The Return

Return To Alaska

George M. Stoney

Return To Alaska:

Return to Alaska Bruce E. Steringer, 2004-06-01 An teenager orphaned in Alaska is raised on the outside by his aunt and uncle He grows up to become a veterinarian and plans to fulfill his dream of returning to Alaska with an Alaskan Malamute he rescues as the lead dog on his Iditarod team **U.S. Master State Tax Practice and Procedure Guide** CCH State Tax Law Editors, 2007 U.S. Master Multistate Corporate Tax Guide CCH TAX Editors, 2008 An indispensable resource for professionals who work with multiple state tax jurisdictions this reference offers return preparation guidance for use by taxpayers subject to corporate income or income based taxes in more than one state *Naval Explorations in Alaska* George M. Stoney, 1900 **Alaska's Skyboys** Katherine Johnson Ringsmuth, 2015-10-01 This fascinating account of the development of aviation in Alaska examines the daring missions of pilots who initially opened up the territory for military positioning and later for trade and tourism Early Alaskan military and bush pilots navigated some of the highest and most rugged terrain on earth taking off and landing on glaciers mudflats and active volcanoes Although they were consistently portrayed by industry leaders and lawmakers alike as cowboys and their planes compared to settlers covered wagons the reality was that aviation catapulted Alaska onto a modern global stage the federal government subsidized aviation s growth in the territory as part of the Cold War defense against the Soviet Union Through personal stories industry publications and news accounts historian Katherine Johnson Ringsmuth uncovers the ways that Alaska s aviation growth was downplayed in order to perpetuate the myth of the cowboy spirit and the desire to tame what many considered to be the last frontier

Investigation of the Department of the Interior and of the Bureau of Forestry United States. Congress. Joint committee to investigate Interior dept. and Forestry service. [from old catalog],1910 Judgment Without Trial Tetsuden Kashima,2011-10-17 2004 Washington State Book Award Finalist Judgment without Trial reveals that long before the 1941 attack on Pearl Harbor the U S government began making plans for the eventual internment and later incarceration of the Japanese American population Tetsuden Kashima uses newly obtained records to trace this process back to the 1920s when a nascent imprisonment organization was developed to prepare for a possible war with Japan and follows it in detail through the war years Along with coverage of the well known incarceration camps the author discusses the less familiar and very different experiences of people of Japanese descent in the Justice and War Departments internment camps that held internees from the continental U S and from Alaska Hawaii and Latin America Utilizing extracts from diaries contemporary sources official communications and interviews Kashima brings an array of personalities to life on the pages of his book those whose unbiased assessments of America s Japanese ancestry population were discounted or ignored those whose works and actions were based on misinformed fears and racial animosities those who tried to remedy the inequities of the system and by no means least the prisoners themselves Kashima s interest in this episode began with his own unanswered questions about his father s wartime experiences From this very personal motivation he has produced a panoramic and detailed picture without rhetoric and emotionalism and supported at every step by documented fact of a government that failed to protect a group of people for whom it had forcibly assumed total responsibility *Reports and Documents* United States. Congress,1964 *The Fur Farmer Magazine* ,1927 *Decisions of the Federal Maritime Commission* United States. Federal Maritime Commission,1964 **Decisions of the Federal Maritime Board, and Maritime Administration, Department of Commerce** United States.
