Education ICMEs under the auspices of the International Commission on Mathematical Instruction are held every four years
Previous Congresses have been held in France Lyons England Exeter the Federal Republic of Germany Karlsruhe and the
United States of America Berkeley The Fifth International Congress on Mathematical Education ICME 5 was held in Adelaide
Australia from August 24 30 1984 More than 1800 participants from over 70 countries participated in the Congress while
some additional 200 people attended social functions and excursions The program for ICME 5 was planned and structured by
an International Program Committee and implemented by the National Program Committee in Australia For the main body of
the program Chief Organisers assisted by Australian Coordinators were invited to plan and prepare the individual
components of the program which addressed a wide range of topics and interest areas Each of these teams involved many
individuals from around the world in the detailed planning and preparation of the working sessions for their area of program
responsibility For the actual working sessions at the Congress the smallest group had some 60 members while the largest
had well over 300 In addition to the working sessions there were three major plenary addresses several specially invited
presentations and over 420 individual papers in the form of short communications either as posters or brief talks
