Queeries Questions Lesbians And Gays Have For God:

Queeries Michael S. Piazza,2003 **Dignity, Dogmatism, and Same-Sex Relationships** Gilbert Rossing,2009-01-01

In response to the current culture wars over same sex marriage hate crime legislation and the legalization of gay rights **Dignity Dogmatism and Same Sex Relationships** provides a thorough argument for an ethics of intimacy in same sex relations based equally on science and the Bible After a rigorous interrogation of modern definitions of sexual identity and the usage of biblical passages in support of cultural biases the book redefines the notion of intimacy to include the physical emotional mental social and spiritual dimensions that compose human relationships It thus approaches homosexuality from a whole person perspective and attempts to create understanding rather than foment divisiveness This more comprehensive definition of intimacy allows for a compassionate reading of Scripture in ongoing conversations about the nature of homosexuality and the full inclusion of gay lesbian bi sexual and transgender persons in society It also encourages religious communities to do for same sex couples what they already do for heterosexual couples provide the information counsel and encouragement necessary to foster healthy sexual practices meaningful interpersonal relationships and a cohesive sense of community **Coming Out, Coming in** Linda Goldman,2008

Coming Out, Coming In describes the process of coming in to a welcoming and nurturing family Linda Goldman draws on her personal and professional experience to build a common language and a new paradigm for understanding sexual orientation and gender identity as a part of mainstream culture

future of inclusion and social justice deeply rooted in the Jewish textual tradition A labor of intellectual rigor social justice and personal passions Torah Queeries is an exciting and important contribution to the project of democratizing Jewish communities and an essential guide to understanding the intersection of queerness and Jewishness **God vs. Gay?** Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible's teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one Namibia's Rainbow Project Robert Lorway, 2014-11-28 What are the consequences when international actors step in to protect LGBT people from discrimination with programs that treat their sexualities in isolation from the facts on the ground Robert Lorway tells the story of the unexpected effects of The Rainbow Project TRP a LGBT rights program for young Namibians begun in response to President Nujoma's notorious hate speeches against homosexuals Lorway highlights the unintended consequences of this program many of which ran counter to the goals of local and international policy makers and organizers He shows how TRP inadvertently diminished civil opportunities at the same time as it sought to empower youth to claim their place in Namibian culture and society Tracking the fortunes of TRP over several years Namibia's Rainbow Project poses questions about its effectiveness in the faces of class distinction and growing inequality It also speaks to ongoing problems for Western sexual minority rights programs in Africa in the midst of political violence heated debates over anti discrimination laws and government sanctioned anti homosexual rhetoric *Queer Religion* Donald Boisvert, Jay E. Johnson, 2011-12-13 This ground breaking and eye opening book examines the intersections of religion and same sex desire from St Augustine to Hinduism to contemporary LGBT and queer culture Queer Religion provides a systematic and detailed overview of the challenges and issues that the intersections of religion same sex desire and gender variance have generated both now and in the past It focuses upon the development of these areas of overlap through three distinct historical periods modern religious history LGBT liberation movements and the emergence of queer theory and analysis This two volume collection of eclectic essays investigates the experiences of queer people and religion providing a broad unique and invaluable analysis of this important

Union of American Hebrew Congregations the umbrella organization of the Reform congregations in the United States Previously the potential acceptance of a congregation by and for homosexual Jews triggered an intense and broad debate within Reform Judaism The work asks how it was possible to successfully establish a gay lesbian synagogue at a time when homosexual acts were considered unnatural and contrary to tradition by almost the entire Jewish community The starting point of the argumentation is in addition to general changes in American synagogues after World War II the assumption that Los Angeles was the most suitable place for this foundation Los Angeles has an impressive queer history and the Jewish community was more open tolerant and innovative here than its counterpart on the East Coast The Metropolitan Community Church was also founded in the city and as the largest religious institution for homosexual Christians it also served as the birthplace of queer synagogues Reform Judaism was chosen as the place of institutional integration of the community because a relative openness for such an endeavor was only seen here Responsa written in response to a potential admission of Beth Chayim Chadashim can be used to understand the arguments and positions of rabbis and psychologists regarding homosexuality and communities for homosexual Jews in the early 1970s Ultimately the commitment and dedication of the congregation and its heterosexual supporters convinced the decision makers in Reform Judaism The decisive impulse to question the situation of homosexual Jews in Judaism came from Los Angeles With its analysis the publication contributes to the understanding of Queer Jewish History in general and queer synagogues in particular 2007 Writer's Market Robert Brewer,2006-08-01 Brings you current information on the fast changing publishing industry to help you write to the right editors at the right addresses Pray the Gay Away Bernadette Barton,2014-08-22 2013 Finalist for the Lambda Literary Awards LGBT Studies category Barton argues that conventional Southern manners and religious institutions provide a foundation for homophobia in the Bible Belt In the Bible Belt it s common to see bumper stickers that claim One Man One Woman Marriage church billboards that command one to Get right with Jesus letters to the editor comparing gay marriage to marrying one s dog and nightly news about homophobic attacks from the Family Foundation While some areas of the United States have made tremendous progress in securing rights for gay people Bible Belt states lag behind Not only do most Bible Belt gays lack domestic partner benefits lesbians and gay men can still be fired from some places of employment in many regions of the Bible Belt for being a homosexual In Pray the Gay Away Bernadette Barton argues that conventions of small town life rules which govern Southern manners and the power wielded by Christian institutions serve as a foundation for both passive and active homophobia in the Bible Belt She explores how conservative Christian ideology reproduces homophobic attitudes and shares how Bible Belt gays negotiate these attitudes in their daily lives Drawing on the remarkable stories of Bible Belt gays Barton brings to the fore their thoughts experiences and hard won insights to explore the front lines of our national culture war over marriage family hate crimes and equal rights Pray the Gay Away illuminates their lives as both foot soldiers and casualties in the battle for gay rights *Religion and American Cultures* Gary Laderman,Luis

Can You Be Gay and Christian? Michael L. Brown,2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God s power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family

Homosexuality in Islam Scott Siraj Al-Haq Kugle,2010-01-01 Homosexuality is anathema to Islam or so the majority of both believers and non believers suppose Throughout the Muslim world it is met with hostility where state punishments range from hefty fines to the death penalty Likewise numerous scholars and commentators maintain that the Qur an and Hadith rule unambiguously against same sex relations This pioneering study argues that there is far more nuance to the matter than most believe In its narrative of Lot the Qur an could be interpreted as condemning lust rather homosexuality While some Hadith are fiercely critical of homosexuality some are far more equivocal This is the first book length treatment to offer a detailed analysis of how Islamic scripture jurisprudence and Hadith can not only accommodate a sexually sensitive Islam but actively endorse it
