A Survey of the Origin of Russia's
Naval Presence in the North and South Pacific

GLYNN BARRATT

Russia In Pacific Waters 1715 1825

David Igler

Russia In Pacific Waters 1715 1825:

Russia in Pacific Waters, 1715-1825 Glynn Barratt, 2011-11-01 This is the first study in Russian or Western literature of the rise and fall of Russian naval influence in the North Pacific Ocean from the time of Peter the Great to Tsar Nicholas I. The author deals with a neglected area inherent tension between Russian naval and mercantile interests and the origins of international rivalry in the North Pacific at large. Barratt shows that Russia's motives for early expeditions to the Pacific were to promote science exploration and trade. But when imperialist powers vied for territory and resources in the area, military confrontation became a possibility. Rivalries within Russia and government caution curbed the build up of any effective counterforce and dealt the final blow to Russia's naval ambitions. Her hopes for hegemony in the North Pacific and in Russian North America collapsed in 1825, marking the end of an enterprising era for the Russian navy in Pacific waters. The navy learned from these early experiences that it was incapable of a great power role in the Pacific without an independent self-sufficient Pacific-based fleet. This book is a major original contribution to its subject. An impressive list of sources includes accounts in Russian and valuable materials from Russian archives. *The Tlingit Indians in Russian America, 1741-1867* A.

V. Grinev, 2005-12-01 The Tlingits, the largest Indian group in Alaska, have lived in Alaska's coastal southwestern region for centuries and first met non-Natives in 1741 during an encounter with the crew of the Russian explorer Alexei Chirikov. The volatile and complex connections between the Tlingits and their Russian neighbors, as well as British and American voyagers and traders, are the subject of this classic work, first published in Russian and now revised and updated for this English language edition. Andrei Valterovich Grinev bases his account on hundreds of documents from archives in Russia and the United States; he also relies on official reports, the notes of travelers, the investigations of historians and ethnographers, museum collections, atlases, illustrations, and photographs.

Russian America Ilya Vinkovetsky, 2011-04-06 From 1741 until Alaska was sold to the United States in 1867, the Russian empire claimed territory and peoples in North America. In this book, Ilya Vinkovetsky examines how Russia governed its only overseas colony, illustrating how the colony fit into and diverged from the structures developed in the otherwise contiguous Russian empire. Russian America was effectively transformed from a remote extension of Russia's Siberian frontier, penetrated mainly by Siberianized Russians, into an ostensibly modern overseas colony operated by Europeanized Russians. Under the rule of the Russian American Company, the colony was governed on different terms than the rest of the empire: a hybrid of elements carried over from Siberia and imported from rival colonial systems. Its economic, labor, and social organization reflected Russian hopes for Alaska, as well as the numerous limitations, such as its vast territory and pressures from its multiethnic residents, it imposed. This approach was particularly evident in Russian strategies to convert the indigenous peoples of Russian America into loyal subjects of the Russian Empire. Vinkovetsky looks closely at Russian efforts to acculturate the native peoples, including attempts to predispose them to be more open to the Russian political and cultural influence through trade and Russian Orthodox

Christianity Bringing together the history of Russia the history of colonialism and the history of contact between native peoples and Europeans on the American frontier this work highlights how the overseas colony revealed the Russian Empire's adaptability to models of colonialism *The Northwest Coast* Barry M. Gough, 1992-01-01 The voyages of Cook and Vancouver heralded a vast influx of irrepressible Europeans fur traders whalers administrators visitors missionaries miners botanists and sailors people of every class and distinction They came to conquer the Pacific its islands and its continents for God gold and glory They brought with them their morals ideologies knowledge technology plants and animals They also brought diseases rum and guns They brought with them powers to build and powers to destroy from the Epilogue The Northwest Coast was irrevocably changed the day that Captain James Cook sailed into Nootka Sound in 1778 Cook's discovery of the sea otter population along the coast initiated the maritime fur trade which in turn led to feverish competition among several nations especially Britain Russia and the United States as well as the celebrated rivalry between Spain and Britain for control of Nootka By 1812 a toe hold of British empire was established and the aboriginal way of life was shattered The Northwest Coast documents Britain's rise to pre eminence in this far flung corner of the empire It shows how the relentless activities of its commercial interests the adroit use of its naval power and the steely resolve of its diplomats secured British claims to dominion and rights to trade along the Northwest Coast Written by a leading maritime scholar and based on fresh research into known manuscripts and printed works on Pacific trade and exploration this book incorporates new interpretations on exploration and commercial activity in this area It documents the interaction often violent between British sailors and aboriginal people depicts many of the rivalries among British mariners and examines various claims to the discovery of the Northwest Passage The Northwest Coast significantly expands and updates the author's award winning book *Distant Dominion* Gough's compelling narrative combined with his extensive use of quotations from the journals and correspondence of explorers and merchant traders provide insights into the motives and attitudes of these early pioneers of the empire **Kodiak Kreol** Gwenn A. Miller, 2016-01-21 From the 1780s to the 1820s Kodiak Island the first capital of Imperial Russia's only overseas colony was inhabited by indigenous Alutiiq people and colonized by Russians Together they established an ethnically mixed kreol community Against the backdrop of the fur trade the missionary work of the Russian Orthodox Church and competition among Pacific colonial powers Gwenn A Miller brings to light the social political and economic patterns of life in the settlement making clear that Russia's modest colonial effort off the Alaskan coast fully depended on the assistance of Alutiiq people In this context Miller argues the relationships that developed between Alutiiq women and Russian men were critical keys to the initial success of Russia's North Pacific venture Although Russia's Alaskan enterprise began some two centuries after other European powers Spain England Holland and France started to colonize North America many aspects of the contacts between Russians and Alutiiq people mirror earlier colonial episodes adaptation to alien environments the discovery and exploitation of natural resources complicated relations between indigenous peoples

and colonizing Europeans attempts by an imperial state to moderate those relations and a web of Christianizing practices Russia's Pacific colony however was founded on the cusp of modernity at the intersection of earlier New World forms of colonization and the bureaucratic age of high empire Miller's attention to the coexisting intimacy and violence of human connections on Kodiak offers new insights into the nature of colonialism in a little known American outpost of European imperial power

Historical Dictionary of Polynesia Robert D. Craig, 2002 Alphabetically arranged entries ranging in length from a paragraph to several pages describe the important people food native animals politics history and culture of Polynesia which is made up of more than a dozen countries including American Samoa French Polynesia Hawaii New Zealand and Tonga The book includes a four page list of acronyms an extensive chronology and appendices with the names of Polynesian islands and lists of political rulers of the various states through history Author Craig emeritus history Alaska Pacific U has created several other dictionaries on Oceania Polynesian mythology and Hawaii Annotation copyrighted by Book News Inc Portland OR

Encountering the Pacific in the Age of the Enlightenment John Gascoigne, 2014-03-20 The Pacific Ocean was the setting for the last great chapter in the convergence of humankind from across the globe Driven by Enlightenment ideals Europeans sought to extend control to all quarters of the earth through the spread of beliefs the promotion of trade and the acquisition of new knowledge This book surveys the consequent encounters between European expansionism and the peoples of the Pacific John Gascoigne weaves together the stories of British French Spanish Dutch and Russian voyages to destinations throughout the Pacific region In a lively and lucid style he brings to life the idealism adventures and frustrations of a colourful cast of historical figures Drawing upon a range of fields he explores the complexities of the relationships between European and Pacific peoples Richly illustrated with historical images and maps this seminal work provides new perspectives on the significance of European contact with the Pacific in the Enlightenment

From Northeast Passage to Northern Sea Route, 2022-09-12 The notion of a waterway north of Eurasia conceived in the first half of the sixteenth century remained only a dream for centuries due to ice unmapped coastlines and a lack of geographical knowledge This volume is the first comprehensive scholarly account in English of the slow but steady exploration and commercial exploitation of the Siberian coastal waters and it proves that this was a truly international endeavour However in the end the Northern Sea Route as a through traverse route came to be used primarily by the Soviet Union for which it became a crucial vehicle for the geopolitical and economic integration of its vast territories As an international trade route the Northern Sea Route is only today about to win its way essentially as a result of global warming This being the case should we rejoice or despair

Expeditions in the Long Nineteenth Century Jörn Happel, Melanie Hussinger, Hajo Raupach, 2024-04-24 This book examines the processes of scientific cultural political technical colonial and violent appropriation during the 19th century The 19th century was the century of world travel The earth was explored surveyed described illustrated and categorized Travelogues became world bestsellers Modern technology accompanied the

travelers and adventurers clocks a postal and telegraph system surveying equipment and cameras The world grew together faster and faster Previously unknown places became better known the highest peaks the coldest spots the hottest deserts and the most remote cities Knowledge about the white spots of the earth was systematically collected Those who made a name for themselves in the 19th century are still read today Alexander von Humboldt or Charles Darwin made the epoch a scientific heyday Ida Pfeiffer or Isabelle Bird Bishop traveled to distant continents and took their readers at home on insightful journeys Hermann V mb ry or Sir Richard Burton got to know the most remote languages and regions There are countless travel reports about a fascinating century which with surveying and exploration also brought colonial conquest and exploitation into the world In ten individual studies the authors explore travelers from all over the world and analyze their successes The unifying element of all the studies is the experience of distance and its communication by means of travelogues to the armchair travelers who have stayed at home This volume will be of value to students and scholars both interested in modern history social and cultural history and the history of science and technology

The Military History of Tsarist Russia F. Kagan,R. Higham,2016-04-30 The Military History of Tsarist Russia examines Russian military history from the rise of the Muscovite state to the present even peeking briefly into the future The volume covers Russia s land forces extensively but also covers the development of the Russian Navy and the creation and development of the Russian Air Force parts of the Russian military machine that are frequently neglected in general writings The historical analysis addresses the development and function of the Russian military whether in peace or in war as well as the impact of war and changes in the military upon Russian society and politics Questions of military organization doctrine and technique are paramount as well as the critical question of the interface between the armed forces and society Rediscovering Russia in Asia Stephen Kotkin,David Wolff,2015-03-04 This work presents a trans Siberian expedition to rediscover the peoples cultures and riches of Russia s eastern frontiers It addresses such questions as who are the people of the region have they a distinct culture and does the area have a future as part of the Pacific Rim

The ^AGreat Ocean David Igler,2013-03-18 A groundbreaking and lyrically written work that explores the world of the Pacific Ocean Bering Orcutt William Frost,Orcutt Frost,Professor Orcutt Frost,2003-01-01 Om den danske opdagelsesrejsende Vitus Bering 1681 1741 og om hans rejser fra Sibirien til Nordamerika og Alaska

The Tokugawa World Gary P. Leupp,De-min Tao,2021-09-20 With over 60 contributions The Tokugawa World presents the latest scholarship on early modern Japan from an international team of specialists in a volume that is unmatched in its breadth and scope In its early modern period under the Tokugawa shoguns Japan was a world apart For over two centuries the shogun s subjects were forbidden to travel abroad and few outsiders were admitted Yet in this period Japan evolved as a nascent capitalist society that could rapidly adjust to its incorporation into the world system after its forced opening in the 1850s The Tokugawa World demonstrates how Japan s early modern society took shape and evolved a world of low and high cultures comic books and Confucian academies soba restaurants and

imperial music recitals rigid enforcement of social hierarchy yet also ongoing resistance to class oppression A world of outcasts puppeteers herbal doctors samurai officials businesswomen scientists scholars blind lutenists peasant rebels tea masters sumo wrestlers and wage workers Covering a variety of features of the Tokugawa world including the physical landscape economy art and literature religion and thought and education and science this volume is essential reading for all students and scholars of early modern Japan *The Russians and Australia* Glynn Barratt, 2011-11-01 Known for his pioneering work on Russia's early exploits in Australia and the Pacific historian Glynn Barratt again breaks new ground in presenting the first comprehensive study of Russian naval social mercantile and scientific enterprise in New South Wales between 1807 and 1835 Through Tsar Peter the Great's Dutch contacts Russia was aware quite early of the existence of New Holland and a number of unsuccessful attempts were made to reach what is now Australia Following a description of these efforts Barratt focuses on the seventeen visits that Russian ships made to Australian ports on voyages from the Baltic carrying supplies for the settlements in Kamchatka and Alaska As a result of the good will generated by the Anglo Russian alliance against Napoleonic France relations between the British colonists and the Russian seamen were extremely cordial While visiting Australia Russian naval officers pursued a range of scientific activities including botany zoology ethnography and mineralogy and collected specimens and artefacts They also studied the British penal system and filled journals with detailed observations Available in Russian archives and museums and examined there by Barratt the journals and collections which until now have largely remained unexplored by historians reveal the high level of skill and education of these early visitors to Australia This is the first of four books in a series entitled *Russia and the South Pacific 1696-1840* *Exploring and Mapping Alaska* Aleksei Vladimirovich Postnikov, 2015-06-15 Russia first encountered Alaska in 1741 as part of the most ambitious and expensive expedition of the entire 18th century During the next 126 years the struggle to develop and refine geographic knowledge of the vast region comprising northeastern Asia the North Pacific and Alaska met with many obstacles including inclement weather the chain of supply over great distances the need to train expert navigators and cartographers and false leads due to spurious voyage accounts For much of this era critical geographic knowledge was kept as a state secret in Russia and not shared even with the very navigators and cartographers who were developing much needed maps and navigational aids Despite this a rich cartographic heritage developed to be carried forward into the American era The traditional Russian cartographic methods were applied to new discoveries in Siberia and beyond Early fur traders and explorers utilized this system which for a time co-existed with the new cartographic methodology utilized in Europe and adopted for use by the Russia of Peter the Great It became an age of scientific exploration Great Britain France Spain but especially Russia sent expeditions An increasingly complete knowledge of the coasts of North America with forays into the interior emerged Postnikov describes the explorations and richly illustrates how the resulting maps evolved and contributed to the world's knowledge of one of the last great regions of the world to be explored *Language Contact in the Arctic*

Ernst Hakon Jahr,Ingvild Broch,2011-06-03 TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing

Historical Dictionary of Polynesia Robert D. Craig,2011 The term Polynesia refers to a cultural and geographical area in the Pacific Ocean bound by what is commonly referred to as the Polynesian Triangle which consists of Hawai i in the north New Zealand in the southwest and Easter Island in the southeast Thousands of islands are scattered throughout this area most of which are currently included in one of the modern island states of American Samoa Cook Islands French Polynesia Hawai i New Zealand Samoa Tonga Tokelau Tuvalu and Wallis and Futuna The third edition of the Historical Dictionary of Polynesia greatly expands on the previous editions through a chronology an introductory essay an expansive bibliography and over 400 cross referenced dictionary entries on significant persons events places organizations and other aspects of Polynesian history from the earliest times to the present Appendixes of the major islands and atolls within Polynesia the rulers and administrators of the 13 major island states and basic demographic information of those states are also included

Alaska History Marvin W. Falk,2006-03-30 Marvin W Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in Russian German French Spanish and English Many of these foreign language accounts have been published in translation and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil boom The ^ANapoleonic Wars Alexander Mikaberidze,2020-01-13 The first truly global history of the Napoleonic Wars the world s first world war

Russia In Pacific Waters 1715 1825 Introduction

In today's digital age, the availability of Russia In Pacific Waters 1715 1825 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia In Pacific Waters 1715 1825 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia In Pacific Waters 1715 1825 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia In Pacific Waters 1715 1825 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia In Pacific Waters 1715 1825 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia In Pacific Waters 1715 1825 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia In Pacific Waters 1715 1825 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free

access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia In Pacific Waters 1715 1825 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia In Pacific Waters 1715 1825 books and manuals for download and embark on your journey of knowledge?

FAQs About Russia In Pacific Waters 1715 1825 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia In Pacific Waters 1715 1825 is one of the best book in our library for free trial. We provide copy of Russia In Pacific Waters 1715 1825 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia In Pacific Waters 1715 1825. Where to download Russia In Pacific Waters 1715 1825 online for free? Are you looking for Russia In Pacific Waters 1715 1825 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russia In Pacific Waters 1715 1825. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russia In Pacific Waters 1715 1825 are for sale to free while some are

payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russia In Pacific Waters 1715 1825. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russia In Pacific Waters 1715 1825 To get started finding Russia In Pacific Waters 1715 1825, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russia In Pacific Waters 1715 1825 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russia In Pacific Waters 1715 1825. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russia In Pacific Waters 1715 1825, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russia In Pacific Waters 1715 1825 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russia In Pacific Waters 1715 1825 is universally compatible with any devices to read.
