Reengineering MIS Kevin G. Coleman, 1996-01-01 *Reengineering MIS Aligning Information Technology and Business Operations* provides the background and foundation that will allow the radical change necessary for MIS to contribute to the success of the organization. It provides detailed understanding of reengineering initiatives in business. *Cases on Information Technology Management in Modern Organizations* Jay Liebowitz, Mehdi Khosrowpour, 1997-01-01 Information systems professionals learn best from the experiences of others. Successes and failures from others can help the IS community further develop and flourish. This book is a compilation of original case studies that describe information technology experiences in both domestic and international organizations. **Cleanroom Software Engineering Practices** Shirley A. Becker, James A. Whittaker, 1997-01-01 Cleanroom Software Engineering is a set of techniques and practices for the development of software intensive systems. This book brings together concepts, lessons learned and best practices resulting from Cleanroom projects surveyed in the past several years. Information Technology and Computer Applications in Public Administration G. David Garson, 1999-01-01 *Information Technology and Computer Applications in Public Administration* Issues and Trends constitutes a survey of many of the most important dimensions of managing information technology in the public sector. In Part I, chapters address general policy and administrative issues. The chapters of Part II represent applied information technology skills needed by public managers. Provided by publisher. *Collaborative Technologies and Organizational Learning* Robert E. Neilson, 1997-01-01 This book takes a look at basic organizational learning and relates it to the implementation of a specific collaborative technology, Lotus Notes. It poses several practice prescriptions for those interested in installing or using Lotus Notes to leverage the intellectual capital already existing within an organization. Information Technology Diffusion in the Asia Pacific Felix B. Tan, P. Scott Corbett, Yuk-Yong Wong, 1999-01-01 According to a recent United Nations report, the increase in power and functionality of IT coupled with decreasing prices have contributed to rapid IT adoption and use in both developed countries and newly industrialised nations of the Asia Pacific. *Information Technology Diffusion in the Asia Pacific: Perspectives on Policy, Electronic Commerce and Education* provides essential reading on IT diffusion in leading countries of the Asia Pacific. By focusing on some of the different applications and implications of IT in these nations, contributions in this book deal with aspects of IT applications in the Asia Pacific countries and ways that information technology can assist nations in dealing with technological and electronic growth and risks involved. **Software Process Improvement** Eugene McGuire, 1999-01-01 Software Process Improvement (SPI) efforts are being undertaken by organizations of all types and sizes as they attempt to deal with the challenges of quality, complexity and competitiveness. Software process improvement efforts rely on the successful integration of many technical, organizational and methodological issues. SPI has provided a rich field for both conceptual and practical research in industry and academia. *Software Process Improvement: Concepts and Practices* provides the opportunity for rich socio-technical and interdisciplinary

studies in addition to those studies that primarily focus on process and or enabling technology issues This book addresses numerous aspects of SPI program development implementation trends opportunities and future challenges in organizations
