• DESCRIPTION

Under the supervision of the Chancellor at Meen, a sprawling network of Pilon communities comprises The Quanta.

Dedicated to the uncovering of the mysteries of the universe, each Quantum investigates independently in order to contribute to the knowledge of the whole.

The Pilon are a peaceful race, and only keep fleets of highly advanced warships as defensive measures.

Efficient researchers, they are often ahead in the technological race, yet seldom seem to take advantage of their superiority. Instead, they prefer to trade for new discoveries while shielding themselves from the rest of the galaxy in order to continue investigating in peace.
