Finkelstein, 1989 Covers the life and career of the U S Army five star general from his early life in various military outposts to a career in two World Wars General of the Army Douglas MacArthur, January 26, 1880-April 5, 1964 Douglas MacArthur, 1964 **Duty, Honor, Country** Douglas MacArthur, David Lawrence, George C. Mayer, 1981 **Douglas MacArthur** Douglas MacArthur, 1964 *General of the Army Douglas MacArthur's Address to Congress, April 19, 1951, Washington, D. C.; with Highlights of His Career* Douglas MacArthur, 1951 **General MacArthur Speeches and Reports 1908-1964** , 2000-06-14 The two year search for General Douglas MacArthur s speeches and reports was truly a labor of love My Administrative Assistant Ellen Schaefer and I culled over 1 000 sources including memories biographies histories military magazines such as the Army and Air Force Journals unit histories commercial magazines and newspapers Magazines included such publications as National Geographic Life Magazine and many esoteric less circulated literature such as Military Magazine Retired Officers Magazine Air Force Magazine and so many others We received guidance and assistance from such sources as the U S Military Academy the Engineering School at Ft Leavenworth the Command and General Staff School at Leavenworth the Army War College the MacArthur Archives Director James Zobel the Library of Congress the War Department the sources seemed endless We do believe we were able to capture all the major public speeches and reports covering MacArthur s truly productive years from 1908 through 1964 Contains more than 125 speeches reports It will be interesting to note MacArthur established his personality early in his military career and never veered from this His admonition from his Mother when MacArthur was a student at West Point was never cheat never lie never tattle Adhering to this edict MacArthur offered to resign from the Academy rather than answer questions from the Academy panel investigating hazing and harassment by a group of fellow students MacArthur continued to develop his hard line against political and military intrigue by resolving to always do what he believed right even if he knew no one was watching Further he was determined never to refuse to carryout the order of a senior officer never be insubordinate to constituted authority

*Frontline General: Douglas MacArthur* Jules Archer, 2017-01-10 At twenty six Douglas MacArthur was military aide to President Theodore Roosevelt and his courageous leadership of the Rainbow Division in World War I made him a general At the same time his reluctance to heed any authority but his own gained him a reputation of arrogance and insubordination that was to shadow his entire career As MacArthur helped guide defeated Japan to democracy it was remarked that he himself tolerated no democratic questioning of his commands When he was summoned from Japan to take command of the desperately beleaguered forces in Korea the conflict between duty and pride brought his career to a dramatic conclusion With brilliant generalship he saved his army from defeat only to be removed from his post when he refused to obey the president himself Douglas MacArthur's deeds were of heroic proportion but he is and will continue to be one of America's most controversial figures

**Representative Speeches of General of the Army Douglas MacArthur**, 2001-01-01 Memorable Quotations from Public Statements By General MacArthur I Shall Return The well known words I shall return while not made in a public address by General MacArthur deserve mention here among some of the General's better and lesser known remarks After leaving the Philippines March 12 1942 MacArthur made his way to Australia where he was pressed by reporters for a statement He issued the following Statement The President of the United States ordered me to break through the Japanese lines and proceed from Corregidor to Australia for the purpose as I understand it of organizing the American offensive against Japan a primary object of which is the relief of the Philippines I came through and I shall return MacArthur mentioned later that he made the famous remark casually enough but it became a psychological rallying point for the Filipinos and for many Americans When American forces and MacArthur returned to the Philippines in October 1944 the General's first words spoken into a microphone were People of the Philippines I have returned By the grace of Almighty God our forces stand again on Philippine soil It would be difficult to exaggerate the importance of the words I shall return and

MacArthur's prestige with the Philippine people during the years 1942-44. For this book it was decided to include the compilation of the public addresses and in the case of each address to reproduce the full text. The selection of addresses was limited to those which appear to have received widest attention and discussion. The Decorations, Awards and Honors of General of the Army Douglas MacArthur Joseph P. Bowman, Eric R. Caubarraux, 2012-05-09. For the first time ever a book solely devoted to the decorations, awards and honors of America's most decorated serviceman, General of the Army Douglas MacArthur. Over a decade of research has yielded a concise portrayal of the many accolades given to a man whose military career spanned over fifty years and three major wars. General MacArthur was awarded every combat decoration the U.S. Military can bestow plus over thirty-five foreign decorations which includes the Medal of Honor, three Distinguished Service Crosses, seven Silver Stars, the Distinguished Flying Cross, three Bronze Star Medals, two Purple Hearts, and the Air Medal. His longevity and adherence to the motto of Duty, Honor, Country has left a legacy in the annals of the world that will probably never be equaled. General Arthur MacArthur's extraordinary life spans the history of the United States from the Civil War through the Indian Wars to the Spanish American War and the heyday of American imperialism in the Philippines. And in a sense as the father of Douglas MacArthur, his influence extends well into our own century. *The General's General* is the first biography of Arthur MacArthur and it clearly establishes his importance in American history. Arthur MacArthur's military career began as a scrawny seventeen-year-old lieutenant; his commission owed not to any evidence of his ability but to family connections. His squeaky voice, barely audible on the parade field, combined with an adolescent conception of proper military bearing, to make the young officer an object of ridicule. But MacArthur overcame this bad start and went on to become a bona fide Civil War hero. The youngest regimental commander of the war, he led his troops with distinction in battle and became one of the very first officers to be awarded the Congressional Medal of Honor. In the 1870s MacArthur served in forts in the West during the Indian Wars, married Pinky Hardy, and started a family. He next commanded a division in the Philippines during the Spanish American War. MacArthur went on to become the governor general of the Philippines, the most imperial post in that blatantly imperialistic period of American history. His blunt opposition to aspects of Washington's colonial policy in the Philippines led to a series of conflicts with Taft, McKinley, and other civilian authorities. After his return to the United States in 1907, these same leaders blocked MacArthur's appointment.

as chief of staff of the army Instead an embittered MacArthur was forced to retire The MacArthur family including Douglas never forgave the powerful men who had thwarted Arthur in his greatest ambition and denied him his place in history After one of the most distinguished careers in the history of the U S Army Arthur MacArthur died in relative obscurity while delivering a speech at the fiftieth reunion of his original Civil War regiment A man whose whole life had been soldiering left instructions forbidding a military funeral and asking to be buried in civilian clothes rather than in the uniform he had worn so proudly from the age of seventeen MacArthur died too soon to witness the military exploits of his famous son But there can be no doubt that Arthur made a profound impression on Douglas who regarded the general with awe and spent much of his own life following in his father s footsteps Arthur MacArthur had spent his life striving to be a soldier s soldier in the end it can be truly said that he was the general s general
