Queens And Queenship In Medieval Europe:

Queens and Queenship in Medieval Europe Anne Duggan, 2002 The image status and function of queens and empresses regnant and consort in kingdoms stretching from England to Jerusalem in the European middle ages Did queens exercise real or counterfeit power Did the promotion of the cult of the Virgin enhance or restrict their sphere of action Is it time to revise the early feminist view of women as victims Important papers on Emma of England Margaret of Scotland coronation and burial ritual Byzantine empresses and Scandinavian queens among others clearly indicate that a reassessment of the role of women in the world of medieval dynastic politics is under way Contributors JANOS BAK GEORGE CONKLIN PAUL CROSSLEY VOLKER HONEMANN STEINAR IMSEN LIZ JAMES KURT ULRICH JASCHKE SARAH LAMBERT JANET L NELSON JOHN C PARSONS KAREN PRATT DION SMYTHE PAULINE STAFFORD MARY STROLL VALERIE WALL ELIZABETH WARD DIANA WEBB *Queenship in Medieval Europe* Theresa Earenfight, 2013-06-21

Medieval queens led richly complex lives and were highly visible women active in a man's world Linked to kings by marriage family and property queens were vital to the institution of monarchy In this comprehensive and accessible introduction to the study of queenship Theresa Earenfight documents the lives and works of queens and empresses across Europe Byzantium and the Mediterranean in the Middle Ages The book Introduces pivotal research and sources in queenship studies and includes exciting and innovative new archival research Highlights four crucial moments across the full span of the Middle Ages ca 300 700 1100 and 1350 when Christianity education lineage and marriage law fundamentally altered the practice of queenship Examines theories and practices of queenship in the context of wider issues of gender authority and power This is an invaluable and illuminating text for students scholars and other readers interested in the role of royal women in medieval society *Queens and Queenship in Medieval Europe* Anne Duggan, 2002

Queenship in Medieval Europe Theresa Earenfight, 2017-09-16 Medieval queens led richly complex lives and were highly visible women active in a man's world Linked to kings by marriage family and property queens were vital to the institution of monarchy In this comprehensive and accessible introduction to the study of queenship Theresa Earenfight documents the lives and works of queens and empresses across Europe Byzantium and the Mediterranean in the Middle Ages The book Introduces pivotal research and sources in queenship studies and includes exciting and innovative new archival research Highlights four crucial moments across the full span of the Middle Ages ca 300 700 1100 and 1350 when Christianity education lineage and marriage law fundamentally altered the practice of queenship Examines theories and practices of queenship in the context of wider issues of gender authority and power This is an invaluable and illuminating text for students scholars and other readers interested in the role of royal women in medieval society **Queenship, Gender, and Reputation in the Medieval and Early**

Modern West, 1060-1600 Zita Eva Rohr, Lisa Benz, 2016-10-08 This edited collection opens new ways to look at queenship in areas and countries not usually studied and reflects the increasingly interdisciplinary work and geographic range of the

field This book is a forerunner in queenship and re-invents the reputations of the women and some of the men The contributors answer questions about the nature of queenship reputation of queens and gender roles in the medieval and early modern west The essays question the viability of propaganda gossip and rumor that still characterizes some queens in modern histories The wide geographic range covered by the contributors moves queenship studies beyond France and England to understudied places such as Sweden and Hungary Even the essays on more familiar countries explore areas not usually studied such as the role of Edward II's stepmother Margaret of France in Gaveston's downfall The chapters clearly have a common thread and the editors' summary and description of the collection is valuable in assisting the reader The collection is divided into two sections Biography Gossip and History and Politics Ambition and Scandal The editors and contributors including Zita Eva Rohr and Elena Woodacre are scholars at the top of their field and several engage and debate with recent scholarship This collection will appeal internationally to literary scholars and gender studies scholars as well as historians interested in the countries included in the collection Three Medieval Queens Lisa Benz St.

John, 2012-06-04 This book is an innovative study offering the first examination of how three fourteenth-century English queens Margaret of France Isabella of France and Philippa of Hainault exercised power and authority It frames its analysis around four major themes gender status the concept of the crown and power and authority **Routledge Revivals:**

Women and Gender in Medieval Europe (2006) Margaret Schaus, 2017-07-12 First published in 2006 *Women and Gender in Medieval Europe* examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE This reference work provides a comprehensive understanding of many aspects of medieval women and gender such as art economics law literature sexuality politics philosophy and religion as well as the daily lives of ordinary women Masculinity in the middle ages is also addressed to provide important context for understanding women's roles Additional up-to-date bibliographies have been included for the 2016 reprint Written by renowned international scholars and easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be a valuable resource on women in Medieval Europe *A Cultural History of Women in the Middle Ages* Kim M. Phillips, 2015-04-02 The medieval era has been described as the Age of Chivalry and the Age of Faith but also as the Dark Ages Medieval women have often been viewed as subject to a punishing misogyny which limited their legal rights and economic activities but some scholars have claimed they enjoyed a rough and ready equality with men The contrasting figures of Eve and the Virgin Mary loom over historians' interpretations of the period 1000-1500 Yet a wealth of recent historiography goes behind these conventional motifs showing how medieval women's lives were shaped by status age life stage geography and religion as well as by gender *A Cultural History of Women in the Middle Ages* presents essays on medieval women's life cycle bodies and sexuality religion and popular beliefs medicine and disease public and private realms education and work power and artistic representation to illustrate the diversity of medieval women's lives and constructions of femininity Women and Gender in Medieval Europe

Margaret Schaus, 2006 Publisher description Medieval Queenship John Carmi Parsons, 1994 **Women in Medieval Europe** Jennifer Ward, 2014-06-11 Women in Medieval Europe were expected to be submissive but such a broad picture ignores great areas of female experience Between the thirteenth and fifteenth centuries women are found in the workplace as well as the home and some women were numbered among the key rulers saints and mystics of the medieval world Opportunities and activities changed over time and by 1500 the world of work was becoming increasingly restricted for women Women of all social groups were primarily engaged with their families looking after husband and children and running the household Patterns of work varied geographically In the northern towns women engaged in a wide range of crafts with a small number becoming entrepreneurs Many of the poor made a living as servants and labourers Prostitution flourished in many medieval towns Some women turned to the religious life and here opportunities burgeoned in the thirteenth century The Middle Ages are not remote from the twenty first century the lives of medieval women evoke a response today The medieval mother faced similar problems to her modern counterpart The sheer variety of women's experience in the later Middle Ages is fully brought out in this book **The Oxford Handbook of Women and Gender in Medieval Europe** Judith M. Bennett, Ruth Mazo Karras, 2013-08-22 The Oxford Handbook of Women and Gender in Medieval Europe provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E The essays collected in this volume speak to interpretative challenges common to all fields of women's and gender history that is how best to uncover the experiences of ordinary people from archives formed mainly by and about elite males and how to combine social histories of lived experiences with cultural histories of gendered discourses and identities The collection focuses on Western Europe in the Middle Ages but offers some consideration of medieval Islam and Byzantium The Handbook is structured into seven sections Christian Jewish and Muslim thought law in theory and practice domestic life and material culture labour land and economy bodies and sexualities gender and holiness and the interplay of continuity and change throughout the medieval period It contains material from some of the foremost scholars in this field and it not only serves as the major reference text in medieval and gender studies but also provides an agenda for future new research

Material Culture and Queenship in 14th-century France Marguerite Keane, 2016-05-18 In *Material Culture and Queenship in 14th century France* The Testament of Blanche of Navarre 1331-1398 Marguerite Keane considers the object collection of the long lived fourteenth century French queen Blanche of Navarre the wife of Philip VI d 1350 This queen's ownership of works of art books jewelry reliquaries and textiles among others and her perceptions of these objects is well documented because she wrote detailed testaments in 1396 and 1398 in which she described her possessions and who she wished to receive them Keane connects the patronage of Blanche of Navarre to her interest in her status and reputation as a dowager queen as well as bringing to life the material adornment and devotional interests of a medieval queen and her household *Women and Wealth in Late Medieval Europe* T. Earenfight, 2010-03-15 The twelve essays in *Women and*

Wealth in Late Medieval Europe re examine the vexing issue of women money wealth and power from distinctive perspectives literature history architectural history using new archival sources The contributors examine how money and changing attitudes toward wealth affected power relations between women and men of all ranks especially the patriarchal social forces that constrained the range of women s economic choices Employing theories on gender culture and power this volume reveals wealth as both the motive force in gender relations and a precise indicator of other more subtle forms of power and influence mediated by gender

Three Medieval Queens Lisa Benz St. John, 2012-05-17 This book is an innovative study offering the first examination of how three fourteenth century English queens Margaret of France Isabella of France and Philippa of Hainault exercised power and authority It frames its analysis around four major themes gender status the concept of the crown and power and authority

Women in Medieval Europe 1200-1500 Jennifer Ward, 2016-04-14 *Women in Medieval Europe* explores the key areas of female experience in the later medieval period from peasant women to Queens It considers the women of the later Middle Ages in the context of their social relationships during a time of changing opportunities and activities so that by 1500 the world of work was becoming increasingly restricted to women The chapters are arranged thematically to show the varied roles and lives of women in and out of the home covering topics such as marriage religion family and work For the second edition a new chapter draws together recent work on Jewish and Muslim women as well as those from other ethnic groups showing the wide ranging experiences of women from different backgrounds Particular attention is paid to women at work in the towns and specifically urban topics such as trade crafts healthcare and prostitution The latest research on women gender and masculinity has also been incorporated along with updated further reading recommendations This fully revised new edition is a comprehensive yet accessible introduction to the topic perfect for all those studying women in Europe in the later Middle Ages

Women In Dark Age And Early Medieval Europe c.500-1200 Helen Jewell, 2006-10-04 The period 1200 1550 opened in a time of population expansion but went on to suffer the demographically cataclysmic effects of the plague beginning with the Black Death of 1347 51 The period dawned with a confident papacy and the Albigensian crusade against heretics and ended with the Catholic church torn apart by the Protestant Reformation Huge challenges were affecting society in various ways but they did not always affect men and women in the same ways Helen M Jewell provides a lively survey of western European women s activities and experiences during this timeframe The core chapters investigate The function of women in the countryside and towns The role of women in the ruling and landholding classes Women within the context of religion This practical centre of the book is embedded in an analysis of the gender theories inherited from the earlier Middle Ages which continued to underpin laws which restricted women s activity an education system which offered them inferior institutional provision and a church which denied them ministry Three individuals who vastly exceeded these expectations crashing through the glass ceilings of their day are brought together in a fascinating final chapter Combining a historiographical survey of trends over the last thirty

years with more recent scholarship this is as indispensable introduction for anyone with an interest in women's history from the late Medieval period through to the Reformation

Queens, Queenship, and Natural Resource Management in Premodern Europe, 1400-1800 Susan Broomhall, Clare Davidson, 2025-04-14 This innovative collection examines how European queens participated in the conceptualisation mobilisation and transformation of natural resources from the fifteenth to the end of the eighteenth century Early modern queens interacted with human and nonhuman worlds through natural resource management activities that have rarely been the focus of sustained historical analysis This volume engages with the wide range of nonhuman materials living and inanimate that premodern queens had the power to direct and dispose of to utilise enjoy and commercialise to visualise and commemorate and even to destroy on and in their lands forests waterways and oceans Both queenship and natural resource management were configured by contemporary gender ideologies which structured a dynamic relationship between queenship and the more than human world The case studies in this collection explore how queens natural resource management was impacted by their cultural and personal contexts particularly their changing status as queens regnant consort dowager or regent The contributors draw on diverse materials and employ a variety of historical approaches including political economic cultural literary legal and animal studies to demonstrate how queens interacted with the nonhuman world and how their engagements were embedded in premodern gender rules This collection will be of great value for undergraduate and postgraduate students and scholars in gender and women's history environmental history queenship studies and early modern studies

Women's Roles in the Middle Ages Sandy Bardsley, 2007-06-30 Information about women in this truly fascinating period from 500 to 1500 is in great demand and has been a challenge for historians to uncover Bardsley has mined a wide range of primary sources from noblewomen's writing court rolls chivalric literature laws and legal documents to archeology and artwork This fresh survey provides readers with an excellent understanding of how women high and low fared in terms of religion work family law culture and politics and public life Even though medieval women were divided by social class religion age marital status place and period they were all subject to an overarching patriarchal structure and sometimes could transcend their inferior status Numerous examples of these exceptional women and their words are included Chapter 1 examines religion focusing on women's roles in the early Christian church the lives of nuns and other professional religious women such as anchoresses and Beguines the participation of Christian laywomen and the experiences of Jewish and Islamic women in Western Europe The second chapter examines women's work looking in turn at the kinds of work performed by peasant women townswomen and noblewomen Women's roles within the family form the subject of the third chapter This chapter follows women throughout the typical lifecycle from girl to widow examining the expectations and experiences of women at each stage Chapter 4 Women and the Law focuses on the ways in which laws both restricted and protected women It also considers the crimes with which women were most often charged and surveys laws regarding marriage and widowhood Women's roles in creative arts form the basis

of the fifth chapter Women and Culture This chapter examines women s roles as artists authors composers and patrons as well as investigating the ways in which women were represented in works produced by men Finally chapter 6 discusses women s experiences in politics and public life While women as a group were typically banned from holding positions of public authority some found ways to get around this stricture while others were able to exercise power behind the scenes The final chapter thus encapsulates a major theme of this book the interplay between broader patriarchal forces that limited women s status and autonomy and the role of individuals who were able to overcome or circumvent such forces Medieval women were as a group subordinate to their husbands and fathers but certain women under certain circumstances evaded subordination

Queenship in Medieval France, 1300-1500 Murielle Gaude-Ferragu, 2016-08-31 This book examines the power held by the French medieval queens during the fourteenth and fifteenth centuries and their larger roles within the kingdom at a time when women were excluded from succession to the throne Well before Catherine and Marie de Medici the last medieval French queens played an essential role in the monarchy not only because they bore the weight of their dynasty s destiny but also because they embodied royal majesty alongside their husbands Since women were excluded from the French crown in 1316 they were only deemed as queen consorts Far from being confined solely to the private sphere however these queens participated in the communication of power and contributed to the proper functioning of court society From Isabeau of Bavaria and her political influence during her husband s intermittent absences to Anne of Brittany s reign this book sheds light on the meaning and complexity of the office of queen and ultimately the female history of power

As recognized, adventure as with ease as experience about lesson, amusement, as well as settlement can be gotten by just checking out a books **Queens And Queenship In Medieval Europe** afterward it is not directly done, you could say you will even more something like this life, in this area the world.

Queens And Queenship In Medieval Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Queens And Queenship In Medieval Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Queens And Queenship In Medieval Europe has opened up a world of possibilities. Downloading Queens And Queenship In Medieval Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Queens And Queenship In Medieval Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Queens And Queenship In Medieval Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Queens And Queenship In Medieval Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Queens And Queenship In Medieval Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Queens And Queenship In Medieval Europe has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Queens And Queenship In Medieval Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Queens And Queenship In Medieval Europe is one of the best book in our library for free trial. We provide copy of Queens And Queenship In Medieval Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Queens And Queenship In Medieval Europe. Where to download Queens And Queenship In Medieval Europe online for free? Are you looking for Queens And Queenship In Medieval Europe PDF? This is definitely going to save you time and cash in something you should think about.
