

# SHAYS' REBELLION

The Making of  
an Agrarian Insurrection

*David P. Szatmary*

# Shays Rebellion The Making Of An Agrarian Insurrection

**Arturo Cuomo**

## **Shays' Rebellion The Making Of An Agrarian Insurrection:**

**Shays' Rebellion** David P. Szatmary, 1980      **A Woman's Dilemma** Rosemarie Zagarri, 2015-01-20 The second edition of *A Woman's Dilemma* Mercy Otis Warren and the American Revolution updates Rosemarie Zagarri's biography of one of the most accomplished women of the Revolutionary era. The work places Warren into the social and political context in which she lived and examines the impact of Warren's writings on Revolutionary politics and the status of women in early America. Presents readers with an engaging and accessible historical biography of an accomplished literary and political figure of the Revolutionary era. Provides an incisive narrative of the social and intellectual forces that contributed to the coming of the American Revolution. Features a variety of updates including an in-depth Bibliographical Essay, multiple illustrations, a timeline of Warren's life, and chapter-end study questions. Includes expanded coverage of women during the Revolutionary Era and the Early American Republic.

**Hail Columbia!** Laura Lohman, 2020 *Hail Columbia* is the compelling story of patriotic songs such as *Yankee Doodle* and *The Star Spangled Banner* used as fiery political propaganda between the Revolutionary and Civil Wars in America.

**Rediscovering a Nation** Michael Wayne Santos, 2022-07-01 Polarization Division Hate Many Americans wonder how our politics became dysfunctional and what it will take to fix it. Historian Michael Santos takes readers on a journey to the heart of the American nation and the values that have allowed us to overcome previous challenges, sometimes in spite of ourselves. He remembers the heroes and heroines who challenged us to be better versions of ourselves. Santos addresses a series of interrelated questions: What are the legacies of this country handed down to us by the Founders? What have previous generations done to keep the principles upon which the Republic rests alive and to advance their implications for more and more people? Where were the fault lines that put the American experiment at risk and how have we overcome them? And when we have failed to overcome them, what possible lessons are there for an understanding of what America is and can become? By offering these historical perspectives, Santos helps readers overcome the current crisis in faith about the present challenges and future prospects for the American experiment.

**Leadership, Populism, and Resistance** Kristin M.S. Bezio, George R. Goethals, 2020-02-28 *Leadership, Populism, and Resistance* draws upon the study of history, politics, policy, media, virtue, and heroism to examine the ways in which populism and popular movements have evolved, what we have learned and failed to learn from them, how we depict and discuss them through popular media and the press, and finally how we can understand virtue and heroism as a consequence or reaction to populism and popularity.

**Liberty Tree** Alfred F. Young, 2006-11-06 With the publication of *Liberty Tree*, acclaimed historian Alfred F. Young presents a selection of his seminal writing as well as two provocative never-before-published essays. Together they take the reader on a journey through the American Revolution, exploring the role played by ordinary women and men called at the time people out of doors in shaping events during and after the Revolution, their impact on the Founding generation of the new American nation, and finally how this populist side of the Revolution has fared in public memory. Drawing on a wide range of sources which include

not only written documents but also material items like powder horns and public rituals like parades and tarring and featherings Young places ordinary Americans at the center of the Revolution For example in one essay he views the Constitution of 1787 as the result of an intentional accommodation by elites with non elites while another piece explores the process of ongoing negotiations would be rulers conducted with the middling sort women enslaved African Americans and Native Americans Moreover questions of history and modern memory are engaged by a compelling examination of icons of the Revolution such as the pamphleteer Thomas Paine and Boston s Freedom Trail For over forty years history lovers students and scholars alike have been able to hear the voices and see the actions of ordinary people during the Revolutionary Era thanks to Young s path breaking work which seamlessly blends sophisticated analysis with compelling and accessible prose From his award winning work on mechanics or artisans in the seaboard cities of the Northeast to the all but forgotten liberty tree a major popular icon of the Revolution explored in depth for the first time Young continues to astound readers as he forges new directions in the history of the American Revolution

Without Precedent Joel Richard Paul, 2019-02-19 From the author of *Unlikely Allies* and *Indivisible* comes the remarkable story of John Marshall who as chief justice statesman and diplomat played a pivotal role in the founding of the United States No member of America s Founding Generation had a greater impact on the Constitution and the Supreme Court than John Marshall and no one did more to preserve the delicate unity of the fledgling United States From the nation s founding in 1776 and for the next forty years Marshall was at the center of every political battle As Chief Justice of the United States the longest serving in history he established the independence of the judiciary and the supremacy of the federal Constitution and courts As the leading Federalist in Virginia he rivaled his cousin Thomas Jefferson in influence As a diplomat and secretary of state he defended American sovereignty against France and Britain counseled President John Adams and supervised the construction of the city of Washington D C This is the astonishing true story of how a rough cut frontiersman born in Virginia in 1755 and with little formal education invented himself as one of the nation s preeminent lawyers and politicians who then reinvented the Constitution to forge a stronger nation *Without Precedent* is the engrossing account of the life and times of this exceptional man who with cunning imagination and grace shaped America s future as he held together the Supreme Court the Constitution and the country itself

**Sealed with Blood** Sarah J. Purcell, 2010-08-03 The first martyr to the cause of American liberty was Major General Joseph Warren a well known political orator physician and president of the Provincial Congress of Massachusetts Shot in the face at close range at Bunker Hill Warren was at once transformed into a national hero with his story appearing throughout the colonies in newspapers songs pamphlets sermons and even theater productions His death though shockingly violent was not unlike tens of thousands of others but his sacrifice came to mean something much more significant to the American public *Sealed with Blood* reveals how public memories and commemorations of Revolutionary War heroes such as those for Warren helped Americans form a common bond and create a new national identity Drawing from extensive research on civic

celebrations and commemorative literature in the half century that followed the War for Independence Sarah Purcell shows how people invoked memories of their participation in and sacrifices during the war when they wanted to shore up their political interests make money argue for racial equality solidify their class status or protect their personal reputations Images were also used especially those of martyred officers as examples of glory and sacrifice for the sake of American political principles By the midnineteenth century African Americans women and especially poor white veterans used memories of the Revolutionary War to articulate their own more inclusive visions of the American nation and to try to enhance their social and political status Black slaves made explicit the connection between military service and claims to freedom from bondage Between 1775 and 1825 the very idea of the American nation itself was also democratized as the role of the people in keeping the sacred memory of the Revolutionary War broadened

**The Encyclopedia of the Wars of the Early American Republic, 1783-1812** Spencer C. Tucker, 2014-06-11 Relatively little attention has been paid to American military history between 1783 and 1812 arguably the most formative years of the United States This encyclopedia fills the void in existing literature and provides greater understanding of how the nation evolved during this era This encyclopedia offers a comprehensive examination of U S military history from the beginning of the republic in 1783 up to the eve of war with Great Britain in 1812 It enables a detailed study of the Early Republic during which ideological and political divisions occurred over the fledgling U S military The entries cover all the important battles key individuals weapons Indian nations and treaties as well as numerous social political cultural and economic developments during this period The contents of the work will enable readers at the high school college university and even graduate level to comprehend how political parties emerged and how ideological differences over the organization size and use of the military developed Larger global developments including Anglo American and Franco American interactions relations between Middle Eastern states and the United States and relations and warfare between the U S government and various Indian nations are also detailed The extensive and detailed bibliographies will be immensely helpful to learners at all levels

**The Oxford Encyclopedia of American Social History: Men's-YMCA**, 2012 [An Anti-Federalist Constitution](#) Michael J. Faber, 2022-10-04 What would an Anti Federalist Constitution look like Because we view the Constitution through the lens of the Federalists who came to control the narrative we tend to forget those who opposed its ratification And yet the Anti Federalist arguments so critical to an understanding of the Constitution s origins and meaning resonate throughout American history By reconstructing these arguments and tracing their development through the ratification debates Michael J Faber presents an alternative perspective on constitutional history Telling in a sense the other side of the story of the Constitution his book offers key insights into the ideas that helped to form the nation s founding document and that continue to inform American politics and public life Faber identifies three distinct strands of political thought that eventually came together in a clear and coherent Anti Federalism position 1 the individual and the potential for governmental tyranny 2 power specifically the states as

defenders of the people and 3 democratic principles and popular sovereignty After clarifying and elaborating these separate strands of thought and analyzing a well known proponent of each Faber goes on to tell the story of the resistance to the Constitution focusing on ideas but also following and explaining events and strategies Finally he produces a counterfactual Anti Federalist Constitution summing up the Anti Federalist position as it might have emerged had the opposition drafted the document How would such a constitution have worked in practice A close consideration reveals the legacy of the Anti Federalists in early American history in the US Constitution and its role in the nation s political life     *Republics Ancient and Modern, Volume III* Paul A. Rahe, 2017-10-06 First published in 1992 and now available in paperback in three volumes Paul Rahe s ambitious and provocative book bridges the gap between political theory comparative history and government and constitutional prudence Rahe challenges prevailing interpretations of ancient Greek republicanism early modern political thought and the founding of the American republic An extraordinary book It is a great achievement and will stay as a landmark The Spectator London This is the first comprehensive study of republicanism ancient and modern written for our time Harvey Mansfield Harvard University A stunning feat of scholarship presented with uncommon grace and ease the sort of big important book that comes along a few times in a generation In an age of narrow specialists it ranges through the centuries from classical Greece to the new American Republic unfolding a coherent new interpretation of the rise of modern republicanism World class and sure to have a quite extraordinary impact Lance Banning University of Kentucky Volume I The Ancien Regime in Classical Greece Where social scientists and many ancient historians tend to follow Max Weber or Karl Marx in asserting the centrality of status or class Rahe s depiction of the illiberal martial republics of classical Hellas vindicates Aristotle s insistence on the determinative influence of the political regime and brings back to life a world in which virtue is pursued as an end politics is given primacy and socioeconomic concerns are subordinated to grand political ambition Volume II New Modes and Orders in Early Modern Political Thought Where many intellectual historians discern a revival of the classical spirit in the political speculation of the age stretching from Machiavelli to Adam Smith Rahe brings to light a self conscious repudiation of the theory and practice of ancient self government and an inclination to restrict the scope of politics to place greater reliance on institutions than on virtuous restraint and to give free rein to the human s capacities as a tool making animal Volume III Inventions of Prudence Constituting the American Regime Where students of the American founding are inclined to dispute whether the Revolution was liberal republican or merely confused Rahe demonstrates that the American regime embodies an uneasy fragile and carefully worked out compromise between the enlightened despotism espoused by Thomas Hobbes and the classical republicanism defended by Pericles and Demosthenes     *The Positive Second Amendment* Joseph Blocher, Darrell A.H. Miller, 2018-09-13 The Second Amendment is among the most recognized provisions of the Constitution It is also perhaps the most misunderstood Common misconceptions about the amendment what it forbids what it permits how it functions as law distort the gun debate and America s constitutional culture In *The Positive Second*

Amendment Blocher and Miller provide the first comprehensive post Heller account of the history theory and law of the right to keep and bear arms Their aim is not to pick sides in the gun debate but rather to show how a positive account of the constitutional Second Amendment differs from its political cousin Understanding the right to keep and bear arms as constitutional law will challenge many deeply held beliefs But it may also provide a better way to negotiate the seemingly intractable issues that afflict America s debate over gun rights and regulation

**Repressive Jurisprudence in the Early American Republic** Phillip I. Blumberg, 2010-09-30 This volume seeks to explain how American society which had been capable of noble aspirations such as those in the Declaration of Independence and the Constitution was capable of adopting one of the most widely deplored statutes of our history the Sedition Act of 1798 It examines how the political ideals of the American Revolution were undermined by the adoption of repressive doctrines of the English monarchical system the criminalization of criticism against the king the Parliament the judiciary and Christianity Freedom of speech was dramatically confined and this law remained unchallenged until well into the twentieth century This book will be of keen interest to all concerned with the early Republic freedom of speech and evolution of American constitutional jurisprudence Because it addresses the much criticized Sedition Act of 1798 one of the most dramatic illustrations of this repressive jurisprudence the book will also be of interest to Americans concerned about preserving free speech in wartime

**Death or Liberty** Douglas R. Egerton, 2009-01-13 In Death or Liberty Douglas R Egerton offers a sweeping chronicle of African American history stretching from Britain s 1763 victory in the Seven Years War to the election of slaveholder Thomas Jefferson as president in 1800 While American slavery is usually identified with antebellum cotton plantations Egerton shows that on the eve of the Revolution it encompassed everything from wading in the South Carolina rice fields to carting goods around Manhattan to serving the households of Boston s elite More important he recaptures the drama of slaves freed blacks and white reformers fighting to make the young nation fulfill its republican slogans Although this struggle often unfolded in the corridors of power Egerton pays special attention to what black Americans did for themselves in these decades and his narrative brims with compelling portraits of forgotten African American activists and rebels who battled huge odds and succeeded in finding liberty if never equality only in northern states Egerton concludes that despite the real possibility of peaceful if gradual emancipation the Founders ultimately lacked the courage to end slavery

**Friends of Liberty** Gary Nash, Graham Russell Gao Hodges, 2009-03-12 Friends of Liberty tells the remarkable story of three men whose lives were braided together by issues of liberty and race that fueled revolutions across two continents Thomas Jefferson wrote the founding documents of the United States Thaddeus Kosciuszko was a hero of the American Revolution and later led a spectacular but failed uprising in Poland his homeland Agrippa Hull a freeborn black New Englander volunteered at eighteen to join the Continental Army During the Revolution Hull served Kosciuszko as an orderly and the two became fast friends Kosciuszko s abhorrence of bondage shaped his thinking about the oppression in his own land When Kosciuszko returned to America in the 1790s bearing

the wounds of his own failed revolution he and Jefferson forged an intense friendship based on their shared dreams for the global expansion of human freedom They sealed their bond with a blood compact whereby Jefferson would liberate his slaves upon Kosciuszko's death But Jefferson died without fulfilling the promise he had made to Kosciuszko and to a fledgling nation founded on the principle of liberty and justice for all

*Toward Democracy* James T. Kloppenberg, 2016-05-06 In this magnificent and encyclopedic overview James T. Kloppenberg presents the history of democracy from the perspective of those who struggled to envision and achieve it The story of democracy remains one without an ending a dynamic of progress and regress that continues to our own day In the classical age democracy was seen as the failure rather than the ideal of good governance Democracies were deemed chaotic and bloody indicative of rule by the rabble rather than by enlightened minds Beginning in the 16th and 17th centuries however first in Europe and then in England's North American colonies the reputation of democracy began to rise resulting in changes that were sometimes revolutionary and dramatic sometimes gradual and incremental Kloppenberg offers a fresh look at how concepts and institutions of representative government developed and how understandings of self rule changed over time on both sides of the Atlantic Notions about what constituted true democracy preoccupied many of the most influential thinkers of the Western world from Montaigne and Roger Williams to Milton and John Locke from Rousseau and Jefferson to Wollstonecraft and Madison and from de Tocqueville and J. S. Mill to Lincoln and Frederick Douglass Over three centuries explosive ideas and practices of democracy sparked revolutions English American and French that again and again culminated in civil wars disastrous failures of democracy that impeded further progress Comprehensive provocative and authoritative *Toward Democracy* traces self government through three pivotal centuries The product of twenty years of research and reflection this momentous work reveals how nations have repeatedly fallen short in their attempts to construct democratic societies based on the principles of autonomy equality deliberation and reciprocity that they have claimed to prize Underlying this exploration lies Kloppenberg's compelling conviction that democracy was and remains an ethical ideal rather than merely a set of institutions a goal toward which we continue to struggle

**The Brittle Thread of Life** Mark Williams, 2009-01-01 The colonists who settled the backcountry in eighteenth century New England were recruited from the social fringe people who were desperate for land autonomy and respectability and who were willing to make a hard living in a rugged environment Mark Williams' microhistorical approach gives voice to the settlers proprietors and officials of the small colonial settlements that became Granby Connecticut and Ashfield Massachusetts These people often disrespectful disorderly presumptuous insistent and defiant were drawn to the ideology of the Revolution in the 1760s and 1770s that stressed equality independence and property rights The backcountry settlers pushed the emerging nation's political culture in a more radical direction than many of their leaders or the Founding Fathers preferred and helped put a democratic imprint on the new nation This accessibly written book will resonate with all those interested in the social and political relationships of early America

*Rediscovering Republicanism* John Nantz, 2021-10-19 When well designed institutions function properly people thrive Few institutions have been more ingeniously designed than the U S federal government via the Constitution in 1787 This auspicious beginning more than two centuries ago helps explain why the U S remains a magnet for opportunity seekers students entrepreneurs dissidents and persecuted believers Yet for decades now America s federal government has been underperforming Social Security and Medicare face looming insolvency The federal government s war on poverty has failed to end poverty and arguably made it worse In 2012 the United States Postal Service lost more money than the nation spent on the State Department and Amtrak has lost money every year since being created in 1971 How can an enduring institution so thoughtfully crafted now produce such poor results The federal government has grown so much because it serves a new and different vision American Progressivism American Progressives believed that democratically elected public minded federal politicians and employees could use federal programs to solve the nation s greatest problems in a way no other American institution could This idea justified the federal government s massive expansion today the federal government runs over 1 500 programs and employs over 5% of the U S workforce Yet federal results do not match Progressive expectations Three key problems windfall politics the government surcharge and complexity failure overlooked by American Progressives explain the federal government s consistent failures American Progressive s rosy eyed view of human nature and political institutions have not been borne out by the evidence In an era of substantial political fermentation and debate rediscovering and re applying American Republicanism represents the best path forward for the United States The federal government should retain many necessary responsibilities but turn over those where it has failed for social welfare federally provided services and retirement savings among others to the country s state governments civil society and individual citizens respectively

**Race and Ethnicity in America** Russell M. Lawson, Benjamin A. Lawson, 2019-10-11 Divided into four volumes *Race and Ethnicity in America* provides a complete overview of the history of racial and ethnic relations in America from pre contact to the present The five hundred years since Europeans made contact with the indigenous peoples of America have been dominated by racial and ethnic tensions During the colonial period from 1500 to 1776 slavery and servitude of whites blacks and Indians formed the foundation for race and ethnic relations After the American Revolution slavery labor inequalities and immigration led to racial and ethnic tensions after the Civil War labor inequalities immigration and the fight for civil rights dominated America s racial and ethnic experience From the 1960s to the present the unfulfilled promise of civil rights for all ethnic and racial groups in America has been the most important sociopolitical issue in America *Race and Ethnicity in America* tells this story of the fight for equality in America The first volume spans pre contact to the American Revolution the second the American Revolution to the Civil War the third Reconstruction to the Civil Rights Movement and the fourth the Civil Rights Movement to the present All volumes explore the culture society labor war and politics and cultural expressions of racial and ethnic groups

### Shays Rebellion The Making Of An Agrarian Insurrection Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shays Rebellion The Making Of An Agrarian Insurrection has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shays Rebellion The Making Of An Agrarian Insurrection has opened up a world of possibilities. Downloading Shays Rebellion The Making Of An Agrarian Insurrection provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shays Rebellion The Making Of An Agrarian Insurrection has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shays Rebellion The Making Of An Agrarian Insurrection. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shays Rebellion The Making Of An Agrarian Insurrection. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shays Rebellion The Making Of An Agrarian Insurrection, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shays Rebellion The Making Of An Agrarian Insurrection has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

### **FAQs About Shays Rebellion The Making Of An Agrarian Insurrection Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shays Rebellion The Making Of An Agrarian Insurrection is one of the best book in our library for free trial. We provide copy of Shays Rebellion The Making Of An Agrarian Insurrection in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shays Rebellion The Making Of An Agrarian Insurrection. Where to download Shays Rebellion The Making Of An Agrarian Insurrection online for free? Are you looking for Shays Rebellion The Making Of An Agrarian Insurrection PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Shays Rebellion The Making Of An Agrarian Insurrection. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Shays Rebellion The Making Of An Agrarian Insurrection are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Shays Rebellion The Making Of An Agrarian Insurrection. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by

having access to our ebook online or by storing it on your computer, you have convenient answers with Shays Rebellion The Making Of An Agrarian Insurrection To get started finding Shays Rebellion The Making Of An Agrarian Insurrection, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Shays Rebellion The Making Of An Agrarian Insurrection So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Shays Rebellion The Making Of An Agrarian Insurrection. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Shays Rebellion The Making Of An Agrarian Insurrection, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Shays Rebellion The Making Of An Agrarian Insurrection is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Shays Rebellion The Making Of An Agrarian Insurrection is universally compatible with any devices to read.
