The Quest of Alain-Fournier

Since his mysterious disappearance in the First World War, Alain-Fournier has become something of a legend. His only novel 'LE GRAND MEAULNES', ranks as a modern classic. This first English book about him shows that Alain-Fournier's life was as haunting a story of adolescence and lost love as the novel which won him enduring fame.

Ethics and Aesthetics in European Modernist Literature David Ellison, 2001-09-27 David Ellison's book is an investigation into the historical origins and textual practice of European literary Modernism Ellison's study traces the origins of
