## **Queerly Classed:**

Queerly Classed Susan Raffo, 1997 This collection of thoughtful courageous and honest essays explores the intersections of class background social status and queerness challenging the often narrow and rigid definition of gay and lesbian community Queerly Classed highlights the voices of those whose experiences of class combined with race ethnicity gender ability and age to explode stereotypes of queers aspiring to assimilate into the mainstream of the American middle class

*Classified* Karen Pittelman, Resource Generation, 2005-12-23 Use your advantage to fight for social change with this resource guide for people with class privilege who are tired of cover ups and ready to figure out how to use privilege for the good of the world The fight for economic justice can draw stark battle lines with the fight portrayed simplistically as Us versus Them with the rich in the role of Them So where does that leave young people with wealth who believe in social change Afraid of being branded the enemy yet deeply committed to social justice they're left in a confusing no man's land This conflict can lead most young people with wealth to keep their privilege hidden making it impossible for them to bring their resources access and connections to the struggle for social change Coauthored by Karen Pittelman who dissolved her 3 million trust fund to cofound a foundation for low income women activists Classified is a resource guide for people with class privilege who are tired of cover ups and ready to figure out how their privilege really works Complete with comics exercises and personal stories this book gives readers the tools they need to put their privilege to work for social change

**Working-Class Lesbian Life** Yvette Taylor, 2007-07-13 This is an original study of women self identified as working class and lesbian showing the significance of class and sexuality in their biographies everyday lives and identities It provides insight a critique of queer theory and an empirical interrogation of the embodied spatial and material intersection of class and sexuality

Mothering Rhetorics Lynn O'Brien Hallstein, 2020-03-03 Once only a topic among women in the private sphere motherhood and mothering have become important intellectual topics across academic disciplines Even so no book has yet devoted a sustained look at how exploring mothering rhetorics the rhetorics of reproduction rhetorics about the reproductive function of women mothers and reproducing rhetorics the rhetorical reproduction of ideological systems and logics of contemporary culture expand our understanding of mothering motherhood communication and gender Mothering Rhetorics begins to fill this gap for scholars and teachers interested in the study of mothering rhetorics in their historical and contemporary permutations The contributions explore the racialized rhetorical contexts of maternity how fixing food is thought to fix families while also regulating maternal activities and identity how Black female breastfeeding activists resisted the exploitation of African American mothers in Detroit how women in pink collar occupations both adhere to and challenge maternity leave discourses by rhetorically positioning their leaves as time off and disability identifying verbal and nonverbal shaming practices related to unwed motherhood during the mid twentieth century and redefining alternative postpartum placenta practices This book was originally published as a special issue of Women's Studies in Communication

While extensive biographical entries give readers a sense of the lives of prominent lesbian gay bisexual transgender and queer Americans the many topical entries provide full coverage of the challenges and contributions for which these people are known The encyclopedia supports the social studies curriculum by helping students learn about cultural diversity and it supports the literature curriculum by helping students learn about LGBTQ writers and their works **Women without**

**Class** Julie Bettie, 2014-09-18 In this ethnographic examination of Mexican American and white girls coming of age in California's Central Valley Julie Bettie turns class theory on its head asking what cultural gestures are involved in the performance of class and how class subjectivity is constructed in relationship to color ethnicity gender and sexuality A new introduction contextualizes the book for the contemporary moment and situates it within current directions in cultural theory Investigating the cultural politics of how inequalities are both reproduced and challenged Bettie examines the discursive formations that provide a context for the complex identity performances of contemporary girls The book's title refers at once to young working class women who have little cultural capital to enable class mobility to the fact that analyses of class too often remain insufficiently transformed by feminist ethnic and queer studies and to the failure of some feminist theory itself to theorize women as class subjects Women without Class makes a case for analytical and political attention to class but not at the expense of attention to other social formations **Global Justice and Desire** Nikita Dhawan, Antke Engel, Christoph H.E. Holzhey, Volker Woltersdorff, 2015-05-15

Employing feminist queer and postcolonial perspectives Global Justice and Desire addresses economy as a key ingredient in the dynamic interplay between modes of subjectivity signification and governance Bringing together a range of international contributors the book proposes that both analyzing justice through the lens of desire and considering desire through the lens of justice are vital for exploring economic processes A variety of approaches for capturing the complex and dynamic interplay of justice and desire in socioeconomic processes are taken up But acknowledging a complexity of forces and relations of power domination and violence sometimes cohering and sometimes contradictory it is the relationship between hierarchical gender arrangements relations of exploitation and their colonial histories that is stressed Therefore queer feminist and postcolonial perspectives intersect as Global Justice and Desire explores their capacity to contribute to more just and more desirable economies **The Limits to Union** Jonathan

Goldberg-Hiller, 2023-06-20 Revised and updated to include the most current information on same sex marriage The Limits to Union documents a legal struggle at its moment of greatest historical importance The Limits to Union is a superb book about the complexities of recent political struggles over same sex marriage Goldberg Hiller offers a sophisticated account of egalitarian rights advocacy and the reaction it has generated from established majorities animated by a new common sense of exclusionary sovereign authority The author's analysis is multidimensional and nuanced but the core argument is bold important and well supported I recommend it very highly to everyone interested in understanding the character possibilities and constraints of civil rights amid our contemporary culture wars Michael McCann author of Rights at Work Pay Equity

Reform and the Politics of Legal Mobilization In this excellent book Goldberg Hiller uses Hawaii's experience to examine the interaction between courts and the political system Relying on briefs legislative statements and interviews with activists from both sides of the question he views this familiar debate through the unfamiliar prism of gay marriage which allows him to gauge the viability and the pliability of the American civil rights ideal and how gay and lesbian issues fit or don't fit within that ideal William Heinzen New York Law Journal Goldberg Hiller presents the history of the same sex marriage question since it first sparked debate in Hawaii He follows the shifting debate through court cases state propositions and state and federal legislatures considering questions about the constitutionality of the Defense of Marriage Act and the concept of equal protection under the law for gays and lesbians This detailed treatment of the legal issues surrounding same sex marriages is highly recommended R L Abbott University of Evansville A valuable contribution to the field situating the gay marriage debate in broader contexts of theory law and practice Same sex marriage is an important issue that finds itself caught in the friction points of much larger debates over the nature of rights the limits of sovereignty and the proper role of courts and law in a democratic society The Limits to Union should therefore be of interest even to those who do not think of themselves as interested in gay and lesbian rights issues Evan Gerstmann Loyola Marymount University Law and Politics Book Review

*Telling Our Lives* Frida Kerner Furman, Linda Williamson Nelson, Elizabeth A. Kelly, 2005-06-09 *Telling Our Lives* explores how three working class women from Jewish African American and Irish American backgrounds connect across their differences through storytelling and conversation Three distinct voices intertwine in this book as the authors now college professors discuss family legacies of diaspora and dislocation analyzing how these have shaped their personal and professional lives Social class ethnicity gender sexuality and spirituality intersect and diverge in these pages as the authors reflect on how they have been enriched and transformed by the relationships forged in the process of storytelling Queer Theory and Social Change Max H. Kirsch, 2013-04-15 *Queer Theory and Social Change* argues that there is a crisis within Queer theory over whether or not its theories can actually deliver change Max Kirsch presents a challenging alternative to the current fascination with post modern analyses of identity culture and difference It emphasizes the need for a discussion of the importance of communities and the role of globalization on queer movements **The Poverty of Life-Affirming Work** Mechthild Hart, 2001-12-30 While society may applaud middle and upper class women who decide to stay home to raise their children there exists a decided abhorrence for single mothers welfare queens who collect public funds but do not work Here Hart challenges traditional notions of welfare mothers by providing first hand accounts of poor urban mothers and revealing the life affirming and moral aspects of their motherwork a form of subsistence work involving many tasks that incorporate the physical psychological emotional and spiritual dimensions of life Though the mothering work these women do is vilified in public discourse as unnecessary and unwanted the author contends that the ethical and epistemological dimensions of life affirming work a key component of motherwork not only structure social political activism but also

educational efforts that are oriented towards radical change Concrete experiences of motherwork policy analyses regarding welfare reform efforts oriented towards educational and epistemological border crossings and collective struggles for social change are examined here in a larger theoretical political economic framework Pulling together the many strands of different theoretical fields addressing issues related to critical transformative pedagogy community activism and forms of unpaid work this unique work calls for the unlearning of ways of thinking and feeling which uphold prejudices and life threatening social political hierarchies While the public may sneer at women who choose to accept welfare in order to stay home to raise their children these mothers must continue to perform this invisible work in order that their children may break the cycle of poverty in which they are entrenched The author examines ways in which these mothers organize and carry out educational efforts and political work in the context of extreme poverty and against the harsh criticisms of an unforgiving public Ultimately Hart hopes to convince the public of the inherent importance of motherwork and break down the prejudices that have worked against the urban poor and single mothers

**Multiculturalism and Diversity** Bernice Lott,2015-11-04

**My Desire for History** Allan

Bérubé,2011-06-01 This anthology pays tribute to Allan Berube 1946 2007 a self taught historian and MacArthur Fellow who was a pioneer in the study of lesbian and gay history in the United States Best known for his Lambda Literary Award winning book Coming Out Under Fire The History of Gay Men and Women in World War II 1990 Berube also wrote extensively on the history of sexual politics in San Francisco and on the relationship between sexuality class and race John D Emilio and Estelle Freedman who were close colleagues and friends of Berube have selected sixteen of his most important essays including hard to access articles and unpublished writing The book provides a retrospective on Berube s life and work while it documents the emergence of a grassroots lesbian and gay community history movement in the 1970s and 1980s Taken together the essays attest to the power of history to mobilize individuals and communities to create social change

**The Making and Unmaking of Whiteness** Birgit Brander Rasmussen,Eric Klinenberg,Irene J. Nexica,Matt Wray,2001-09-07 Bringing together new articles and essays from the controversial Berkeley conference of the same name The Making and Unmaking of Whiteness presents a fascinating range of inquiry into the nature of whiteness Representing academics independent scholars community organizers and antiracist activists the contributors are all leaders in the second wave of whiteness studies who

collectively aim to combat the historical legacies of white supremacy and to inform those who seek to understand the changing nature of white identity both in the United States and abroad With essays devoted to theories of racial domination comparative global racisms and transnational white identity the geographical reach of the volume is significant and broad Dalton Conley writes on How I Learned to Be White Allan B rub discusses the intersection of gay identity and whiteness and Mab Segrest describes the spiritual price white people pay for living in a system of white supremacy Other pieces examine the utility of whiteness as a critical term for social analysis and contextualize different attempts at antiracist activism In a razor sharp introduction the editors not only raise provocative questions about the intellectual social and political goals of those interested in the study of whiteness but assess several of the topic s major recurrent themes the visibility of whiteness or the lack thereof the emptiness of whiteness as a category of identification and conceptions of whiteness as a structural privilege a harbinger of violence or an institutionalization of European imperialism Contributors William Aal Allan B rub Birgit Brander Rasmussen Dalton Conley Troy Duster Ruth Frankenberg John Hartigan Jr Eric Klinenberg Eric Lott Irene J Nexica Michael Omi Jasbir Kaur Puar Mab Segrest Vron Ware Howard Winant Matt Wray

**Queerness as Being in Higher Education** Antonio Duran,Ryan A. Miller,T.J. Jourian,Jesus Cisneros,2022-11-18 Drawing on autotheoretical methods this insightful volume explores how LGBTQ scholars practitioners and scholar practitioners exist within and negotiate an insider outsider paradox within higher education highlighting issues of affect legibility and embodiment The first of a two volume series this book foregrounds the experiences of LGBTQ higher education scholars and practitioners in the United States as they navigate cisheteronormative culture structures practices and policies on campus Through theorization of contributors lived experiences in relation to identity and the concept of queerness as being the volume posits queer identity as embodied resistance and demonstrates how this plays out within an insider outsider paradox An innovative theoretical framing this text artfully exemplifies how queer and trans people exist simultaneously as both insider and outsider in university communities and deepens understanding of how critical narratives might inform institutional transformation and drives toward equity The book then looks to the future discussing implications for research and practice using the lessons learned from the chapter authors Embellished with a plethora of diverse firsthand contributions and innovative scholarship this book will be of interest to students and scholars of queer and trans studies student affairs gender and sexuality studies and higher education as well as those seeking to understand the experiences of LGBTQ higher education scholars and practitioners as they navigate central tensions in their practice

**Love and Money** Lisa Henderson,2013-01-01 Love and Money argues that we can t understand contemporary queer cultures without looking through the lens of social class Resisting old divisions between culture and economy identity and privilege left and queer recognition and redistribution Love and Money offers supple approaches to capturing class experience and class form in and around queerness Contrary to familiar dismissals not every queer television or movie character is like Will Truman on Will and Grace rich white healthy

professional detached from politics community and sex Through ethnographic encounters with readers and cultural producers and such texts as Boys Don't Cry Brokeback Mountain By Hook or By Crook and wedding announcements in the New York Times Love and Money sees both queerness and class across a range of idioms and practices in everyday life How it asks do readers of Dorothy Allison's novels use her work to find a queer class voice How do gender and race broker queer class fantasy How do independent filmmakers cross back and forth between industry and queer sectors changing both places as they go and challenging queer ideas about bad commerce and bad taste With an eye to the nuances and harms of class difference in queerness and a wish to use culture to forge queer and class affinities Love and Money returns class and its politics to the study of queer life

**Making Cultures of Solidarity** Diarmaid Kelliher, 2021-05-10 This book combines radical history critical geography and political theory in an innovative history of the solidarity campaign in London during the 1984-5 miners strike Thousands of people collected food and money joined picket lines and demonstrations organised meetings travelled to mining areas and hosted coalfield activists in their homes during the strike The support campaign encompassed longstanding elements of the British labour movement as well as autonomously organised Black lesbian and gay and feminist support groups This book shows how the solidarity of 1984-5 was rooted in the development of mutual relationships of support between the coalfields and the capital since the late 1960s It argues that a culture of solidarity was developed through industrial and political struggles that brought together diverse activists from mining communities and London The book also takes the story forward exploring the aftermath of the miners strike and the complex legacies of the support movement up to the present day This rich history provides a compelling example of how solidarity can cross geographical and social boundaries This book is essential reading for students scholars and activists with an interest in left wing politics and history
