## **Pilgrimage A Tale Of Old Natchez:**

**Pilgrimage** Louise W. Collier,1984-10      Goat Castle Karen L. Cox,2017-08-09 In 1932 the city of Natchez Mississippi reckoned with an unexpected influx of journalists and tourists as the lurid story of a local murder was splashed across headlines nationwide Two eccentrics Richard Dana and Octavia Dockery known in the press as the Wild Man and the Goat Woman enlisted an African American man named George Pearls to rob their reclusive neighbor Jennie Merrill at her estate During the attempted robbery Merrill was shot and killed The crime drew national coverage when it came to light that Dana and Dockery the alleged murderers shared their huge decaying antebellum mansion with their goats and other livestock which prompted journalists to call the estate Goat Castle Pearls was killed by an Arkansas policeman in an unrelated incident before he could face trial However as was all too typical in the Jim Crow South the white community demanded justice and an innocent black woman named Emily Burns was ultimately sent to prison for the murder of Merrill Dana and Dockery not only avoided punishment but also lived to profit from the notoriety of the murder by opening their derelict home to tourists Strange fascinating and sobering Goat Castle tells the story of this local feud killing investigation and trial showing how a true crime tale of fallen southern grandeur and murder obscured an all too familiar story of racial injustice      **Old Creole Days** George Cable,2023-03-20 These stories reflect the Creole way of life during the transitory post Civil War period

**The Outlaw Years** Robert Coates,2010-09-23 The years just before 1880 until about 1885 are considered the outlaw years when lawlessness developed a law of its own and planned an empire Operating along the Natchez Trace an overland trading and postal rider route that in places was barely a trail the outlaws preyed upon the traffic along this line Their plans were laid in the dives under the bluffs of the river towns Natchez and Vicksburg and as far south as New Orleans By far the bloodiest were the Harpes who were capable of spectacular murders solely to amuse their comrades Another gang of outlaws under John Murrell even threatened national stability for a time in his plot to steal slaves and organize insurrection in order to disorganize the government and establish his own state This conspiracy was discovered and defeated by a store clerk who joined the outlaws and lived several perilous months among them He was almost hung by Murrell s secret partisans among the respectable elements After the overthrow of the outlaw empire in 1885 the scene shifted the frontier advanced outlaw violence changed its forms but it never again reached the terrible and magnificent range of the outlaw years      **Touring**

**Literary Mississippi** Patti Carr Black,Marion Garrard Barnwell,2014-07-18 By taking the literary traveler on seven preplanned tours through the Delta along Highway 61 to the heart of Faulkner s Yoknapatawpha country to sites near Interstate 55 and the Natchez Trace to the piney woods of East and South Mississippi and along the sun struck Gulf Coast this book captures the phenomenal abundance and diversity of Mississippi literature More than a guidebook this book includes capsule biographies and well over a hundred photographs of writers their residences and their literary environments It also provides maps and gives explicit directions to writers homes and other literary sites The sheer number of writers

discovered recovered and claimed by Mississippi will astonish travelers both from within and from without the state Included are not only such major figures in the pantheon of American literature as William Faulkner Eudora Welty Tennessee Williams and Richard Wright but also the less well known Every nook and cranny of the state claims a piece of Mississippi's literary heritage Literature pervades Yazoo City Jackson Greenville Oxford Natchez the Gulf Coast and the Delta Blues country Willie Morris Richard Ford and Beverly Lowry have declared that a famous writer's presence in their hometowns convinced them that they too could be writers As the locations bring to life the connection of ordinary rituals with the stuff of fiction poetry and memoir these hands on tours make evident the special cross pollination of writer and community in Mississippi

*The Pirate Lafitte and the Battle of New Orleans* Tallant, Robert, 2010-09-23 Jean Lafitte left behind many a legend for generations to follow in the pages of Louisiana history Treasure hunters still speculate about the site of pirated loot buried under French Quarter homes or sunk in the Barataria swamps His notorious reputation was born of tales like these of the blacksmith and suspect pirate But regardless of whatever the storytellers may repeat there is one legend that does survive the test of authenticity the story of how Jean Lafitte and his men were heroes at the Battle of New Orleans against the invading British forces during the War of 1812 In *The Pirate Lafitte and the Battle of New Orleans* author Robert Tallant has given younger readers a chance to relive the excitement romance and thrill of those days when the Barataria pirates threatened river traffic and New Orleans felt the threat of siege by the British This enthralling story from the pages of history is delightfully told with an emphasis on helping children understand the political events of the time as well as the social climate of the city in the early nineteenth century The story reveals the speculative past of Lafitte and how he hid behind the facade of his blacksmith's shop in the Vieux Carré He held bitter contempt for his enemy Governor Claiborne until that famous battle in which the pirate turned hero joined Gen Andrew Jackson to protect the city from the incoming assault of British soldiers Combining tales of pirates mystery battle true events and real people this children's book is a thrilling chapter in American history Robert Tallant 1909-1957 was one of Louisiana's best known authors and participated in the WPA Writers Project during the 1930s and 1940s Besides *Mardi Gras As It Was* Tallant also wrote *Voodoo in New Orleans* and *The Voodoo Queen* With Lyle Saxon and Edward Dreyer he coauthored the famous collection *Gumbo Ya Ya* Folktales of Louisiana

**Mississippi Home-places** Elmo Howell, 1988 Explores Mississippi for the purpose of identifying and describing homes and sites related to prominent literary and historical figures with Mississippi connections

*Strange True Stories of Louisiana* George Cable, 1994-05-30 At the turn of the century people outside of New Orleans viewed the city through the eyes of journalist and author George Washington Cable His writings portrayed a tropical European city nestled on the banks of an American river still teeming with the literary artistic and social developments of a late Renaissance In his own romance with Louisiana Cable came upon many stories written by its denizens While Cable assisted some authors in finding places to publish their works there were many stories he kept for himself Much of this collection can now be found in *Strange True Stories of Louisiana*

They are mine by right of discovery writes Cable From various necessities of the case I am sometimes the story teller and sometimes in the reader s interest have to abridge but I add no fact and trim naught of value away Here are no unconfessed restorations not one In time place circumstance in every essential feature I give them as I got them strange stories that truly happened all partly some wholly in Louisiana Strange True Stories of Louisiana is Cable s compilation of seven unusual factual accounts of life and history in the area They include tales of two French sisters who made the dangerous trek to the unsettled lands of North Louisiana at the beginning of the nineteenth century Focusing on New Orleans Cable adds the story of The Haunted House in Royal Street which spurs the imaginations of ghost hunters more than a century after its original writing There is also a diary account in its first published form of a Union woman trapped behind the battle lines during the Civil War
