Reflections From A Flying Falcon:

Reflections from a Flying Falcon Ahmad H. Sakr, 2001 **Shadow in the Reflection** Joe Niehaus, Mary Sikora, 2012-05

Can destiny be fulfilled in just one lifetime Dr Gregory Ambrose thinks so Through past life regression therapy with a young woman named Anne he finds himself carried over the centuries to not only a different time but a different reality Anne s memories act like tendrils drawing Ambrose into this most savage time with her Frustrated and confused Dr Ambrose reaches out to a colleague for help During their conversations he learns that one of this doctor s past life regression patients believes that he was some kind of Viking in another time not unlike the Vikings in Anne s memories The coincidence is too much and Ambrose s imagination and ambition tempt him down a dangerous path Determined to know the truth and understand the connection he begins to push the limits of his ethics What evolves is a story from another time when wizards and warriors battle for power The fate of two lands one fighting for unity the other for safety hangs in the balance as two druids play out their own endgame strategies At the same time two hearts seek their destiny with true love Fate lends a hand as all meet in a final battle Is it truly the end or just the beginning

Reflections and Musings From the Book of Revelation Shirley McClerklin-Motley PhD, 2023-12-27 John had been left out on Patmos to die alone The courts assumed that there was nothing he could do there to promote Jesus But they miscalculated God chose John to write the book of Revelation which some refer to as Apocalypse That word means the revelation of what will take place in the Incarnation hidden in a humble form It means to uncover If you are frying fish everyone around is aware of the distinctively rich aroma The person cooking the fish does not have to be seen and the fish does not have to be seen but the person smelling the aroma instinctively wants to take a closer look at the fish This is an example of the Apocalypse What we surmised is revealed Satan hates the book of Revelation because it shows him for who and what he is He is counting on us to be afraid of the book because it foretells his end Join the author as she takes a detailed look at the book that describes the years leading to the end of the world

Tourism, Heritage and Commodification of Non-human Animals: A Posthumanist Reflection Álvaro López López,Gino Jafet Quintero Venegas,Carol Kline,2023-12-19 Heritage is a social construction rooted in modern and contemporary societies It is commonly a positive assessment of many elements of the physical and human environment e g ecosystems and landscapes monuments customs gender norms religious practices gastronomy and livelihoods Heritage and tourism are strongly related to each other in that heritage gives rise to tourist attractions and activities and tourism enhances the designation of heritage sites A post humanist perspective the moral valuation of equality between humans and other animals demands that both are sentient beings and self aware of their pain and pleasure Thus the involvement of animals as heritage elements by themselves or as an element of tourist consumption in

heritage sites implies their commodification and lack of agency As such these practices are usually unethical since they threaten the animals primary interests not to suffer not to feel pain and to be able to live their freedom This book contains chapters that reveal both the unethical interactions between humans and animals within heritage tourism and those that show experiences in which efforts are made to minimize damage within the commercialization of animals involved as heritage themselves
