological education

Out of Egypt: Biblical Theology and Biblical Interpretation Zondervan, 2011-03-01 Biblical theology attempts to explore the theological coherence of the canonical witnesses no serious Christian theology can overlook this issue The essays in the present volume illustrate the complexity and richness of the conversation that results from attentive consideration of the question In a time when some voices are calling for a moratorium on biblical theology or pronouncing its concerns obsolete

this collection of meaty essays demonstrates the continuing vitality and necessity of the enterprise Richard B Hays George Washington Ivey Professor of New Testament The Divinity School Duke University USA This volume on biblical theology jumps into the fray and poses the right kind of questions It does not offer a single way forward Several of the essays are quite fresh and provocative breaking new ground Bray Reno others set out the issues with clarity and grace Bartholomew others offer programmatic analysis Webster Bauckham others offer a fresh angle of view Chapman Martin The success of this series is in facing the challenge of disarray in biblical studies head on and then modeling a variety of approaches to stimulate our reflection Christopher Seitz Professor of Old Testament and Theological Studies St Andrews University UK *In All the Scriptures* Nicholas G. Piotrowski, 2021-12-28 Biblical interpretation is both a science and an art and it has powerful implications for what we believe and how we apply God's Word In this accessible introduction to biblical hermeneutics Nicholas G Piotrowski presents a contextualized approach that equips students pastors and thoughtful readers to build a strong foundation for interpreting the Scriptures **Why a "New Testament"?** Levi S Baker, 2025-09-22 Why would early Christians perceive the need for a New Testament Unfortunately most studies on the NT canon concentrate on its development and closing to the neglect of its impetus Yet NT texts like 1 Tim 5:18 and 2 Pet 3:16 reveal that within the first century early Christians began receiving recent Christian texts as Scripture on par with their Old Testament scriptural collection What explains this rapid and remarkable development Levi Baker traces the connection between Scripture and covenant in early Judaism and early Christianity arguing that the answer lies in early Christianity's conviction that Jesus had inaugurated the new covenant
