Luther's Works Martin Luther, Jaroslav Pelikan, Daniel E. Poellot, 1960 **Luther's Works, Volume 2** Martin Luther, Lehmann, Jaroslav Pelikan, 1955 **Luther's Works - Volume 2** Martin Luther, 1968-05-10 *Singing the Ethos of God* Brian Brock, 2007-04-02 Noting that academic biblical scholars and Christian ethicists have been methodologically estranged for some decades now Brian Brock seeks to reframe the whole Bible and ethics discussion in terms of this question What role does the Bible play in God's generation of a holy people and how do we participate in that regeneration Brock first examines various major contemporary thinkers on the Bible and Christian ethics including John Howard Yoder Brevard Childs John Webster and Dietrich Bonhoeffer He then undertakes major discussions of Augustine and Martin Luther unpacking their interpretation of the Psalms Finally Brock articulates the processes of renewal in God's people His close study of a few individual psalms shows how we enter the world of praise in which all human life is comprehended within God's work and is thus renewed Immersion in the exegetical tradition of the Christian faith Brock argues must be the heart and soul of theology and ethics **Sacramental Streams** Richard Davenport, 2025-02-04 The church has long seen baptism as one of the means by which God delivers his grace to his people Many passages in the New Testament detail the value of baptism and indicate its status as one of the primary gifts God gives At the same time Jesus' conversation with Nicodemus indicates the benefits of baptism should already be evident The early church understood this and saw that God had been preparing his people for the sacrament from the very beginning This book goes back through the Old Testament to draw on the various themes God has presented to inform and instruct his people about the sacrament he would later institute By examining these themes in detail it is shown that though baptism is a one time event in the life of the Christian the baptized continue to receive its benefits Baptism not only functions as an ongoing means of God's grace but as the means by which God shapes his people into the holy nation he has called them to be **The Chester Cycle in Context, 1555-1575** Jessica Dell, David Klausner, 2016-04-01 The Chester Cycle in Context 1555-1575 considers the implications of recent archival research which has profoundly changed our view of the continuation of performances of Chester's civic biblical play cycle into the reign of Elizabeth I Scholars now view the decline and ultimate abandonment of civic religious drama as the result of a complex network of local pressures heavily dependent upon individual civic and ecclesiastical authorities rather than a result of a nation wide policy of suppression as had previously been assumed **God Is Impassible and Impassioned** Rob Lister, 2012-11-30 Modern theologians are focused on the doctrine of divine impassibility exploring the significance of God's emotional experience and most especially the question of divine suffering Professor Rob Lister speaks into the issue outlining the history of the doctrine in the views of influential figures such as Augustine Aquinas and Luther while carefully examining modernity's growing rejection of impassibility and the subsequent evangelical response With an eye toward holistic synthesis this book proposes a theological model based upon fresh insights into the historical biblical and theological dimensions of

this important doctrine **Almighty God Created the Races** Fay Botham, 2009 In this cultural history of interracial marriage and its legal regulation in the United States Fay Botham argues that religion specifically Protestant and Catholic beliefs about marriage and race had a significant effect on legal decisions concernin **Ham's Sin and Noah's Curse and BLESSING UTTERANCES** Nicholas Oyugi Odhiambo, 2014-09-24 The thesis of this book is threefold First contrary to the increasingly popular understanding that the nature of Ham s offense was sexual we argue that this offense was nonsexual despite the presence of the phrase to see the nakedness of in Genesis 9 22 More specifically Ham s offense had less to do with seeing his father naked the seeing was accidental Rather his fault lay with his choice to disclose to his brothers what he had seen as opposed to covering the nakedness of his father Second the most probable fulfillment of the Noah s curse is 1 the servitude of the Gibeonites 2 the enslavement of the Canaanites following the conquest or 3 the dominance of Rome and Greece over Tyre and Carthage respectively the events or phenomena least associated with the curse in our view are the following 1 the service of the four kings in Genesis 14 under Chedorlaomer and the king of Tidal 2 the subjection of the Egyptians and Babylonians by the Persians 3 the forced corv e service of the Egyptians by Pharaoh 4 the triumph of Israel over Egypt during the Exodus 5 the enslavement of the Africans and 6 the African s dark skin color Third whereas none of the proposals offered in regards to the phrase let him dwell in the tents of Shem correlate well with the exegesis of the blessing utterance we did find a viable candidate among the proposals related to the enlargement of Japheth viz geographical expansion **Santa Claus: Is He for Your Child?** John L. Hoh, 2011-08-01 Who or what is Santa Claus What is his relationship to Saint Nicholas Kris Kringle and other Christmas time gift bearers What is the message of Santa This book traces the lineage of the child s saint back to the alleged historical bishop of Myra up to the jolly saint in red garb that graces our modern Christmases The book paints a stark contrast to the Gospel message of forgiveness freely given This book gives a very interesting history of how the myth of St Nicholas Santa Clause compares with the gospel message of Jesus Christ I was amazed at the similarities but truly wonder if the two confuses children or one is to overshadow the other in this commercial world Doris Costagliola for BookIdeas com **Babylon Under Western Eyes** Andrew Scheil, 2016-05-09 Babylon under Western Eyes examines the mythic legacy of ancient Babylon the Near Eastern city which has served western culture as a metaphor for power luxury and exotic magnificence for more than two thousand years Sifting through the many references to Babylon in biblical classical medieval and modern texts Andrew Scheil uses Babylon s remarkable literary ubiquity as the foundation for a thorough analysis of the dynamics of adaptation and allusion in western literature Touching on everything from Old English poetry to the contemporary apocalyptic fiction of the Left Behind series Scheil outlines how medieval Christian society and its cultural successors have adopted Babylon as a political metaphor a degenerate archetype and a place associated with the sublime Combining remarkable erudition with a clear and accessible style Babylon under Western Eyes is the first comprehensive examination of Babylon s significance within the pantheon of western literature and a

Sun-Young Kim, 2014 There has been a distinct tendency in modern scholarship to underestimate Luther's teaching on love by overemphasizing his teaching on justification Calling this tendency into question this volume advances the thesis that Luther's teaching on faith and love operates as the overriding thematic pair in the dynamics of Christ and the law structurally and conceptually undergirding the 1535 Galatians commentary The research situates itself in the landscape of Luther scholarship via a special attention to Finnish Luther scholars and scholarship *Hermann Sasse* Ronald R.
