Wagner, 2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter and spirit of God's laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation's point of reference It is the Christian's duty to show that the valid rule

of God's law the letter of God's law and the spirit of God's law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth     No Heels, No Problem Maxine Roper, 2025-08-21 Are you a dyspraxic or ADHD woman or do you think you might be Does a lot of life advice for women feel like it's not quite meant for you Were you told you'd grow out of dyspraxia or ADHD as a child not grow into them as a woman If you want to understand what dyspraxia or ADHD means to you as an adult and a woman this book is for you It will support you in every part of your neurodiversity journey and help you understand what dyspraxia and ADHD mean to you as a woman in your relationship with others yourself and even your body It's the survival guide I wish I had growing up so I have written it for you instead Sometimes uplifting and humorous and at other times unflinchingly honest about life's rock bottoms think of reading this book as having a coffee with someone who's seen the best and worst of life and is ready to cheer you on when you're doing great and be there for you when you fall     Child and Adolescent Therapy Jeremy P.
