Sharing Writing Karen I. Spear, 1988 Sharing Writing is for teachers who are serious about helping students learn to work in response groups **Writing Groups Inside and Outside the Classroom** Beverly J. Moss, Nels P.

Highberg, Melissa Nicolas, 2014-04-04 This edited volume explores the nature of writing groups inside and outside the academic environment For writing instructors writing center directors scholars researching writing groups **Handbook of Research on Writing Instruction Practices for Equitable and Effective Teaching** Hodges, Tracey S., 2022-05-27

Writing is a critical component for teaching children about advocacy and empowering student voice as well as an essential tool for learning in many disciplines Yet writing instruction in schools often focuses on traditional methods such as the composition of five paragraph essays or the adherence to proper grammatical conventions While these are two components of writing instruction and preparation in education they only provide a small glimpse into the depth and breadth of writing As such writing instruction is increasingly complex and requires multiple perspectives and levels of skill among teachers The Handbook of Research on Writing Instruction Practices for Equitable and Effective Teaching serves as a comprehensive reference of issues related to writing instruction and leading research about perspectives methods and approaches for equitable and effective writing instruction It includes practices beyond K 12 including best writing practices at the college level as well as the development of future teachers Providing unique coverage on culturally relevant writing socio and racio linguistic justice and urgent writing pedagogies this major reference work is an indispensable resource for administrators and educators of both K 12 and higher education pre service teachers teacher educators libraries government officials researchers and academicians Virtual Peer Review Lee-Ann Kastman Breuch, 2012-02-01 In a reassessment of peer

review practices Lee Ann Kastman Breuch explores how computer technology changes our understanding of this activity She defines virtual peer review as the use of computer technology to exchange and respond to one another's writing in order to improve it Arguing that peer review goes through a remediation when conducted in virtual environments the author suggests that virtual peer review highlights a unique intersection of social theories of language and technological literacy **On**
