Foundational Issues in Christian Education Robert W. Pazmiño, 2008-09-01 For almost twenty years Foundational Issues in Christian Education has been a key text for many Christian education courses Its perceptive analysis coupled with clear writing make it a resource without peer In the book Christian education expert Robert Pazmiño guides readers through a comprehensive discussion of the interdisciplinary foundations of Christian education calling all Christian educators to reevaluate the fundamentals of their discipline A careful exploration of foundations writes Pazmiño is essential before specifying principles and guidelines for practice This updated edition includes interaction with professional developments over the past ten years and appendixes that assess the impact of postmodernism as an educational philosophy In addition each chapter includes points to ponder for personal reflection or classroom use      Conversion in the New Testament Richard Peace, 1999 A landmark work in the study of conversion With the tools of scholarship and as a seasoned practitioner Richard Peace explores the New Testament understanding of the turning points of conversion from the night of our captivities to the light of Christ into the church and out to the neighbor in need Our contemporary efforts in evangelism have much to learn from this full orb view of conversion Gabriel Fackre on back cover      Cuestiones Fundamentales de la Educación Cristiana Robert W. Pazmiño, 2002-07-31 Para evitar la cautividad cultural los fundamentos de la educación cristiana deben ser repensados por cada generación De no hacerlo dice el autor los educadores cristianos corren el riesgo de perpetuar ideas y prácticas anticuadas ajenas al evangelio Al explorar con criterio los diversos fundamentos que han predominado y predominan en el pensamiento evangélico continúa el autor los educadores pueden enfrentar mejor las necesidades de hoy y los retos del futuro En Cuestiones fundamentales de la educación cristiana el autor mismo se entrega a este proceso de evaluación crítica con importantes resultados El autor llama a los educadores evangélicos a reafirmar las verdades bíblicas que constituyen la autoridad esencial para nuestra teoría y práctica y a incorporar las verdades de otras disciplinas proceso que tiene que estar sujeto a la continua autoridad de la Palabra de Dios      **From Nomads to Pilgrims** Diana Butler Bass, J. Stewart Sicking, 2005-12-30 In The Practicing Congregation Alban 2004 Diana Butler Bass explored the phenomenon of intentional congregations an emerging style of congregational vitality in which churches creatively and intentionally re appropriate traditional Christian practices such as hospitality discernment contemplative prayer and testimony Against the steady flow of stories highlighting mainline decline The Practicing Congregation suggested that there is a new and often overlooked renaissance occurring in mainline Protestant churches The success of The Practicing Congregation made it clear that the next step was to provide examples that would illustrate the concepts laid out in that initial work In From Nomads to Pilgrims the editors continue to build this narrative gathering specific stories of congregational vitality and transformation from participants in their research at the Project on Congregations of Intentional

Practice a Lilly Endowment Inc funded study at Virginia Theological Seminary Including stories from a variety of faith traditions across the U S From Nomads to Pilgrims explores how intentional congregations develop how they negotiate the demands of interpreting traditional Christian practices in a postmodern culture how these practices lead to congregational and personal transformation Each chapter is an instructive case study illustrating a unique expression of the vitality experienced by a congregation that intentionally reclaims a traditional Christian practice The pastors who have been involved in these congregations stories share their practical wisdom gained through the experience of leading these churches how intentional congregations develop how they negotiate the demands of interpreting traditional Christian practices in a postmodern culture how these practices lead to congregational and personal transformation **The Abc's of Christian**

**Growth** Dr. Gloria J. Lewis,2012-01-19 After the New Birth comes growth If there is no growth there is no life To be in Christ means to be saved converted regenerated sanctified and continually growing in grace and knowledge Christian growth is learning what God wants through his Word doing what God wants and living our lives through his love The evidence of growth in grace and knowledge can be found in 1 an increase in love 2 an increase in faith 3 an increase in respect for God s Word and 4 an increase of the fruit of the Spirit God wants us to grow in the grace and knowledge of our Lord and Savior But how can we who are in Christ grow in a suitable and wholesome manner In the ABC s of Christian Growth you will find guidelines for growth in the Christian s life We will explore from A to Z some basic principles to embrace in the day to day walk with the Lord When these ideologies are applied to the life of the believer growth is inevitable **Life as Pilgrimage**

David Moffett-Moore,2013-05-29 How deep are the roots of pilgrimage in Christianity Can we find new meaning and balance in modern life by following the path of pilgrims of ancient times In true Celtic fashion Rev Dr David Moffett Moore views life as a celebration to be shared and a pilgrimage to be explored tracing his roots to the O Mordha clan of ancient Ireland and the McQueen s and MacLean s of the Scottish highlands In Life as Pilgrimage Dr Moffett Moore offers us the image of pilgrimage as a basis for spiritual health Using the Peregrine falcon as an archetype for pilgrimage this volume explores the roots of our ancient past to discover meaning for our modern lives Celtic pilgrimage is about the journey rather than the destination life is a pilgrimage from the place of our birthing to the place of our rising This book will be an invaluable aid in finding your way in a new and more powerful spiritual journey The second edition is expanded and revised *The Workbook*

*on the Christian Walk* Maxie D. Dunnam,Maxie Dunnam,1992 A seven week Lenten study this resource includes daily readings and exercises for individual study and meditation in preparation for weekly group study and detailed instructions for the group leaders Topics include Look Carefully How You Walk Walk in Christ Walk in the Newness of Life Saying Yes to Forgiveness and Singing in the Rain Perspectives on Prayer and Spirituality Maurice Elliott,Patrick

McGlinchey,2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming

redundancy of what has come before Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of Perspectives on Prayer and Spirituality is that the spiritual quest is a valid one and worth exploring There is treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title Perspectives on Prayer and Spirituality alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known **The Workbook on the Beatitudes** Maxie Dunnam, Kimberly Dunnam
