Honoré de Balzac,1898 The Quest of the Absolute Honore De Balzac,2019-08-05 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy *The Quest of the Absolute* Honoré de Balzac,1904 **The Quest of the Absolute** Honoré de Balzac,1898 *The Quest of the Absolute* Balzac Honore De,2000 *The Quest of the Absolute* Ellen Marriage,2015-07-13 Excerpt from The Quest of the Absolute La Recherche De L absolu The volume of the old edition of the Comedie Humaine which opened with La Recherche de l Absolu together with that generally entitled Les Marana contains the cream and flower of Balzac as a story teller and the first excels the second in showing the fiery heat and glow of the author s imagination Its principal constituent the title story is large enough for a novel by itself and is so given here The chief of the minor elements Le Chef d uvre inconnu has seemed to some the actual masterpiece of the author Jesus Christ en Flandre like some others of Balzac s short stories intimates an intention in him of emulating the contes fantastiques half humorous and half romantic half Voltairian and half mystical which were so much in favour in 1830 It is I think quite the best of them and it shows its author s great manner in more points than one But just as at the end of L Elixir de longue Vie we want the touch of Hoffmann rather than that of Balzac so here we find something that is not quite perfect that wants another hand Even as it is we would not change for anything else but we have the sense that the same thing by another person might have been even better Melmoth reconcilie an inferior thing in itself has in the same way a sort of special and adventitious interest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Alkahest* Honoré de Balzac,Katharine Prescott Wormeley,2006-03 Philosophical Study from La Comedie Humaine The Human Comedy By the French novelist who is regarded as a founding father of realism in European fiction His large output of novels and stories collectively entitled La Comedie Humaine The Human Comedy is a broad panorama of French society in the period of the Restoration 1815 1830 and the July Monarchy 1830 1848 His stories are an attempt to comprehend and depict the realities of life in contemporary bourgeois France They are placed in a variety of settings with characters reappearing in multiple stories The Quest of the Absolute Honoré de Balzac,Ellen Marriage,George Saintsbury,1845 The Quest of the Absolute and Other Stories (Classic Reprint) Honoré de Balzac,2015-07-12 Excerpt from The Quest of the Absolute and Other Stories But The Quest of the Absolute is as has been said a novel in itself Taking minor points only it is a masterpiece That

there is a certain parallelism probably unconscious between the way in which Balthazar Claes as unconsciously kills his wife and the way in which Monsieur Grandet kills his is certainly no drawback to the book for the repetition if it is a repetition only shows how genius can repeat Indeed there is the same demonstration contained in the same books in the representation of the diverse martyrdoms of Madame Claes and her daughter Marguerite fatal in the former case happily changed in the latter In no book is Balzac s faculty of Dutch drawing as far as scenes and details go more brilliantly shown in none are the minor characters from the famulus Le Mulquinier with his fatal belief in his master s madness downwards better while Marguerite Claes and her mother especially Marguerite are by common consent to be ranked among Balzac s greatest triumphs in portraying honest women But these things though they illustrate the general principle that the presence of a great central interest and figure will radiate greatness and interest on its surroundings would contribute comparatively little to the effect of the book if it were not for the seeker after the absolute himself Nowhere perhaps has the hopeless tyranny of the fixed idea the ferocious not exactly selfish absorption in the pursuit of a craze been portrayed with quite the same power as here And we know and feel that the energy the fire the perfection of the handling are due to sympathy that Balzac a few generations earlier would have sought the Philosopher s Stone with the same desperate energy as Balthazar About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
