Luminous Passage Charles S. Prebish, 1999-06-07 Since the 1960s Buddhism in America has been viewed through the lens of idealism generally associated with the spiritual quest of baby boomers This portrayal has been accurate only to a degree Charles Prebish's Luminous Passage is the first account in a new generation of commentary to demonstrate the complexity and variety of this tradition as it establishes roots in this country This book will surely stand as one of the most comprehensive assessments of Buddhism in the United States at the turn of the millennium Richard Seager Hamilton College
