Piece Love And Happiness The Principles Of Love:

Lessons In Love Emily Franklin, 2008-03-04 It's Love's senior year at Hadley Hall and she's stuck sharing a dorm with the evil Lindsay Parrish who's imposing way too many rules during her reign as head monitor. On top of that, her handsome boyfriend Charlie has gone back to Harvard and her ex Jacob still insists on giving her the cold shoulder. On the bright side, Love's mom is offering her the chance to work for an indie music label in New York City. Suddenly, Love's future's looking bright again. Until that is, the newspaper publishes a photo of Charlie on the gala circuit with another girl. Obviously, it's time for some lessons in love.

Love From London Emily Franklin, 2006-03-07 After leaving boarding school to study at the London Academy of Drama and Music, Love Bukowski is learning a lot, especially about love. Too bad the guy she's falling for is off limits. But she's got plenty to take her mind off her lips, if not her lips off said British Boy. And it's not like there isn't enough going on back in the States. For starters, Love's dad has a new girlfriend, her Aunt Mable is fighting breast cancer, the guy she left behind hooked up with the biggest you-know-what on campus, and her vocal lessons keep getting harder. Maybe life is trying to tell her something, or maybe she's just distracted by all that London and love have to offer.

Summer of Love Emily Franklin, 2007 After a difficult junior year at Hadley Hall, Love looks forward to a carefree summer on Martha's Vineyard, running her late Aunt Mable's cafe with her best friend Arabella. But the clues about Love's family history that her aunt has left for her to find bring some surprising and troubling revelations. Original.

Labor of Love Emily Franklin, 2007-09-04 Just when Love meets her half sister in LA, her dad calls to burst her blissful summer bubble. Her mother, whose identity was kept a mystery her entire life, is in Martha's Vineyard. Love has to cut her trip short and book it home. Unfortunately, what she finds isn't her mother, but a whole world turned upside down. For one thing, Love's boyfriend Charlie has traded in his fishing pole for a pair of stiff khakis to please his equally stiff and overbearing parents. Meanwhile, her ex professes to still have feelings for her. Thankfully, she has her friends and Dad to rely on. But even Dad doesn't have all the answers. Only one woman can clear things up: a woman who's never known Love. Has she come back to stay? Maybe ignorance was bliss.

Balancing Acts Emily Franklin, 2007-10-02 There's one hot dish that Melissa, the resort's new chef, wants. But getting to this top-ranked skier isn't so simple. Meanwhile, Melissa's own past threatens to throw her life and her heart off course. Known for her fast skiing and lifestyle, small-town Colorado girl Harley has snagged the coveted job of hostess. What she wants is to catch the eye of world-class skier James. Can she get noticed among European A-listers? Former society girl Lily, aka a Dove, doesn't mind cleaning up after guests since it's bringing in much-needed bucks. Soon she can buy her own ticket to the island resort where her surfer crush awaits, as long as she can keep her secret. The Chalet Girls are in for one hot winter as long as they figure out how to squeeze some work into all the fun.

Off the Trails Emily Franklin, 2008-02-05 From the author of the popular series featuring Love Bukowski comes the third installment in a brand new series about three very different girls: Melissa, Harley, and Lily, who become fast friends while working at the Les Trois Alpes resort during their winter break. After a busy

holiday season they've left the icy trails for some hot beaches and sizzling surfer boys Will they ever want to go back to work
