Quest for the Killers Goodfield, 2014-01-15 **Last of the Old-Time Outlaws** Karen Holliday Tanner, John D. Tanner, 2014-11-14 Soft spoken cheerful handsome and well dressed George West Musgrave looked more like a senator than a cattle rustler Yet he was a cattle rustler as well as a bandit robber and killer guilty of more crimes than Billy the Kid was ever accused of In Last of the Old Time Outlaws Karen Holliday Tanner and John D Tanner Jr recount the colorful life of Musgrave 1877-1947 enduring badman of the American Southwest Musgrave was a charter member of the High Five Black

Jack gang which was responsible for Arizona's first bank hold up, numerous post office and stagecoach robberies and the largest Santa Fe Railroad heist in history. Following a decade-long hunt, he was captured and acquitted of killing a former Texas Ranger. After this near brush with prison or execution, he headed for South America where he gained fame as the leading Gringo rustler. It wasn't until the 1940s that Musgrave's age and poor health brought an end to a criminal career that had spanned two continents and two centuries. Incorporating previously unknown facts about the career of this frontier outlaw, the Tanners thoroughly document Musgrave's half-century of crime from his childhood in the Texas brush country to his final days in Paraguay. The story of the doctors and scientists who attempt to conquer world-wide disease follows them across the face of the earth from New Guinea to the United States and documents their triumphs and tragedies. Nostalgia, Song and the Quest for Home Paul Carr, 2025-08-07. What does it mean to evoke a sense of home through song or intentionally utilize nostalgia in songwriting? This book explores a neglected aspect of scholarship surrounding the study of song: its relationship with nostalgia and notions of home in the broadest sense. Each essay in this collection studies these factors from the perspective of production, text, and reception, either individually or in combination. Making use of frameworks such as Marxism, critical theory, and hauntology, this is a propulsive study of the global cultural phenomena of nostalgia music. From the perspective of production, authors explore nostalgia as technique and the commercialization of nostalgia. The section focused on text features case studies of nostalgic songs or albums, about home, and musicological analyses of the nostalgic trends of songwriters' songs, albums. Finally, the reception essays facilitate examination of nostalgic narratives from the subjective and varying perspectives of audiences or listeners. Whether identifying with Bruce Springsteen or ABBA or hailing from Ukraine or New Zealand, the featured music speaks to a listener's sense of home and self. From music of the Serbian

diaspora and Country n Irish music which speak of a nostalgia for a homeland or time to which one cannot return to a song performed in the Wuhan dialect for listeners who could not leave their homes during COVID containment these collected essays feature the music of artists whose audiences have found and clung to a version of themselves
