The African American Experience Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed

The Evasion of African American Workers Roderick O. Ford, 2008-10-15 The Evasion of African American Workers explains through several thought provoking essays precisely how the American legal system avoids the legal mandates of Title VII of the Civil Rights Act of 1964 as well as other state and federal fair employment laws This work consists of stand alone essays which address different aspects of this problem including legal and social history and statutory construction
