Clark University Thesis Abstracts Clark University (Worcester, Mass.), 1929 *A Thousand Blunders* Frank Leonard, 2011-11-01 During the first two decades of this century the Grand Trunk Pacific Railway played an important part in the development of the north central corridor of British Columbia The GTP which ran from Winnipeg via the Yellowhead Pass and Edmonton to Prince Rupert on the northwest coast was built to supplant the Canadian Pacific line to Vancouver The B C line was the most expensive and least remunerative of its sections and contributed ultimately to the company's collapse in 1919 In *A Thousand Blunders* Frank Leonard looks at why the Road of a Thousand Wonders failed to live up to the expectations forecast by company president Charles M Hays and other senior managers Not only was the railway built through a sparsely settled region which generated little immediate traffic but its economic difficulties were also compounded by the numerous mistakes made by managers at all levels for example their failure to respond adequately to labour shortages caused serious delays and prevented the company from proving Prince Rupert as an effective alternative harbour before World War I broke out For this book Frank Leonard had access to a wealth of original documents among them the GTP legal department files providing him with insights into the decisions that formed the basis for policies in townsites and on Indian reserves *A Thousand Blunders* is a provocative account of one of the greatest failures in Canadian entrepreneurial history Richly detailed and thoroughly documented it makes an important contribution to the fields of railway and business history

as well as to the study of the history of northern British Columbia **Mapping Worlds** Rob Kitchin, 2013-09-13 Social and cultural geography is practised by geographers from around the world However for various reasons including language and publishing traditions knowledge of the research being undertaken can often remain confined to those working within those countries This book draws together for the first time into one volume reports of social and cultural geography undertaken in several countries from around the world It provides an important overview of geographic ideas and traditions and the history of human geography more generally allowing comparison between countries and details of key studies and references As such the book will be of interest to geographers schooled in different national traditions and those interested in the production and history of geographic knowledge Entries are written in both English and the country's own national language

Resources in Education ,2001-10 **Building on a Borrowed Past** Sally J. Southwick, 2005 Annotation A highly original study that is of particular importance as communities across the United States and elsewhere explore heritage tourism as a way to boost local economies Sally J Southwick's book *Building on a Borrowed Past* Place and Identity in Pipestone Minnesota demonstrates how small town citizens and boosters contributed to the generic image of the Indian in American culture and describes the process of one culture absorbing the heritage of another for civic advantage BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Chautauqua Moment** Andrew Chamberlin Rieser, 2003 More than a college or a summer resort or a religious assembly the Chautauqua movement was a composite of all of these and for five decades after it began in 1874 Chautauqua dominated adult education and reached millions with its summer assemblies reading clubs and traveling circuits This critical study weaves the threads of Chautauqua into a single story and places it at the vital center of fin de siècle cultural and political history **Listing of Doctors' and Masters' Theses** Ohio State University, 1937 **Leaving Paradise** Jean Barman, Bruce McIntyre Watson, 2006-05-31 Native Hawaiians arrived in the Pacific Northwest as early as 1787 Some went out of curiosity many others were recruited as seamen or as workers in the fur trade By the end of the nineteenth century more than a thousand men and women had journeyed across the Pacific but the stories of these extraordinary individuals have gone largely unrecorded in Hawaiian or Western sources Through painstaking archival work in British Columbia Oregon California and Hawaii Jean Barman and Bruce Watson pieced together what is known about these sailors laborers and settlers from 1787 to 1898 the year the Hawaiian Islands were annexed to the United States In addition the authors include descriptive biographical entries on some eight hundred Native Hawaiians a remarkable and invaluable complement to their narrative history Kanakas as indigenous Hawaiians were called formed the backbone of the fur trade along with French Canadians and Scots As the trade waned and most of their countrymen returned home several hundred men with indigenous wives raised families and formed settlements throughout the Pacific Northwest Today their descendants remain proud of their distinctive heritage The resourcefulness of these pioneers in the face of harsh physical conditions and racism challenges the early
