

About the master spy whose code name was Cupcake, little is known that can be told. He worked for an altogether inconvenient little republic which ceased to exist a good time ago. The regular, encoded radio transmissions, copies of which were eventually recovered by sources in his native country, have only recently been deciphered, the eleven-phase transposition technique he employed for enciphering his messages having been guessed at earlier but rejected as being too archaic. Cupcake must have employed ^{or} some other form of communication with the many agents he mentions in these dispatches; but only those report to his control, through the control to a director named Lyrebird, briefly to one Grusha, or, strangely enough, to the agent Image about whom nothing is known, have been preserved. All of these had been intercepted by Lyrebird. They are here reprinted in deciphered, but raw, form.

Espionage Fiction Martin Griffin, 2024-05-31 Reading Espionage Fiction Narrative Conflict and Commitment from World War I to the Contemporary Era probes the ways in which the struggles and loyalties of political modernity have been portrayed in the espionage story over the course of the twentieth and twenty first centuries Reading works by authors such as Somerset Maugham Helen MacInnes John le Carre Sam E Greenlee and Gerald Seymour as popular literature deserving of sustained attention this book shows how these narratives have both created a modern genre and at the same time sought an escape from its limitations Martin Griffin takes up the importance of plot and character and argues that in this branch of fiction the personal has always and ever been political

James Merrill Langdon Hammer, 2015-04-14 Langdon Hammer has given us the first

biography of the poet James Merrill 1926-95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son's life Wounded by his parents bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one of a kind work The Changing Light at Sandover In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill's chronicles of love loss and the poignant personal journey they record

Auden's Games of Knowledge

Richard R. Bozorth, 2001 The first full length consideration of Auden as a homosexual poet this volume shows that Auden's career was tied to a process of gay self interrogation unparalleled in modern poetry and argues that he was driven by a powerful yearning to comprehend the psychological political and ethical implications of same sex desire Auden's theories about poetry in the 1930s and after

reflected an intense concern with how to write publicly as a homosexual poet That struggle was made manifest in his love poetry which Bozorth argues constitutes a kind of erotic autobiography exploring the distinct challenges of homosexual love Bozorth's approach is manifold examining the poet's engagements with avant garde poetics gay subculture psychoanalysis leftist politics and theology This book proposes that from his early fascination with secret agent and trickster figures to his later theories of poetry as an I Thou relation Auden viewed poetry as a fictional but primal erotic encounter with the reader
