Quest For Life In Amber:

The Quest For Life In Amber George Poinar, Roberta Poinar, 1994-09-11 In passages that read more like an Indiana Jones screenplay than scientific research the Poinars describe how their hobby turned obsession ultimately led to a breakthrough scientific finding the discovery of preserved insect DNA in amber Photos

A Manual of Practical Laboratory and Field Techniques in Palaeobiology O.R. Green, 2013-03-09 The user This manual is designed for the use of geo scientists with an interest and need in developing palaeobiological materials as a potential source of data To meet this objective practical procedures have been formatted for use by both professional and semi professional students with an initial understanding of palaeo biological research aims as a primary source of scientific data I have attempted to provide an explanation and understanding of practical procedures which may be required by students undertaking palaeobiological projects as part of a degree course The layout of this manual should be particularly beneficial in the instruction and training of geotechnologists and museum preparators Graduate students and scientists requiring an outline of a preparation procedure will also be able to use the manual as a reference from which to assess the suitability of a procedure This manual is also intended for use by the committed amateur Many of the techniques described in this manual have been devised by non palaeontologists and developed from methods used in archaeology zoology and botany as well as other areas of geology A considerable number of the methods can be undertaken by the amateur and in the case of many of the field procedures should be used This will ensure that specimens and samples can be conserved in such a manner as to facilitate any later research and not invalidate the results of subsequent geochemical analytical techniques which might be employed

Ancient DNA Elizabeth D Jones, 2022-02-22 The untold story of the rise of the new scientific field of ancient DNA research and how Jurassic Park and popular media influenced its development Ancient DNA research the recovery of genetic material from long dead organisms is a discipline that developed from science fiction into a reality between the 1980s and today Drawing on scientific historical and archival material as well as original interviews with more than fifty researchers worldwide Elizabeth Jones explores the field s formation and explains its relationship with the media by examining its close connection to de extinction the science and technology of resurrecting extinct species She reveals how the search for DNA from fossils flourished under the influence of intense press and public interest particularly as this new line of research coincided with the book and movie Jurassic Park Ancient DNA is the first account to trace the historical and sociological interplay between science and celebrity in the rise of this new research field In the process Jones argues that ancient DNA research is more than a public facing science it is a celebrity science

Controversy Catastrophism and Evolution Trevor Palmer, 2012-12-06 In

Controversy Trevor Palmer fully documents how traditional gradualistic views of biological and geographic evolution are giving way to a catastrophism that credits cataclysmic events such as meteorite impacts for the rapid bursts and abrupt transitions observed in the fossil record According to the catastrophists new species do not evolve gradually they proliferate following sudden mass extinctions Placing this major change of perspective within the context of a range of ancient debates Palmer discusses such topics as the history of the solar system present day extraterrestrial threats to earth hominid evolution and the fossil record Breviora ,1952 **Amber's Revenge** K. Kitson,2009 A senior in high school Amber hopes to attend college and escape the people she has grown to hate Since her parents divorce she has shouldered the burden of responsibility she does all the household chores handles all the finances and supplements her mother s meager income by having yard sales and doing without To everyone s dismay Amber looks and acts more like her vicious man hating mother every day Amber s Revenge details Amber s struggle as she approaches a crossroad in her life looking only in the wrong direction In his first published work author Keith Kitson takes you through six crucial days in Amber s life in this coming of age story that will resonate with anyone who has faced difficult choices Follow along as God puts the people Amber needs in her path and discover the most compelling argument against Amber s Revenge **The Coleopterists' Bulletin** ,2006
