American Evangelicalism Darren Dochuk, Thomas S. Kidd, Kurt W. Peterson, 2014-10-15 No living scholar has shaped the study of American religious history more profoundly than George M Marsden His work spans U S intellectual cultural and religious history from the seventeenth through the twenty first centuries This collection of essays uses the career of George M Marsden and the remarkable breadth of his scholarship to measure current trends in the historical study of American evangelical Protestantism and to encourage fresh scholarly investigation of this faith tradition as it has developed between the eighteenth century and the present Moving through five sections each centered around one of Marsden s major books and the time period it represents the volume explores different methodologies and approaches to the history of evangelicalism and American religion Besides assessing Marsden s illustrious works on their own terms this collection s contributors isolate several key themes as deserving of fresh rigorous and extensive examination Through their close investigation of these particular themes they expand the range of characters and communities issues and ideas and contingencies that can and should be accounted for in our historical texts Marsden s timeless scholarship thus serves as a launchpad for new directions in our rendering of the American religious past

Tropical Despotisms David Allen Harvey, 2024-09-15 Tropical Despotisms reveals the alarm that spread among France s Caribbean possessions during the period between the Seven Years War and the Revolution and the determination to cultivate a new patriotic community rooted in the Enlightenment principles of honor and civic virtue Following France s humiliating defeat at the hands of the British a loose coalition of frustrated and enlightened reformers hoped to promote imperial regeneration in order to restore France s wounded national pride stabilize and strengthen the Antillean colonies and bind the colonies more closely to the metropole David Allen Harvey describes the historical relationship between capitalism and slavery in the making of the modern world economy and moves beyond simplistic arguments by discussing the contingent and evolving dynamic between the two As a result he reveals how capitalism and slavery developed in tandem in the eighteenth century Caribbean but explains that reformers sought to enact a gradual transition to a free wage labor regime more in keeping with capitalism s ideal of free and voluntary contractual relationships between formally equal parties Tropical Despotisms provides a new perspective on the social and demographic structure in the French Antilles and the wider French Atlantic world Harvey uncovers not only the deep and critical debates around the issues of slavery and race but also the efforts by enlightened reformers as they proposed rethinking the political and economic structures by which the empire had been ruled rationalizing governing institutions and liberalizing trade

Rights, Laws and Infallibility in Medieval Thought Brian Tierney, 2024-10-28 The papers collected in this volume fall into three main groups Those in the first group are concerned with the origin and early development of the idea of natural rights The author argues here that the idea first grew into existence in the writings of the 12th century canonists The articles in the second group discuss miscellaneous aspects of medieval law and political thought They include an overview of modern work on late medieval canon law The final group of articles is concerned with the history of papal infallibility with especial reference to the tradition of Franciscan ecclesiology and the contributions of John Peter Olivi and William of Ockham

Philosophy After Postmodernism Paul Crowther, 2003-09-02 Formulating a new approach to philosophy Paul Crowther identifies conceptual links between value knowledge personal identity and civilization understood as a process of cumulative advance Protestant Thought in the Nineteenth Century, Volume 2 Claude Welch, 2003-12-12 A comprehensive account of the principal Protestant theological concerns and writers from 1870 to World War I Welch discusses both major and minor thinkers placing them within such overarching themes as the nature of faith and the relationship of church and society

Shaping a Humane World Oliver Kozlarek, Univ. Prof. Dr. Dr.h.c.mult., Ernst Wolff, 2014-03-15 The generation of meaning is the primary precondition for acting and thinking The essays in this volume contribute to a discourse on this matter with a decentred globalized world in mind The notions civilization humanism and modernity far from being exclusively Western ideas may facilitate joint efforts of reflecting on the universality of current human conditions particularly since such reflexion is possible from particular cultural perspectives Modernity presents us with a second Axial Time in which the quest for a plural but shared humane world is the challenge *The Changing Shape of Practice* Michael U. Hensel, Fredrik Nilsson, 2016-04-14 Architectural practices worldwide have to deal with increasingly complex design requirements How do practices acquire the ability to do so The Changing Shape of Practice provides a handbook of examples for practices that wish to integrate more research into their work and a reference book for students that seek to prepare themselves for the changing shape of practice in architecture It addresses the increasing integration of research undertaken in architectural practices of different sizes ranging from small to very large practices from the UK USA Europe and Asia The book is organized according to the size of the practices which is significant in that it addresses the different structures and resourcing requirements that are enabled by specific practice sizes as this determines and constrains the type scope and modes of research available to a given practice The practices covered include Woods Bagot Perkins Will White AECOM UN Studio Shop Architects PLP Architecture Kieran Timberlake 3XN ONL AZPML Thomas Herzog Partners Herreros Arquitectos Spacescape OCEAN Design Research Association By taking stock of the current shape of practice the book provides essential information for professional architects who are integrating research into their practice **The Old Testament and God (Old Testament Origins and the Question of God Book #1)** Craig G. Bartholomew, 2022-12-13 Southwestern Journal of Theology 2022 Book of the Year Award Biblical Studies Craig Bartholomew s The Old Testament and God is the first volume

in his ambitious four volume project which seeks to explore the question of God and what happens to Old Testament studies if we take God and his action in the world seriously Toward this end he proposes a post critical paradigm shift that recenters study around God The intent is to do for Old Testament studies what N T Wright s Christian Origins and the Question of God series has done for New Testament studies Bartholomew proposes a much needed holistic narrative approach showing how the Old Testament functions as Christian Scripture In so doing he integrates historical literary and theological methods as well as a critical realist framework Following a rigorous analysis of how we should read the Old Testament he goes on to examine and explain the various tools available to the interpreter He then applies worldview analysis to both Israel and the surrounding nations of the ancient Near East The volume concludes with a fresh exegetical exploration of YHWH the living and active God of the Old Testament Subsequent volumes will include Moses and the Victory of Yahweh The Old Testament and the People of God and The Death and Return of the Son

Archaeology of Culture Contact and Colonialism in Spanish and Portuguese America Pedro Paulo A. Funari, Maria Ximena Senatore, 2014-11-11 The volume contributes to disrupt the old grand narrative of cultural contact and colonialism in Spanish and Portuguese America in a wide and complete sense This edited volume aims at exploring contact archaeology in the modern era Archaeology has been exploring the interaction of peoples and cultures from early times but only in the last few decades have cultural contact and material world been recognized as crucial elements to understanding colonialism and the emergence of modernity Modern colonialism studies pose questions in need of broader answers This volume explores these answers in Spanish and Portuguese America comprising present day Latin America and formerly Spanish territories now part of the United States The volume addresses studies of the particular features of Spanish Portuguese colonialism as well as the specificities of Iberian colonization including hybridism religious novelties medieval and modern social features all mixed in a variety of ways unique and so different from other areas particularly the Anglo Saxon colonial thrust Cultural contact studies offer a particularly in depth picture of the uniqueness of Latin America in terms of its cultural mixture This volume particularly highlights local histories revealing novelty diversity and creativity in the conformation of the new colonial realities as well as presenting Latin America as a multicultural arena with astonishing heterogeneity in thoughts experiences practices and material worlds
