Reflections In Poetry Mother And Daughter Collection:

Reflections in Poetry Michelle Epps, Carole Watson Cooley, 2005-09 Reflections in Poetry Mother and Daughter Collection is meant to share innermost thoughts with others It is a hope that the readers will be able to identify with the portraits painted and maybe use some lines or words to express a feeling they would like to portray to someone they care about Writing is about sharing experiences with the readers it is also therapeutic because a writer is daring to share his soul This is also a collection of poems in a storybook form Some of the poems are laden with emotion as in a message to someone you re in love with while others may be spiritual in nature as in a conversation with God or prayer There are poems that rhyme while others are free verse The poems may evoke a plausible reaction to the readers or not It is the intent to provide an obvious story in each poem connecting each verse to the other with the hope to leave enough room for the readers interpretation of the poems to be open to any possible understanding or outcome This is also an effort to have readers get acquainted with the intimacy of imagination maybe even fall in love with it or find an expression all their own The sale of this book is meant to be used in part for outreach under Helping Hand non profit organization **A Study Guide for Reetika**
